COMMODORE CHRIS' CORNER by Chris Abraham

season to say the least. And now — on to 2018!

Great crowd at the Halloween Party — Member of the Month went to my wife, *Marisa*, for her fabulous decorating. Congratulations to Grand Prize Winner of the best costume: — *Joni Sperow* hopped into the Winner's Circle as Jessica Rabbit.

Election of new officers brought a big crowd to the November General Meeting. See Secretary Reggie's report for the roster of new Officers. Charity, *Ranchin' Vets*, was established by an SFPD police officer, shot and injured earlier in 2017 (www.ranchinvets.org) and the Vet's Day A Team prepared a tasty brisket for our members. A special thank you to *Paul Schlotfeldt* who pur-

chased our *new hot water heater*, hauled it to the Club and hauled away the old one with a hand from *Steve O'Brien*. A huge thank you to Paul and Steve.

And suddenly it was December! Members enjoyed a festive Christmas Party after the General Meeting. Once again I thank *Marisa* for the beautiful Christmas decorations — she's definitely got the knack. New members, *Tony Formuso* and *Dom Beroni*, served us a fine holiday meal of New York Steak au jus. It was also my pleasure to announce this year's winner of the drawing for the Hawaii Trip — *Sal Balistreri*. Congratulations, Sal!

huge thank you to *Bill and Kathy Shine* for again donating the use of their property for this worthy fundraiser — the Club raised over \$1200 for the *Shine Scholarship Foundation*!!

December Member of the Month was *RC Kenny Hallgren* for his efforts in the Galley throughout 2017. Kenny always steps in when need-

ed Thanks, Kenny.

A really big thank you to *all* the 2017 Flag Officers — VC *Bruce Feldhammer*, RC *Kenny Hallgren*, Secretary *Rudyard Vance*, Treasurer, *Cary Ronan*, PC *Danny Ahern* and FC *Patrick Maples* for all of your efforts. Your cooperation has been a huge help to me!

The *Fundraiser for the Napa / Sonoma Fire* victims is January 7th, starting at 11am with lunch at 1pm. *Aftermath* donated their musical services for this event and will be playing from 2-6 pm. Please contact me if you have something to can donate. The fires are over, but NorCal is still reeling from the devastation.

I hope to see everyone at the *Installation Dinner* at the Basque Cultural Center on Saturday, January 20th, 5:30pm. Thanks to *Robbie Lee* for coordinating this dinner. This is my last column as Commodore — It has truly been an honor and a privilege to serve you all. Happy New Year!

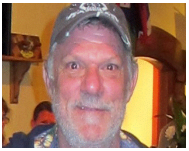

I Love This Club!

VICE-COMMODORE BRUCE's REPORT

By Bruce Feldhammer

Ahhhh, my final report as your Vice Commodore! Again, I thank the membership for your support. A special thanks to **Margarita Torres** and **Patrick Maples** for filling in for me when I was traveling in October and again when I was hospitalized in early December. Thanks too, to **Peter Elzer** for keeping an eye on the beer, wine and soda supplies, and to **Kenny Hallgren** – his attention to detail and communications regarding events and parties over the past 2 years has been a huge help to me. It's been a great

team and with **Commodore Chris Abraham** at the helm, it's been pretty smooth sailing.

I have a special thank you for **Paul Schlotfeldt**. Paul is always there when it's time to swap out kegs, fix a malfunctioning soda system, or attend to just about any other chore which can surprise us. He is a true sportsperson and great team player for our club.

Bar prices have gone up a tad and honestly, they likely will continue on that trend. San Francisco is expensive and unexpected costly surprises are an all

too frequent occurrence. That said, we still pour a bargain drink! Again I must thank the bartenders for their integrity – not to mention their patience!

Should incoming Vice Commodore, **Patrick Maples**, need assistance, he has my full cooperation. This position takes time, effort and is sometimes thankless. As our Commodore has said many times: "I love this club", and I echo his words. Let's all work together and make 2018 another successful year!

