Faculty

Todd Whitthorne

Todd's gift of communication delivers an empowering combination of education and motivation which leads to powerful transformation. Leveraging an educational background in kinesiology and exercise physiology, fourteen years as a senior executive at the world-renowned Cooper Aerobics Center, and an Emmy-award winning broadcasting career, Todd helps organizations increase productivity and reduce absenteeism by empowering individuals to embrace healthy behaviors both personally and professionally. Todd currently is invested in companies focused on improving metabolic health, virtual checkups, and early cancer detection.

Pat Fulgham, MD

Dr. Fulgham is a distinguished board-certified urologist in Dallas, Texas, with over four decades of expertise in urologic care. Dr. Fulgham practiced for 35 years with Urology Clinics of North Texas, treating thousands of prostate cancer patients and ultimately becoming a prostate cancer survivor himself. He served as Surgical Director of Oncology at Texas Health Presbyterian Dallas from 1997 to 2024. He is the Director of Clinical Trials at Urology Clinics of North Texas, where he leads innovative research. As President of the Urology Research & Education Foundation, a 501c(3) non-profit, he is actively involved in educating the community about prostate cancer.
