

Every year we have an election at the end of the Skating Season to see what wonderful exceptional volunteers wish to help in running our club.

We have many people on the board with very different backgrounds & skill sets.

It would be outstanding to see innovative fresh ideas from new members.

You do not have to be a parent. Anybody with Enthusiasm willing to help would be greatly appreciated.

Please join us as an exceptional Volunteer to help our youth Skaters excel & exceed their goals

"its such a rewarding thing to do"
