

Topic: Pauline Epistles Bible Questions: Romans

Introduction:

The Apostle Paul wrote thirteen epistles all of which were addressed to members of the Body of Christ living in different cities, or to specific individuals. This study will take you through the epistle to Romans with questions from most every chapter.

The questions are meant to be completely straight forward taking answers from exactly the way the passage in your King James Bible is worded. If you are unsure of the answer to any question it is suggested that you leave the question to return at a later time after you continue with other of the questions.