Bruce Feldhammer

REAR COMMODORE KEN'S REPORT

By Ken Hallgren

Happy Holidays and Happy New Years to all the members for 2018. I would like to start off by thanking all the Flag Officers and Board of Directors for a job well done in 2017. I know that we have tried to be a fair and impartial board and hope that those efforts have been appreciated by our members. As most of you know, the Club is planning a Fundraiser for the North Bay fire

victims on January 7th. Our Club is known for its' service to the community and we want to show our Northern neighbors that we care! Please plan on getting involved either by donating goods or a service and/or volunteering your time. **Andres Chaves** and I are heading up the kitchen staff with help from **Nancy Del Sarto**, **Kat Villaseñor** and others. **Dirk Delmon** has offered to donate a whole pig and will cook it for this important event. If any of you would like to volunteer to organize appe-

tizers for the party, let me know. As outgoing Rear Commodore you should know that if you want to schedule events for 2018 you should contact our new Rear Commodore **Chris Maples**. If you want your private event to get on our calendar, you should get right on it – things are booking up quickly and a lot of Saturday time slots are already booked through March.

Happy New Year and see you on the 7th! RC Kenny Hallgren.

TREASURER CARY'S REPORT

By Cary Ronan

2017 didn't start out with a financial bang, but things got rolling and we managed to end the year with \$4000 more in the bank than we had last year at this time. It was a little painful, but the rise in top shelf bar prices gave a big assist to the bottom line. Please keep in mind that even with that price bump we still offer a bargain drink to our members. That said, 2018 is here and the time has come when we give the biggest boost to our Club's bank account: membership dues. Dues are our most important source of income; we depend on the

membership to make timely payments to keep our Club healthy and happy! Your **\$250 dues are due on January 1, 2018**. You can pay by Paypal on our website, personally deliver your check to the Club or mail your check to: Treasurer, 405 Terry Francois Blvd., San Francisco, CA 94158. If your dues have not been received by **February 15th**, your membership will be suspended and you cannot enter the Club until you have paid your \$250 plus a \$75 reinstatement fee. A suspended member that has not been reinstated by **May 1st** will be deemed to have resigned from the club and their membership will be permanently cancelled. Reinstatement will cost you a

\$150 reinstatement and annual, pro-rated, dues.

The generosity of our members was once again apparent when in November our Club raised \$1,385 for the **Ranchin Vets** and again December when we raised more than \$675+ for **Sunset Youth Services** and young victims of the Napa Sonoma fires. Again, I want to give a big thank you to our members who are always so supportive of the charities we sponsor which truly show how much we care about our Community. And . . . I'll see you next year!

Cheers, Cary Ronan,

SECRETARY REGGIE'S REPORT by Rudyard Vance

CRUZIN' WITH FLEET CAPTAIN PATRICK By Patrick Maples

Well it's been quite a holiday season here at the MHPYC! I would like to personally thank ***Marissa Abraham*** for ALL her

efforts decorating the club for both Halloween and Christmas – Great Job, Marissa! The Halloween party on 10/28 was spectacular with a huge turnout. Nearly everyone got into the act with spectacular costumes and we all danced to our favorite house band, Aftermath.

Our Christmas Party was 12/9, and one of our newest members, ***Tony Formosa***, prepared a feast of New York Steak for us. Dinner was followed by a very spirited Secret Santa gift exchange with many of the items changing hands multiple times.

We had an ugly sweater contest that ***was not*** won by Chris Abraham this year — ***Wayne Lake*** took the dubious honors. The very lucky winner of the Hawaiian vacation raffle was ***Sal Balistreri***.

Moving on to January 2018, I have been focusing my efforts toward our Commodore's benefit party for the victims of the Northern California wild fires. I have been communicating to other yacht clubs about the event, in hopes of having other clubs "cruise in" and participate in the event, which will be held Sunday 1/7/2018. I encourage all members to come to this important event and donate

what you can to this cause – the fires are over, but the folks up there continue to be going through rough times.

I am very happy to announce that I have formed a "partnership on the waterfront" with the folks who operate the National Liberty Ship Memorial, and Museum, ***The Jeremiah O'Brien***, with our MHPYC ***Youth Sailing Program***! They made a generous donation to our program and will be working with Commodore ***Bridgette Carroll***, in a grass roots community effort to support our sailing program. Hopefully this will be the start of a great partnership with our Youth Sailing and ***Women on Water*** Sailing as these programs continue to grow in popularity.

