SPRAY ON • RINSE OFF

THIS JUG IS DESIGNED TO REFILL OUR 32OZ BOTTLE WITH FOAMING SPRAYER.

- Cleans & degreases motors, including bearings & o-rings.
- Brings new brilliance to painted surfaces.
- Adds sparkle to brightwork, wheels & trim.
- Imparts a rich luster to vinyl, rubber & tires.

**FANTASTIC TRIPLE ACTION CYCLE FORMULA
WASHES • CLEANS • DEGREASES**

BIKE BRITE does the Complete Job... from headlight to tail-light!

Biodegradable, non-acidic and pH controlled Bike Brite[®] has been recommended and approved by leading motorcycle manufacturers. Specially formulated for motorcycles, motorbikes and scooters – helps prevent water spots. Always test in an inconspicuous area before using on entire surface. Can be used on all vehicles.

DIRECTIONS: Make sure all bike surfaces are cool before using. Work in the shade, out of heat from direct sunlight. Spray Bike Brite[®] over entire surface of bike, avoiding areas which owner's manual specifies should not be cleaned with water, such as electronics. Rinse immediately and thoroughly with large amounts of water. Once all foam has been thoroughly rinsed off, dry all surfaces using our Bike Brite[®] Microfiber Cloth. After drying, surfaces should feel smooth and squeaky clean, not oily or slippery.

CAUTION: EYE IRRITANT. Avoid contact with eyes. If splashed in eyes, flush with water for at least 15 minutes. If ingested consult Physician. May cause skin irritation. Wear rubber gloves if hands are sensitive. Avoid breathing mist or vapor. Use in a well-ventilated area.

INGREDIENTS: Water, C9-C11 Ethoxylated Alcohols, Butoxydiglycol, Sodium Gluconate, Sodium Dodecylbenzenesulfonate, Sodium Lauroyl Sarcosinate, Fragrance, FD&C Blue #1, Methylisothiazolinone, Benzisothiazolinone. For more ingredient information visit www.bikebrite.com.

KEEP OUT OF REACH OF CHILDREN.
