As a foster parent providing a temporary safe home for the Community Cat Connection's Cats or Kittens, you are hereby contracting to provide a safe, warm, loving environment for the animal entrusted in your care.

You will be responsible for providing the following for your foster:

Food, litter, safe environment, vet care for any injury or illness incurred as a result of foster parent's negligence and Immediate reporting of any incident involving a foster animal which injury and/or damages resulted.

Any change in the cat/kittens health or activity must be reported to Kathy Holden (508) 208-6316.

Community Cat Connection will be responsible for the following:

Spay/neuter and all vaccinations for the animal being fostered and vet care as a result of illness not caused by foster parent's negligence.

The Community Cat Connection will not be responsible for any injuries sustained to the foster parent, household members and/or pets residing in the household, guests or other animals or people.

There is no monetary or other compensation to foster parents other than the satisfaction of providing a nurturing environment for a cat/kitten that has been neglected, abandoned and/or rescued.

Signature below constitutes that the foster parent has read and agrees with the terms and conditions outlined in this contract.
