

To our guest,

We know how awesome it is to dry camp in a rv. Ocotillo Wells has always been our go to for enjoying off roading with the family. With that said, we would like to offer you a friendly reminder.

As noted in our rental agreement:

- Vehicle exterior must be clean upon return. We sent you on your way with a clean trailer, so it must be returned in the same condition.
- The Trailer **MUST** be returned without damage and the inside must be cleaned (dishes washed, dried, and put away, trash removed, floors swept, and counter tops/tables wiped)
- Late Drop-Off will result in additional fees (3:00 p.m. – 6:00 p.m. 50% of nightly rate/ after 6:00 p.m. full nightly rate) If the late return interferes with another booking, the rental deposit will be FORFITED.
- Built in Generator – Unit will have fuel to operate generator and hourly fees apply. Propane – Renter is responsible for propane used during the rental period.
- Propane Tanks must be refilled or will be charged at the end of the rental period at current propane rate.
- The A/C, heater, generator, awning, radio, microwave, television, jack, etc. are convenience items. If any malfunctions should occur with any of these items, no compensation will be made to you.

Remember, although we do allow dry camping in the desert it does get hot and dirty out there. You are dry camping at your own risk. Please be sure to read our JaeBug Rental Agreement for more details.

Thank you,

JaeBug Trailer Rentals
