Todd Whitthorne

Todd's gift of communication delivers an empowering combination of education and motivation which leads to powerful transformation. Leveraging an educational background in kinesiology and exercise physiology, fourteen years as a senior executive at the world-renowned Cooper Aerobics Center, and an Emmy-award winning broadcasting career, Todd helps organizations increase productivity and reduce absenteeism by empowering individuals to embrace healthy behaviors both personally and professionally. Todd currently is invested in companies focused on improving metabolic health, virtual checkups, and early cancer detection.