As we move into the new year, I would like to say that it has been an honor and a privilege to serve our membership as Fleet Captain of the MHPYC, please welcome ***Ken Peterson*** with open arms as your new Fleet Captain, good luck Ken! I'm sure you will do an outstanding job!

HAPPY NEW YEAR TO YOU ALL! YOU WILL SEE ME BEHIND THE BAR, AS YOUR NEW VICE COMMODORE!

Cheers, YOUR Fleet Captain,

PORT CAPTAIN DANNY'S REPORT

by Danny Ahern

As we bring 2017 to a close, it's good to know that the Club is in such great shape. We weathered big storms last winter and still managed to make several big improvements to the Club -- new flooring and new fences were probably the most satisfying projects

with the most visible results. But just taking care of the daily maintenance on an aging building and piers that always seem to need repairs kept us busy.

This will be my last report as your Port Captain and I want to thank all the people -- too many to name in this small report -- who worked so hard with me over the past 6 to 8 years to keep our club in ship-shape condition. I will be moving on to be giving full

care to my mother as of February -- our care giver is retiring after 15 years of good service.

Remember: New Board members take over after they are sworn in at the Installation Dinner on January 20th, and it is with great confidence that I hand over the tools of Port Captain to **Reno diDomenico**.

Happy New Year!
DANNY AHERN

WHAT'S GOING ON INSIDE THE SHIP'S STORE??

by Martha Bella.

The order for the ever-popular Hawaiian shirts is still "on the truck" and won't be delivered until at least January 10th. Shouldn't be a big problem -- it's Winter and fleece is probably more appropriate than tropical apparel. So try to hang on for a few more days . . .

All my other orders have arrived and are ready for pick-up, including the fashionable black hats that simply fly off the shelf. If you want one of these popular hats, you'd best visit our store sooner

rather than later. -- they go quickly! The blue jacquard shirts being modeled by Gail and Paul are quite elegant and

great for those times that you might want to be a little more dressed up!

When you see me or Gail Dekreon, the Ship's Store is open

for business. We are more than happy to show you what we have in stock. If you take a few moments to thumb through our catalogs you will be sure to find something that will tickle your fancy!

LIVE ENTERTAINMENT!

By Betty Cheung

It was a great year for Live Entertainment! Our last show of the year, "**Perrish Sings Sinatra**", was another big hit and members and guests showed their enthusiasm for the performance with standing ovations. We also had some wonderful raffle prizes which were won by **Leanne Curran, Mike Reid, Ruth Denardi, Walter Knoepfel, and Margarita Torres**. The prizes were donated by Club members with **Betty Cheung** leading the way with a \$50 gift card to dine at Original Joe's in North Beach, AND a Grey Goose Gift Box Set; **Vickie Van Wrinkle** donated two bottles

of wine (red & white), and **Leslie Shepard** generously donated three gift baskets. Leslie was also the cook for this well-attended event.

I want to extend a big thank you to everyone for your support for **Live Entertainment!** in 2017. Let's keep it going in 2018.

PICYA and RBOC REPORTS

The **RBOC** (Recreational Boaters of California) is a not-for-profit organization that keeps the boating communities of California informed about current laws and environmental concerns that affect boaters. Are you concerned about the new rules concerning copper-based anti-fouling paint? Do you have questions about the Delta "WaterFix" Tunnel Project which will close significant Delta waterways during the estimated 14-year construction period? Are you worried about an invasive aquatic species that appears to be invading the water in your

area? Are you hopeful that the new tax you are paying for fuel for your boat will go only to boating-related programs? These are only a few of the issues that the Sacramento-based RBOC tackles. They lobby for us – Boaters of California. Check out their very informative website at: www.rbo.org and be up to date on all the latest boating concerns. Your *Rendezvous by The Bay* Editor and her Assistant, Gail Dekreon attended the **PICYA Award Dinner** at the Encinal Yacht Club on November 6th. The enthusiasm of our readers gave us the im-

petus that we needed to enter our humble publication into the **Edwin H. Wilder Perpetual Trophy PICYA Newsletter of the Year** contest. We did not win, nor did we place. But three of our issues from this past year were read by three professional editors and we received many helpful and encouraging comments. We are not daunted and will surely try for this prestigious award again next year!

