

The Magdalene Codes

The Path of the Rose ~ Day 2

What Does Mary Magdalene Represent?

- A mirror through which women can reconnect with forgotten or hidden parts of themselves
- She symbolizes the Soul remembering itself through Embodiment, Love, and Transformation
- Initiation to awaken and connect with your Soul Light
- Unconditional Love
- Healing
- Sacred Relationship with yourself, with others and with life

Skull

Death of Illusion

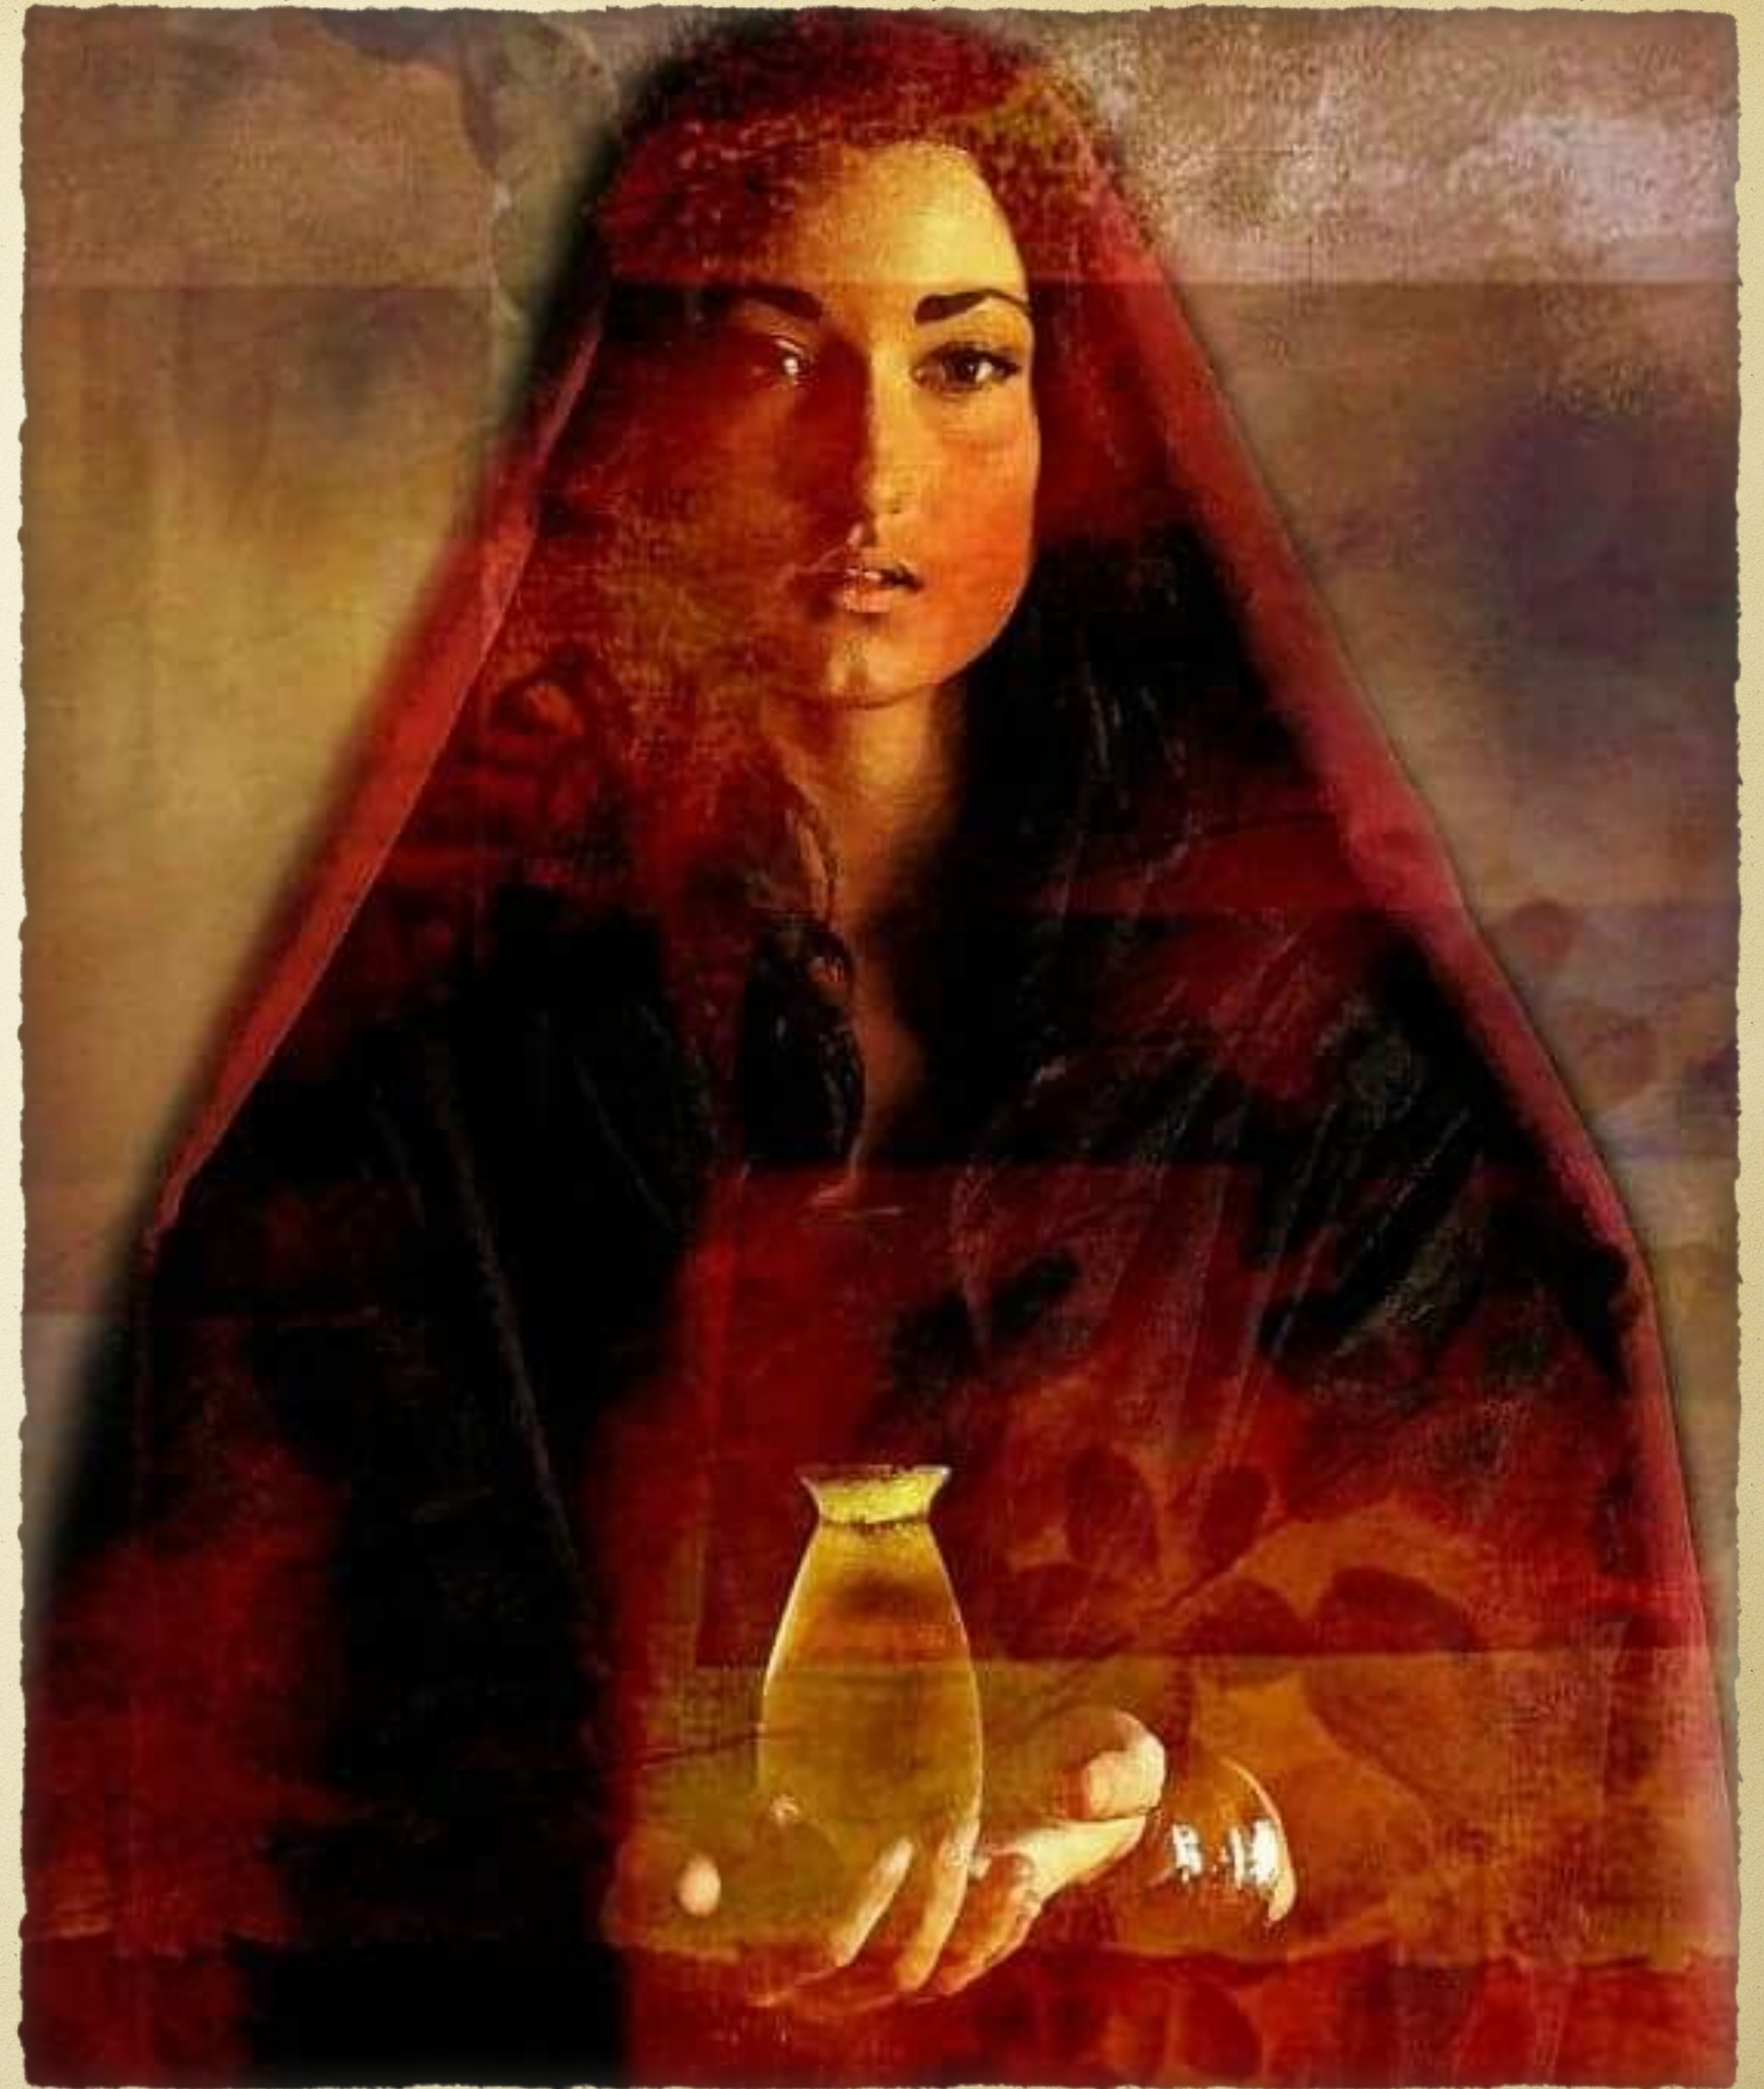

“What is false must die so the soul
may live.”

Alabaster Jar

The Soul as Sacred Vessel

“The sacred vessel carries what words cannot.”

Red

Embodiment of Divine Power

“Red is the spirit fully alive within
the body.”

