Log Instructions

1) Fill out the header and footer. Please specify station type as rover or fixed; no mixed stations.

2) Call sign listed in the grid is the call sign you are working

3) Time is the local time of the contact.

4) Frequency is in MHz

5) Town 1 is the town (or township, or borough) where your station is located.

6) Town 2 is the town (or township, or borough) where the station responding to your call is located. Any town is eligible as Town 2, provided it will pass the "straight face" test. Please remember that this is a **simplex , phone contest**; no repeaters, echolink, digital modes, or satellites, please.

7) Neatness counts. If we can't read your log sheet, it will not be scored.

8) Contest date and time is Saturday, May 4th, 2024 from Noon to 4:00 PM.

9) To be scored, your log must be received by June 4th, 2024.

Thank you for participating!