2017 TIPS FOR CHARITY SCHEDULE

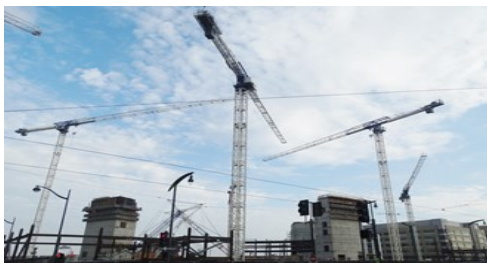

The **Mariposa Hunters Point Yacht Club** has established a wonderful monthly tradition. Every month (except for January) at our General Meetings our Club allows a member to **sponsor a non-profit** and then gives that member the opportunity to enlighten our membership regarding that charity close to his or her heart. Even better, the Club allows the Sponsor a \$400 budget to prepare a dinner for the General Meeting Attendees. The dinner is "free" to members and guests pay \$10; but everyone is encouraged to **fill the donation basket** with a **generous monetary gift** for that month's charity. All tips from the bar are given to the month's charity, as well. Below is the list for last two months of Member Sponsored Charities for 2018:

<u>Month</u>	<u>Sponsor</u>	<u>Non-Profit Organization</u>
--------------	----------------	--------------------------------

SCHEDULE NOT AVAILABLE AT TIME OF PUBLICATION: STAY TUNED!!

IMPORTANT: All money received from the donation basket and the bar tip jar **MUST** be given to the **Treasurer**. The Treasurer then issues a check to the Charity.

FROM THE EDITOR'S WHEELHOUSE

2017 has just snapped right on by and viola! – it's 2018. It's been a pretty good year for your Editor – she learned a new computer program (wow! Old dogs *can* learn new tricks!). And she became a first-time, totally besotted grandmother. Welcoming a new person into this ever-changing world made me reflect on how careful we need to be with our future. When I think about the future of the

Mariposa Hunter's Point Yacht Club, I envision change. I look at the land across the street that just a few short years ago was empty – piles of dirt behind a chain link fence. Now I see AT&T Park, hundreds of condos, a big hospital, schools, large businesses and the infrastructure that will support this new community that has sprouted overnight. And as much as I adore our beloved Warriors, it is with trepidation that I see their new stadium being built at record speed just to our south. What's going to happen to us? Will we be squeezed out? Probably not – we have a lot of great things in our favor. But change of some kind is imminent. We've been here for a long time – we

were here first, in fact – by a long shot. But likely our test will be to see how well we are able to morph into the changing landscape and still maintain our individuality.

We are so blessed to have this amazing spot on our beautiful San Francisco Bay – we are a hidden treasure, for sure! Thanks to my Assistant, Gail Dekreon.

And **Happy New Year!**

STAY TUNED FOR MHPYC'S 2018 CRUISE OUT SCHEDULE TO THE BALL PARK!!

Not a great year for our beloved Giants, but we have not given up on them and we are looking forward to a *winning* 2018! Your new Fleet Captain, Ken Peterson will be announcing the MHPYC Cruise Out Schedule as soon as the Giant's 2018 Schedule is posted and he can score us some tickets!

GO GIANTS!

NEW MEMBERS

We welcomed two new members to our Club near the end of 2017. In November, sponsored by Gail Dekreon, Native San Franciscan Anthony (Tony) Formuso joined us.

His talents quickly became apparent as he began taking charge of the kitchen on a fairly regular basis. We love seeing you in the galley, Tony, because when we see you in there we know we're going to be enjoying some really great food! When he's not cooking, he fishing or gardening – catching things and growing stuff for his table. Tony began coming to the Club with a friend and the place just kind of grew on him – he liked our members; he liked the comfortable social scene; he was meeting new people – hey! He joined! Welcome, Tony!

In December, Paul Schlotfeldt sponsored new member, Domenic Barone. Although he was born and raised in San Francisco, Dom has relocated to San Mateo. Hanging out with the friendly members of our Club requires a little trek up the 101, but it's not too far to go for

some great fun and good company. The Galley has been the location of quite a few hours he devoted to the good of our Club, but he has one distinctly nautical talent that he has been able to share with some of our members: knot tying. Women on the Water were his lucky students at a knot tying class. It's great to have you with us, Domenic!
