

November 6, 2020

Dear Madge Lake member,

Another golf season has come and gone quickly, and we have just finished putting the golf course to bed for the winter. Once again, we were able to complete all of our scheduled maintenance programs this year in the fall, and with our commitment to keep up that level of maintenance and improvements, we expect excellent conditions to continue in the years to come.

2020 was a year that no one will ever forget. With challenges presented to us to be open for business during the pandemic, we had success in keeping a clean and safe environment for everyone that used our facility all season long. Despite having had to cancel all our outside golf tournaments and corporate functions, we saw increased numbers of golfers playing our golf course this year than ever before.

With another strong season for our Men's Club, growing support for our Monday Ladies Nights, a successful Golden Duck weekend, membership participation continues to be strong. Information on activities like these as well as other happenings at the golf course can be found by following us on Facebook (Madge Lake Golf Resort) or visit our website (madgelakegolf.com).

With preparations well under way for the 2021 golf season, it is time again to thank you for your continued support, and to present you with your membership renewal options.

As always, we continue to offer discounted rates for the early payment option if your dues are paid in full prior to the December 31 deadline. Additionally, we will require any "Family Membership" purchases to be approved prior to submitting your purchase request. In the past we have made a few exceptions to the traditional family households and are going to be moving back to limiting these memberships to families all living under one roof starting in 2022. We continue to offer discounted senior rates and discounted spousal rates. As a member of Madge Lake Golf Resort, in addition to unlimited, unrestricted golf privileges, your member ID number allows you access to our on-line tee-time booking program available from our new website www.madgelakegolf.com. If you don't know your ID number or if you have any questions regarding the attached membership renewal form and your 2021 renewal purchase, I can be reached by e-mail in the off-season at rich@madgelakegolf.com. If you wish to take advantage of the early bird discounts, I ask that you complete the renewal form and return it along with your payment as soon as possible, either by e-mail or regular post to the included address.

Thank you for your ongoing support, stay safe, and;

Wishing you and yours a safe and happy holiday season,

Rich Patterson
