## Newsletter August

THE LITTLE CLUB BY THE BAY

Welcome to the new and not improved newsletter for the MHPYC. The layout is sure to improve, so please be patient. The goal is to switch the newsletter from MS Publisher, to a more user-friendly, web based, cross OS application. Unfortunately, the formatting and graphics will not carry over and will have to be reassembled from scratch over time. I have chosen to just get the summer issue published, in order to get important information to the Members, and will improve the newsletter cosmetically over time. Please assist the effort by forwarding any concerns, comments, reports, or photos to: [newsletter@mhpyc.club](mailto:newsletter@mhpyc.club)

So much appreciation for the hard work Ginnie has done publishing this newsletter. A tough act to follow!

Your new newsletter editor, Ken Peterson

## COMMODORE'S REPORT

Hi All,

Thanks so much for all your donations to Larry Carr. We made over 10K and were able to send him and his gracious companion Chris Maples to Waikiki Beach! He had the trip of a lifetime! We have a great membership and your efforts collectively enabled this once in a lifetime opportunity. we are truly a club that cares about every individual as a collective. i, as commodore I feel almost overwhelmed with the concern, efforts and contributions to date until i remind myself that We Are The Mariposa!

As far as everything else going on at the club read the other officer reports. my focus currently is the well being of our friend Larry. I love our members!

sincerely,

Commodore Bridgette

# TREASURER REPORT

**Hi Everybody!**

**The club is doing fine financially; however, with recent bathroom repairs and other outgoing costs, like upgrading the outdoor patio deck, our reserves are not where we would like them to be. Raising the drink prices (boo!) definitely helps. Everybody come on down to the club and enjoy a drink or two and also consider having your next party at the club! Only \$325 to rent this beautiful club for your event!**

**I wanted to congratulate you, our members, on your generosity and caring in donating \$ to our monthly and other charity causes! This is a little known fact about our yacht club that we are very community oriented and give back in many different ways!**

**Larry Carr Fund: \$10,700**

**February: Junior Giants (\$721)**

**March: Healing Waters (\$1,021)**

**April: Project Peanut Butter (\$1,004)**

**May: American Red Cross (\$665)**

**June: Sea Scouts (\$809)**

**Hope to see you at the club soon!**

**Sincerely,**

**Cary Ronan, MHPYC Treasurer**

# FLEET CAPTAIN REPORT

**Lots of interesting stuff coming our way! The Reno Trip signup sheet is posted. \$250 gets you transportation and lodging at the heart of the Reno Italian Festival. October 6-7.**

**More Giants games are in the works.**

**I have accepted a job in San Diego, and will be leaving at the end of August. I will continue to administer the newsletter and the website until we find a replacement. Please come by the Club the afternoon of Sunday, August 19 to see me off. I have spent an incredible 6 years in the Bay Area, and I am so grateful to the club for making me feel welcome and all the friends I have made. I will miss you all.**

## SECRETARY REPORT

Ahoy Yachties,

Well as we are more than half way through the year and we have had a lot of fun events around the club. I will keep sending out calendars and reminders of club events. If you are hosting an event or fundraiser and you would like to promote it the membership please send me complete information as you would like it to appear. I am happy to get it out for you just send me an email at [MHPYCSF@gmail.com](mailto:MHPYCSF@gmail.com).

We would like to keep our membership strong so please remember your are allowed to sponsor up to two people per year to become a member of the club. Applications are available on our website. We are especially interested in attracting more members who live and work around the Yacht Club. If you know someone please bring them by for a visit, we would love to get to know our neighbors better.

Also on looking for someone or a couple of someone's who would be willing to interview the new members and take there pictures when they are introduced and send off to Ken Peterson for the newsletter. Being club secretary and doing membership can be a bit overwhelming so it may be time to add to our team. If you have interest in helping please let me know.

Best,

Joni Sperow

MHPYC Secretary
