WHAT CAN I DO FOR YOU?

Elley is a Geologic educator from small intimate groups to large venues, speaking about the importance of Geology, Minerals, Mining, and understanding all it's value, while Inspiring all to follow their dreams. Elley is a promoter of earth sciences to our younger generation, and believes through the outreach of social media and speaking engagement we can bring the best light to the earth sciences.

She is not only a profession geologist she is also a geology communicator, demonstrating her years of practical geological application using social media platforms like YouTube, TikTok, Instagram, and Facebook to spread the word and passion about geology.

HAVASU ARIZONA'S COASTAL LIFE

"Elley is a Rockstar! Bring her passion and talents to the next generation"

Amber White

Director of Partner Development

Editor in Chief, Gold Prospector's Magazine

"Collaborating with Elley as a contributing author for Gold Prospectors Magazine has been an absolute pleasure. She brings so much excitement, passion and expertise to each issue and her articles have played a pivotal role in the diversification of content for our Magazine. I wholeheartedly endorse Elley to anyone or any business looking to collaborate with a true professional in the Geology Field."

Matt Llamas recommends Elley Knows Rocks.
