WELCOME BACK

Welcome Back to the Phi Psi Pennsylvania Beta website. We are excited to be sharing a new edition of our newsletter and updating you on our activities.

Our Philanthropy organized several community service and fundraising events this semester where we were able to revel in the great joy of serving others.

We welcomed two new Brothers to our chapter who have already proven to be a force for positive change.

The end of the calendar year has brought our 2023 officers' terms to a close. We are proud to announce our new executive board and officers for 2024.

Also find out about our chapter's on-campus activities and our impact on Greek life.

PHILANTHROPY

(Left) Some Brothers helped a local organization by cleaning up a park in Meadville before winter. This event was called Service Saturday, which is organized by our campus and which Phi Psi Penn Beta frequently participates in.

(Right) Brothers of Penn Beta at French Creek Cleanup, an annual event dedicated to preserving the environment in our community.

(Left) Our Chapter hosted a Safe Driving Week to raise money for Hunter's Pledge. We received donations from local businesses and hosted a campus volleyball tournament.

HUNTER'S PLEDGE

The Hunter Brooks Watson Memorial Fund, also known as Hunter's Fund, was founded in honor of Hunter, a Brother of Phi Kappa Psi whose life was tragically cut short in a car accident.

Hunter's Fund works to raise awareness about distracted driving and promote the safety of young drivers on the road.

INITIATION

Brothers Aaron Moon and Eric Fredette (Front)

Welcome Fall Class of 2023!

This fall, the Pennsylvania Beta chapter of Phi Kappa Psi fraternity welcomed two new members: Sophomore Eric Fredette, a business major, and Junior Aaron Moon, an economics major. We are excited to welcome these gentlemen to our ranks and we can't wait to see what they contribute to our brotherhood.

CAMPUS INVOLVEMENT

Brother Alexander Matlak (right) was elected president of Allegheny's Inter-Fraternal Council (IFC), and Brother Nathan Medrano (left) is representing us as IFC's Public Relations chair. They have big plans for the coming year and we hope to see them make a big impact on Allegheny Greek life.

Our chapter was a part of Battle of the Muses, an annual dance battle between campus fraternity and sorority life which takes place on alumni weekend.
