Greetings Parishioners,

With both schools being out for summer soon comes some extra time for me to give some much needed service to the people in the pews. With this in mind I'm excited to announce that I will be leading 2 summer book studies. One for women and possibly one for men! For the women's book club we will be meeting every other Tuesday for an hour from 5pm until 6pm to discuss chapters from a given book. Our first book is *"Made for Love, Loved by God"* by Father Peter John Cameron. If you are interested in joining this book club please email or call Bonnie Cochran at the St. Joe parish office. (bcochran@stjosephcrestline.org)

This book is inspirational and helpful for those who once again wish to find intimacy or increase intimacy with our Lord. The book is a down-to-earth, practical reflection on the nature of God's love, eloquently written by Fr. Peter Cameron. Drawing heavily on Sacred Scripture and the transforming encounters with Jesus Christ recorded in the Gospels. Fr. Cameron seeks to make God's love as real, concrete, and accessible to his readers' lives as possible. He emphasizes how God constantly searches for us and takes the initiative in loving us—how he woos us into happiness with him if we are open to it.... and even sometimes when we are not open to it!

"Made for Love, Loved by God" will also address common misconceptions about God's love as well as the obstacles that prevent us from letting God love us. After reading this book, the reader will feel closer to God by being shown a way to be closer to God. It will imbue the reader with the certainty of the psalmist: "The Lord delights in those who wait for his love" (Psalm 147:11).

I look forward to this book study and possibly a book study with the guys as well. If any men want me to lead a book study for them ... I WILL BE MORE than happy to do so!!! I have heard some guys say they would like the idea of a book club... but I'm looking for a little more certainty in participating rather than a wishy washy desire. Fellas JUST LET ME KNOW if you are serious about a little book study of our own. Then I will pick out a book for the guys to study as well.

!!Also & VERY IMPORTANTLY please see the insert concerning the "Heart of Bethlehem Project" found in the insert of the bulletin. Our response to the letter will give me a good litmus test of whether the parish likes the idea or if we as a community are not on board with the idea. PLEASE FEEL FREE TO SHARE YOUR THOUGHTS to me at jsmith@toledodiocese.org. !!

In Christ, Fr. Jeff

Heart of Bethlehem

The Heart of Bethlehem focus group has been assembled to ensure that a Catholic education is continually provided at Sacred Heart School for many generations to come. We are discussing the future look of our Sacred Heart Campus. Many options for renovation and construction have been discussed, and we decided to seek help from a Consultant who could help us evaluate our current building, current and future needs, and evaluate various options to ensure that any project that we do will serve the needs of our students and educators now and in the future. We sought out several architecture firms who specialize in school planning and design, evaluated their qualifications and experience, and have decided to move forward with the firm Gar-mann Miller to help us as our consultant.

The parish and school communities will be invited to participate throughout all of the following phases:

Phase 1: Planning	Phase 2: Fundraising	Phase 3: Detailed Design	Phase 4: Construction
Evaluate existing build-ings, determine needs, determine scope of a con-struction project.	Raise funds to design and build the best construc-tion option.	Architects and engineers draw detailed design plans.	
Cost: Up to \$29,000. The Consultant will do as much work in this phase as we feel is needed. Any funds that we have raised for Phase 1 and we don't use will be saved for De-sign and Construction.		Cost: To Be Determined. Based upon the best con-struction option chosen.	Cost: To Be Determined. Based upon the best con-struction option chosen.

If you would like to donate toward Phase 1 in order to help move this important project forward, please consider donating! Our goal for Phase 1 is **\$29,000**. Any donations not used in this phase will be carried forward to future phases. Donations can be placed in the collection marked "Heart of Bethlehem", or dropped off at the school or parish office. If you have questions, feel free to contact a Heart of Bethlehem focus group member.

Sincerely,

The Heart of Bethlehem focus group
