## FOR IMMEDIATE RELEASE

### BaysMartin Consulting Achieves State & Federal Supplier Diversity Certification- Albertville, MN

BaysMartin Consulting, LLC (BMC), a Minnesota-based leader in regulatory affairs, Clinical, and quality systems, has earned both the Minnesota Targeted Group/Economically Disadvantaged (MN CERT) certification and the federal SBA Minority-Owned and Women-Owned Small Business (WOSB) certification.

These designations position BMC to expand its role in advancing supplier diversity across biotech, pharmaceutical, MedTech, and healthcare industries.

*"These certifications are more than a milestone — they reinforce our mission to deliver equitable, high-impact scientific consulting while fostering inclusive economic growth," said Carol Houston, Founder & CEO.*
