GOLF RESORT

November 15, 2018

Dear Madge Lake member,

Once again, another golf season has come and gone quickly, and we have finished putting the golf course to bed for the winter. 2018 was one of the shortest golf seasons on record with winter arriving early in September this year cutting our season short. With preparations well under way for the 2019 golf season, it is time again to thank you for your continued support, and to present you with your membership renewal options.

2018 marked the beginning of change here at the golf course as we welcomed several new faces to our team and said goodbye to a few long-time staff members. This year, we welcomed Jake Broda into the position acting Grounds Superintendent and we would like to thank Jake and all of his Grounds Maintenance team for providing us all with excellent conditions on our golf course all season long. Once again, we were able to complete all of our scheduled maintenance programs this year in the fall, and with our commitment to keep up that level of maintenance and improvements, we expect excellent conditions to continue in the years to come.

With another strong season for our Men's Club, growing support for our Monday Ladies Nights, a successful Golden Duck weekend, and the addition of a few new "community-based" golf tournaments, membership participation continues to be strong. Information on activities like these as well as other happenings at the golf course can be found by following us on Facebook.

Despite the trend of seeing reduced numbers in our levels of business in recent years and a decline in tourism related activities in our marketplace, we are proud to be able to provide unchanged regular rates for golf privilege memberships for the eighth consecutive year. As always, we continue to offer discounted rates for the early payment option if your dues are paid in full prior to the December 31 deadline. Additionally, we continue to offer discounted senior rates, discounted spousal rates, and also the discounted "5 Year" guaranteed rate. As a member of Madge Lake Golf Resort, in addition to unlimited, unrestricted golf privileges, your member ID number allows you access to our on-line tee-time booking program available from our new website [www.madgelakegolf.com](http://www.madgelakegolf.com). If you don't know your ID number or if you have any questions regarding the attached membership renewal form and your 2019 renewal purchase, I can be reached by e-mail in the off-season at [rich@madgelakegolf.com](mailto:rich@madgelakegolf.com). If you wish to take advantage of the early bird discounts, I ask that you complete the renewal form and return it along with your payment as soon as possible, either by e-mail or regular post to the included address.

Thank you for your ongoing support and

Wishing you and yours a safe and happy holiday season,

---
