

Chicago West Suburban Delta Gamma Alumnae 49th Annual Geranium Sale

Delta Gamma's national philanthropic foundation is *Service for Sight*. Our Foundation also provides grants for *Sisters-Helping-Sisters*, *Crisis Grants*, & *Collegiate Scholarships*. All proceeds from our geranium sale support organizations that provide resources for adults and children with vision impairment or vision loss as well as Foundation initiatives. Chicago West Suburban Delta Gamma has raised and donated \$14,000 annually for the past three years to these organizations.

At the 2024 National Delta Gamma Convention, CWSDG was recognized as the 3rd largest contributor to Foundation in the nation for the biennium & was awarded the Region 5 Outstanding Philanthropy Award. Our award speaks to the wonderful support we get from our geranium customers each year. We look forward to continuing our work to raise funds for local blindness, low vision service and education programs, merit-based collegiate scholarships, and need-based grants.

Thank you for supporting our mission!

Geranium Colors/Varieties

Please use the photos as a guide for choosing plants. Colors may vary slightly from year-to-year and may not look the same on all computer monitors and/or printers.
