COMMODORE CHRIS ABRAHAM

August is already here, kids going back to school, soon summer will end. But, before our summer ends, we will be having the annual **Labor Day Celebration** and **Bathtub Regatta**.

Parking continues to hamper the Club. We had only about 15 members at the last general meeting due to a Giants game at the same time and also vacation season. Next year if there is a Giants game on our General Meeting nights we will be changing the meeting to 12:30 in the early afternoon with lunch to follow. You will be given plenty of notice when this happens.

Please be advised that if you park on the boat ramp you **MUST NOT BLOCK THE HANDICAP ENTRANCE'S ON THE SIDEWALK.**

See picture...the finger is pointing to the little square on sidewalk next to the white car. The yellow square is a handicap pathway. You could

get a \$275 ticket for blocking this yellow handicapped access pathway. (There is another yellow square located on the other side of ramp next to black car.) A disgruntle neighbor is keeping a close eye on our parking practices and takes photos anytime there is a car blocking the handicap entrances.

Despite the parking problems which we have experienced since the beginning of the year, our club has been doing quite well in reference to bar sales. Thanks to the Private parties which seem to have been nonstop and the future looks very positive too. Law Enforcement Appreciation Day was a wonderful success! Thanks to all those who helped it be a success!!

Our next big event will be Labor Day and this should be fun. I'll come up with some surprise drinks and maybe a special raffle. Please join us early as it will also be the "Bathtub Regatta" which the MHPYC has won continuously for the past several years. (See p_____).

The good news is that the Giants are not in town. The bad news is,... well,... there is no bad news. ☺

See You On Labor Day!

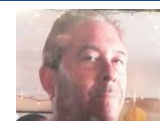

Best Regards,

Bruce Feldhammer

Vice Commodore

Rear Commodore Ken Hallgren

First I would like to thank everyone who showed up and contribute to the annual 4th of July party it was great. A special thanks to Andres Chavez and his galley crew. The next club sponsored event is the annual Bathtub Regatta and Labor Day BBQ. Immediately after the race our Labor Day Celebration continues with , live Music and BBQ! As with all club events, we need volunteers to help. Andres Chaves has already agreed to head up the cooking! It's a lot of work for just one or two people to handle. Volunteers needed! If you'd like to help, please contact me at khallgren24@msn.com.

Lastly, most of the Saturdays are booked for the year. Lots of Fridays and Sundays are still available for parties. Let me know in advance if interested in a certain date..

Reserving "Use of the Club"

When reserving the "Use of the Club", fill out **all** the proper paper work, include specific requests and the required checks. Do Not write on the calendar unless you get approval directly from me or one of my assistants. Just because the date on the calendar is open **DOES NOT** mean it's open! There may be other applications pending. Also, if we are out of pre-printed forms, you **can find the applications on our website:**

→→BATHTUB REGATTA GUIDELINES←←

The general idea is to promote silliness and a spirit of creativity and fun between the BVBC & MHPYC. Two qualifications include:

- 1) The "sea worthy" vessels need to be assembled on site that morning, and
- 2) The floating devices cannot be a "real" boat or dingy. Be creative! Very exciting and fun time.

Crews can be one to 6 or more, .. We are looking for some new participants to help us continue our winning streak! Come and join in the fun . Contact Patrick Maples for information. (415 748-2866)

Ahoy All,

This year is flying by! The painting of the outside of the building is still in the works. The Unions Apprenticeship school is almost ready. (They are doing the labor for free) They just have a few State and Federal obligations to fulfill first. James Fregosi (Future Member) owner of Benjamin Moore Paints, is on board to donate the paint! But 1st, we have to prep by washing the building. For that, we need volunteers. Reliable volunteer member, Dane Gleason, has moved back East for six months and will be missed. Dates and times to start are pending, but I will let you know soon as I find out.

The floor looks great and will be waxed and buffed next week. All

tables and chairs floor glides are working well, Volunteers Michael Paine, Alma Bishop, Dane Gleason and John Mikulin have put in countless hours with the glides, so, be careful when moving items across the floor, lift when possible. The flooring project also eliminated all the clutter in the club so let's try and keep it that way.

If you want to volunteer, give me a call [415 706 6503](tel:4157066503) or send an email dahoon@comcast.net I look forward to hearing from you!

Remember, "If you are good to your club, your club will be good to you!"

How to handle CRUISE-INS

All boat "Cruise Ins" and/or dock reservations must be done through the Port Captain (Danny Ahern) or the Assistant Port Captain (John Mikulin). Upon arriving, the Boat's Captain must sign the log book. The log book is located in the podium under the member and guest sign-in book. No one shall write in it except The P.C., Assist. P.C and the boat captain. All advanced reservations taken by the Port Captain or the Assistant P.C. will be recorded in the log book by the Port Captain or Assistant Port Captain only!

Hello everyone,

I am so happy to be back. My 3 week trip had some unexpected events that prevented me from coming home on the date planned. I want to thank Cary Ronan for keeping our bills

current during this time and help with making the necessary deposits. We did have two large expenditures this month, Club insurance and Board of Equalization sales tax. Also, the

club's tax return paper work, is well underway! Whew!

I hope all of you are well, and I will be seeing you all at the club!

Our July 31st Cruise out game outing was a rousing success with the Giants defeating the Washington Nationals (Sunday July 31st)!!! The Club is now 4-0 with Giants wins on our outings to the Giants games. I would say that is more than good luck...that's gotta be MHPYC good karma! Let's keep it going! The next Cruise out August 21st with the Giants and

NY Mets, is the weekend this newsletter is coming out and I am hoping, another victory! Thank you Chris Maples for helping out with the Cruise Out while I recover...

Unfortunately, I had a pretty scary health issue occur (pulmonary emboli) and I've been told I need to take it easy for a while to make sure the clots dissolve and no new ones are

formed. Yikes! I'm too young for this. However, know that I'll be watching from home and rooting the Giants and MHPYC on! I am feeling better every day and hope to be back in perfect health and good cheer soon! See you then at the club!

Fleet Captain