Egg

Resurrection Consciousness

“Within the mystery, new life waits
to awaken.”

Bringing the Symbols Together

- Descent
- Purification
- Awakening
- Embodiment
- Resurrection

Symbol	Meaning
 Skull	Death of illusion / transformation
 Jar	Sacred vessel / anointing / feminine container
 Red	Embodiment / life force / Divine Feminine
 Egg	Resurrection / rebirth / hidden potential

Divine Feminine Symbols

The Language of the Soul

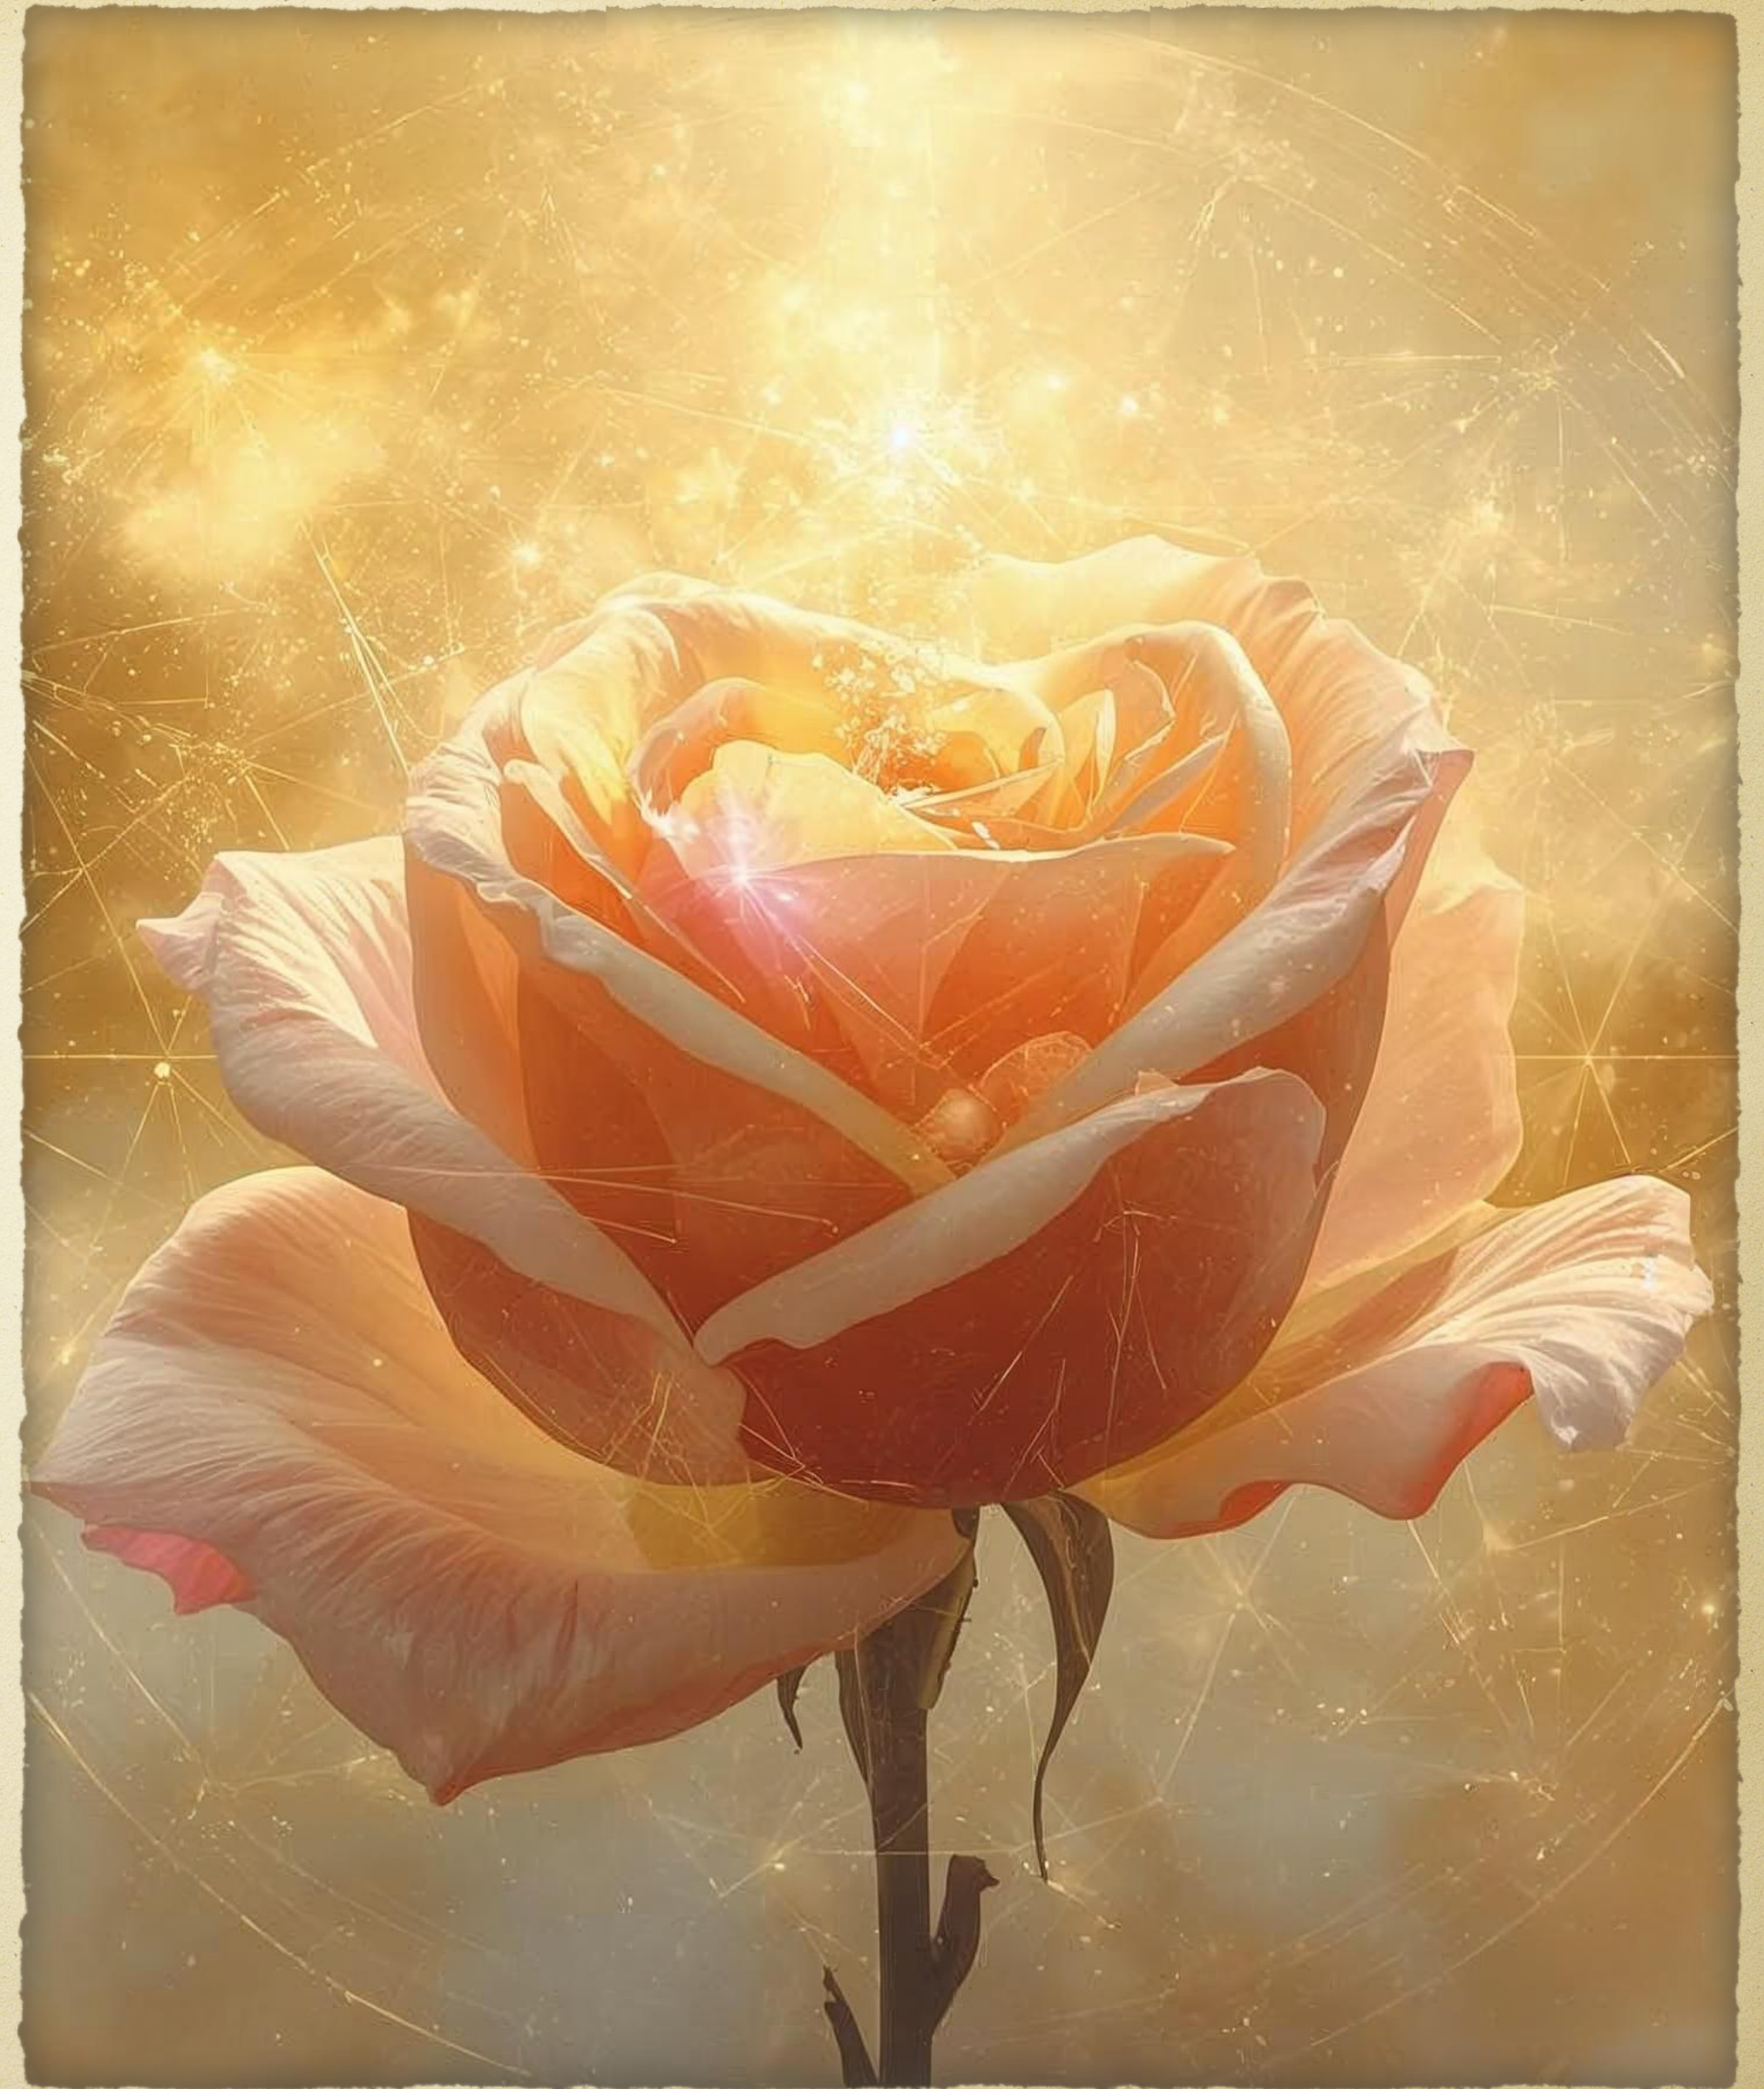

“Sacred symbols are not merely
seen they are felt, remembered,
and awakened within us.”

