ABOUT

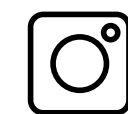

POISE
STUDIO

Hi! I'm Emma and I'm the owner of Poise Studio. We are a leading provider of all things beauty and laser, based in the lovely village of Ramsbottom. We are the first and only provider of permanent jewellery in the area.

I've always loved jewellery and permanent jewellery is something that I wanted to offer. I love how unique it is and how personal it can be too. Making special memories and forever bonds!

Permanent Jewellery is one of the new biggest trends and you can easily see why! I knew this was a service that I had to bring to Ramsbottom and I wanted to make it more affordable and accessible, because everyone deserves to feel special.
