\*Crestview Montessori School is in session for 170 days. Four additional days are built into the calendar for potential inclement weather closures. If the school year should be disrupted by weather and/or emergencies for more than four days, the school year will be extended for each extra day closed. If the four inclement weather days are not used, Crestview will be closed on the dates highlighted in purple, depending on the number of unused inclement weather days.

Please note there remains a possibility of future changes to this calendar. We will make every effort to provide sufficient notice so that families can plan accordingly.
