The Path of the Rose ~ Day 5

Path of the Rose

1. **The Call** - A longing for something deeper. A feeling that there is more to life than what has been taught.
2. **The Descent** - Meeting the shadow.
Facing old wounds, fears, conditioning, and the parts of ourselves we have hidden away.
3. **The Remembrance** - Beginning to reconnect with the soul's wisdom. Recognizing that the Divine is not outside of us but within us.
4. **The Embodiment** - Bringing spiritual insight into the body, relationships, work, and daily life.
Not merely awakening, but living the awakening.
5. **The Rose in Bloom** - Living from love rather than fear.
Serving the world through one's unique gifts.

The Path of the Rose is the journey from separation to remembrance, from fear to love, and from spiritual seeking to embodied presence.

The Rose Symbolizes

- 🌹 **The Soul** - your eternal essence, untouched and whole. Your true nature.
- 🌹 **The Heart** - the place of love, compassion, and inner knowing. Unconditional love.
- 🌹 **Initiation Through Experience** - like the rose that grows among thorns, wisdom is often gained through life's challenges.
- 🌹 **The Divine Feminine** - receptivity, intuition, embodiment, creation, sexuality, and sacred relationship with life.
- 🌹 **Unfolding Consciousness** - each petal opening represents another layer of awakening and self-discovery.

“The rose does not force itself to bloom.

It opens when it is ready”