Rose

The unfolding of the soul through
love, beauty, and embodiment

“Like the rose, the soul unfolds layer
by layer revealing its beauty only
when fully opened to the light.”

Vesica Piscis

The womb of creation and
sacred union

“Where opposites meet in
harmony, creation is born.”

Flower of Life

The sacred blueprint of creation
and unity consciousness

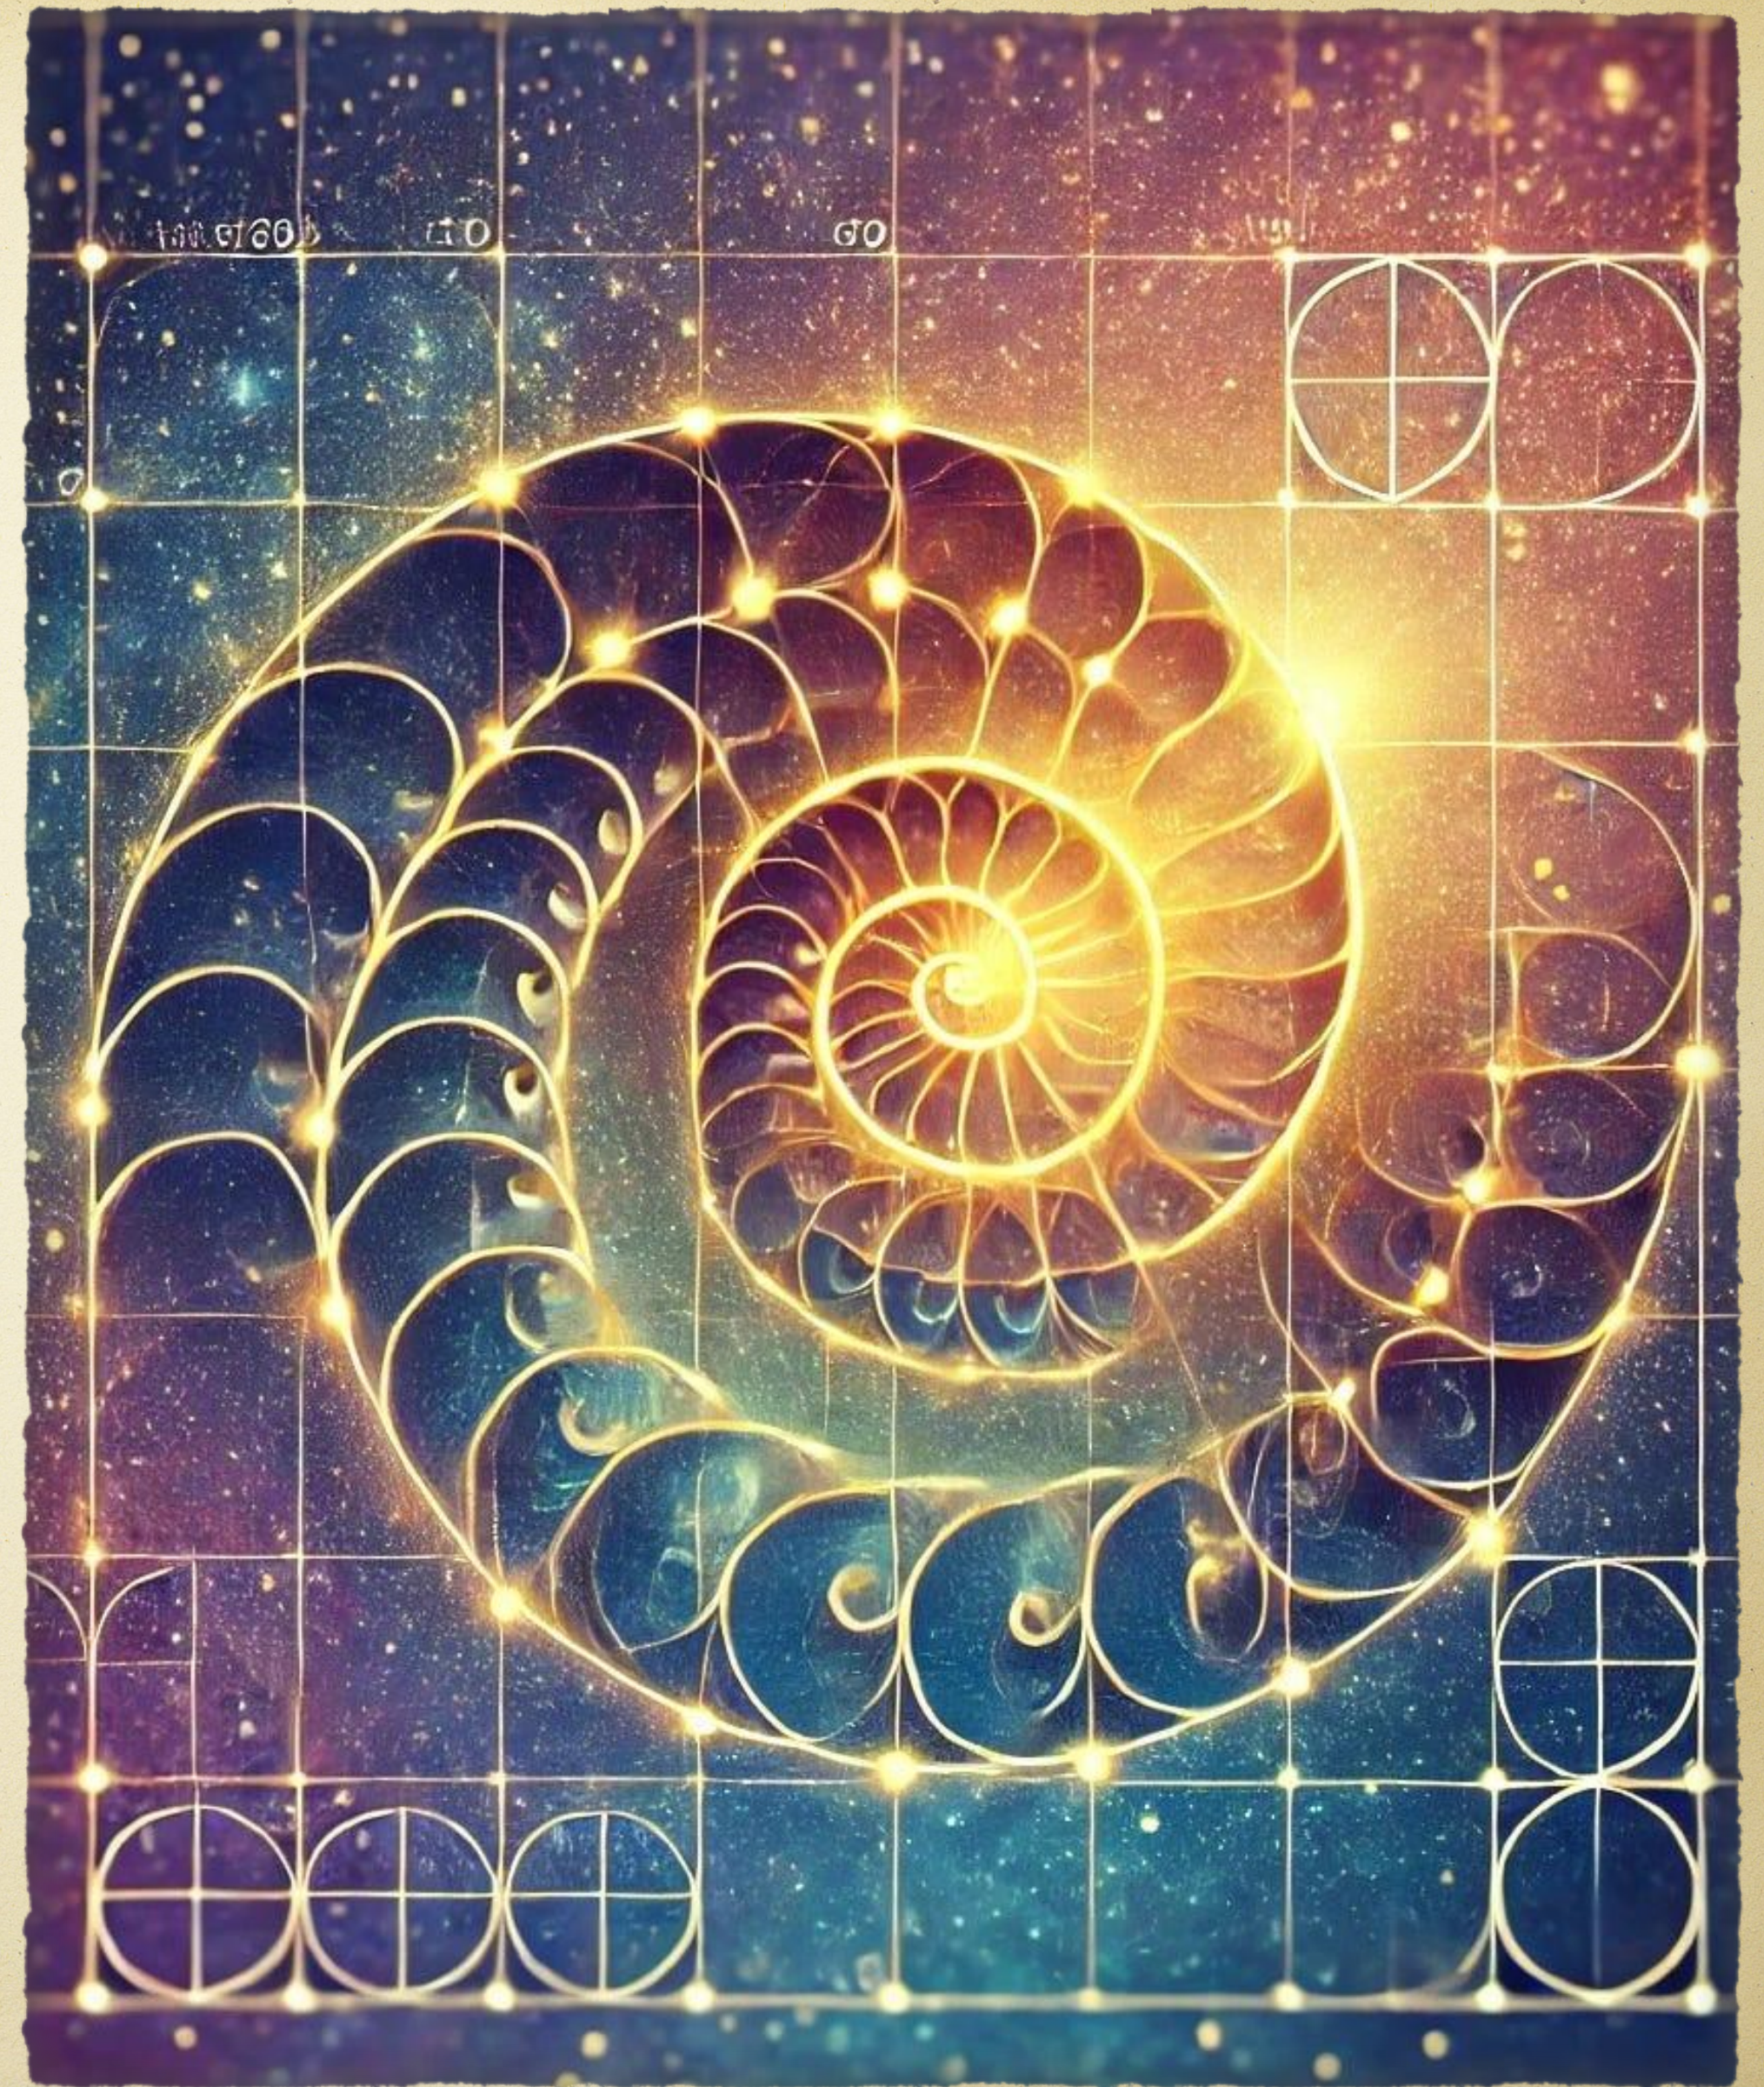

“Everything is connected through
the same living field of creation.”

Spiral

The path of transformation,
evolution, and return to self

“Healing is not linear it spirals
us deeper into remembrance.”

Moon

Cycles, intuition, mystery, and
inner wisdom

“The moon teaches us that even
in darkness, we are still whole.”

Chalice

The sacred vessel that receives
and holds divine life

“To receive is not weakness it is
sacred power.”

