

**Jimboomba Social Golf Club
2025 Match Play Schedule**

The Match Play competition runs in conjunction with our 2024 Program.

Due to the limited number of games played, the following schedule needs to be adhered to so we may complete the competition prior to our Club Championships. There will be at least 3 games allocated for each round.

If both players are present on a game day, they **MUST PLAY** their match.

If players have not played after the allocated round, the player with the most attendances in that round will win by forfeit

Unless otherwise arranged with the Club Captain.
