Personal Achievements Skating

- Gold Dance Figure skating has always been a passion of mine. I love the feeling of being on the ice.
- As a coach I want to allow my skaters to experience the same feeling I do.
- I am truly dedicated to each one of my students and it is my goal to help them achieve every one of their dreams.

My Passion

- I would like all of my skaters to become well-rounded athletes, people in a positive learning atmosphere.
- I would like my skaters to maintain their love for the sport but constantly learn new things on a regular basis.
- With good technique, lots of practice, hard work and dedication they will be the best that they can be.
- I would like them to go out onto the ice and achieve the goals that they have set out to achieve but most of all to have fun and always love what they are doing.