Cosmic Egg

Potential, gestation, and the
mystery of creation

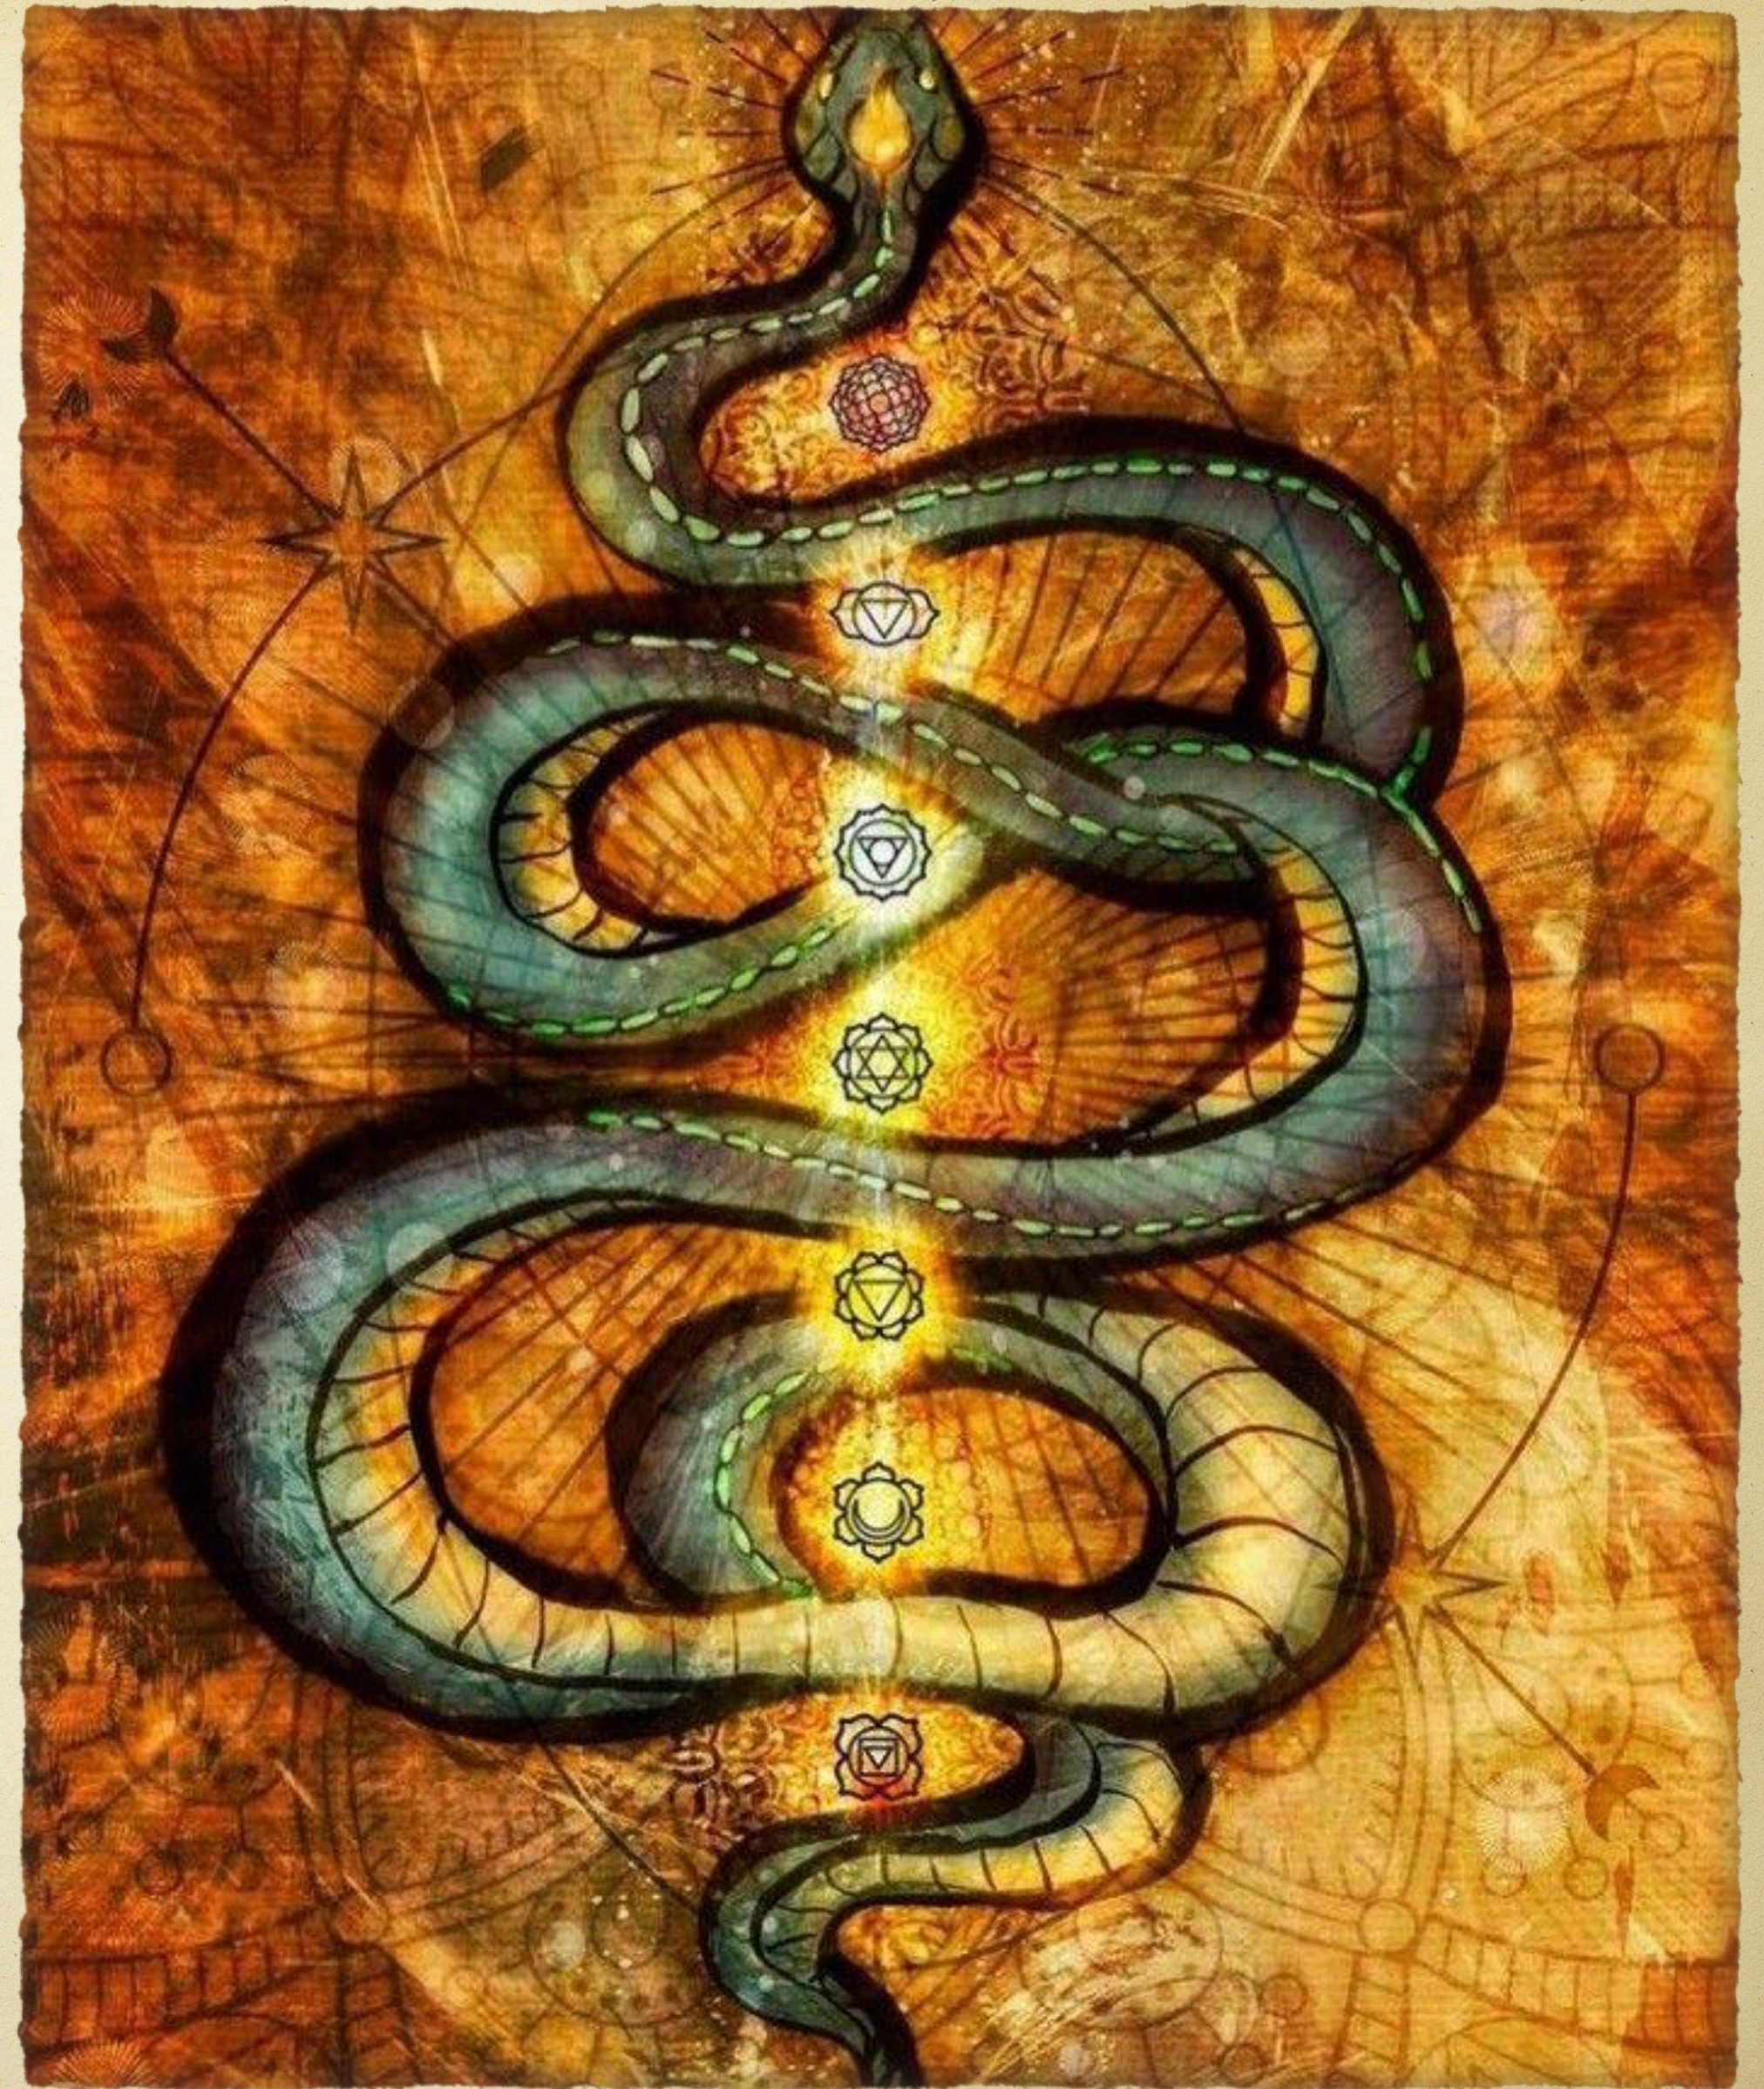

“Before something is born into the
world, it is first formed in the
unseen.”

Serpent

Life force, transformation, and
awakening

“The serpent sheds its skin to
become new just as the soul sheds
illusion to awaken.”

Sacred Triangle

The descent of spirit into
embodiment and creation

“The Divine Feminine does not
escape the Earth she roots into it.”

Ankh

The Key of Life

“The Ankh represents the union of spirit and matter - divine life embodied in human form.”

Yoni

Womb Sacred Space

“The womb is not merely where life begins, it is where consciousness learns to become embodied.”
