

# Organization MISSION

Help family build community become financial independence

Its mission is to provide an opportunity for Khmer Entertainers to perform in the USA 6 months a year. In 2012 ASALEC sponsors 5 entertainers from Cambodian and continue sponsors more superstar every year. In 2015 ASALEC expand more program to support poor people in the country by building Ponds and Wells. In addition to building Pond and Wells ASALEC created employment program by hiring people in the country to work in the farms. In 2015 we hired 30 employees. We plan to double every year for the next five years.

# GOALS

Help family build community become financial independence

- (1) Khmer Cultural Entertainment (KCE) minimum 6 stars to perform in the USA for the next 5 year
- (2) Social & Economic Stability (SAS) Employed at least 30 employee in 2015 and double every year in the next five year
- (3) The Wishing Wells Project, Build at least two Wells and one Pond a year for the next five year

# Khmer Cultural Entertainment

Mission: is to preserve Khmer History and culture for our children and foreigner to understand and accept Khmer history and culture was established thousand years before us. In addition to preserve our culture KCE develop and economic prosperity for individual and family throw live performance. Our organization has been sponsored Khmer performers to perform in the United States. Our performers receive many benefits such as travel oversee, build social net work, and receive a great deal of financial support.

- Goal: Khmer entertainer will tours USA 6 months a year

X.Total cost	\$10,000.00

# Khmer Cultural Entertainment

income in three month performance (Estimation)

- Total performance in three month 15
- Estimates profit each show \$1,500.00
- Total income in three month 22,500.00
- Estimate income generate \$22,500.00-\$10,000  
profit \$12,500

# THE WISHING WELLS PROJECT(WWP)

- A. To provide clean Water to individual and families in countryside and in the 9 former refugee camps. Cambodia country is a poor country. Individual and families residing in the countryside and 9 former refugee camps do not have running water. They survive by getting water from the rain, pond, lakes and rivers. Those water are not clean. Unfortunately, not every village or camps have pond, lake or river. We build a wells to provide a better clean water.
- B. To build Pond to support individual and families in the country and in the 9 former refugee camps. People in those village majority of them are farmers. Farmers need water to grow their product. Majority of those village do not have pond.
- C.

# Wishing Wells Project

## Mission & Goal

**Mission:** To help Khmer in the countryside to have clean water.

**Goal:** To build minimum of 2 Wells and 2 Pond a year for 9 community on the border of Thai and Cambodia.

“ 9 communities are The former refugee camps”

Build at least 2 Wells and 1 Pond a year for the next five years in rural area

# Accomplishment in

2015

2 ponds (Coordinator Vicheka Tith)

1. Pom Ou Khla Khom, cost \$6300.00
2. Pom Kos Ka Lor, cost \$8500.00

2 Wells, (Coordinator Vary Meas)

2 wells build in Nong Chan former refugee camp, cost \$4,900.00

# WWP goals

3 to 5 year

- I. Build 2 pond 2 Wells per year in the next 5 years in rural area
- II. Build a temple resident in Nong Chan for 20 monks
- III. Build minimum of 2 Ponds and 2 Wells in 9 village in the former refugee camp

# Social and economic stability (SES)

## mission & Goal in the next 5 years

Mission: provide economic stability to individual and families residing in rural area and in the former refugee camp.

Goals: To provide employment opportunity for local resident. Least land for family and resident to grow vegetable and fruit

Hire 30 employee each year and double every year in the next five year

## Social economic stability

Cost of operation

I. Farm land cost per hector	\$150.00
II. Material and labor	\$650.00
III. 2015 cost operation 35 hector	\$28,000.00
Income for per hector	\$1500.00
Total income of 35 hector	\$52,000.00
Estimate profit	$\$52,000 - 28,000 = \$24500$

# Social Economic Stability

Form Level

# Social economic stability activities in 2015 10 hector land farming (potato)

# Accomplishment

- Built 2 ponds (Ou Reasmey Province) and Kos Kar Lor Province,
- Built 1 wells in Nong Chan former refugee camp. )
- *Rent 200,000 meter square producing potato.*

# Economic Development (EC)

- Cambodian is a poor country. Majority of people live in the countryside they are lack of work, they lack of education, basically they lack of everything to survive. In 2015 Asalec create Economic Development program to provide an opportunity for people in the country to work in the form. In 2015 Asalec hired 35 people to work in the farm
