community **impact** partners

Community Impact Partners(CIP) is a 501c3 that has been endowed by our local donors and supporters with the means to bring this memorable performance to senior living communities all over Michigan.

CIP sponsors contribute to a fund that pays a majority of performance fees so that this show is available to facilities with limited music therapy/entertainment budgets.

Retirement Communities, Independent Living Facilities, Assisted Living, Residential Care Homes, Skilled Nursing Facilities, Respite and Memory Care Centers can qualify for the CIP program to bring 'Some Like it Yacht' to your location.

Not your typical Yacht Rock experience, coming to audiences from the fresh coast. We are a tribute and an adventure, all in one.

Show needs:

- ~A room able to accommodate your guests and a performance space of a minimum 12 ft deep and 12 ft wide.
- ~Access to two electrical outlets.
- ~The show is approximately 1 hour, with no intermission.
- ~We would need access to the performance location 3 hours prior to showtime.
- ~We have 4 performers and would love some waters during the show.

Judy Harrison, along with professional, high-energy performers from ReBooted, invite you to set sail with us as 'Some Like it Yacht' takes the Fresh Coast by storm with their original take on the trending tribute concept. This fully choreographed event features triple-threat performers, tight harmonies, and years of professional experience. The engaging cast's fun costumes, polished look and persona bring to life the iconic, sing along tunes, from the late 70's & early 80's, with performance precision that's sure to impress.

Join us for a night of smooth sailing.
