

# Lucentra ONCO – Integrative Symptom Support During Cancer Treatment

## Abstract

Cancer therapies often produce significant symptom burdens including fatigue, neuropathy, nausea, and cognitive impairment. Integrative approaches are increasingly explored to support patient comfort during treatment.

## Formula Composition

Active Homeopathic Ingredients (HPUS): Phosphoricum acidum 30C Baryta carbonica 30C  
Anacardium orientale 30C Arsenicum album 30C Nux vomica 30C Hypericum perforatum 30C  
Magnesia phosphorica 30C Borax 30C Carbo vegetabilis 30C

Inactive Ingredients: Distilled water, vegetable glycerin.

## Clinical Rationale

These ingredients have historically been used in homeopathic practice to address fatigue, neurological discomfort, stress responses, and digestive disturbances.

## Regulatory Statement

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
