Bring your wallet or check book for the auction

Remember the auction is a large part of the clubs money that helps the club run our **ITBS Rendezvous Shoot on May 25 & 26, 2019** and promote the club at outdoor shoots and archery events.

We will have a large variety of items including bows, arrows, apparel, bow and arrow building supplies, and much more! Supplied by traditional archery vendors and members who embrace traditional archery.

Raffle Bow will be available from Scott at Best Friends Bows. The Bow drawing and any other raffle items will not be drawn until the Rendezvous. DO NOT have to be present to win

Please bring pictures and your hunting and fishing stories

The directors and fellow members of the ITBS are wanting to restart the annual that has been lacking the past few years. In order to do this we need your hunting and fishing stories, poems, bow building stories, knapping experiences, pictures, or anything and everything traditional archery related that you want to share with the club. We rely on the members stories throughout the years in order to make this happen.

FOOD WILL BE PROVIDED FREE OF CHARGE TO ALL ATTENDING.

We would like it if you could send us an email or give us a quick call to let us know you will be attending. This will make sure we can better provide for the membership. If we receive enough RSVP's we will enter you all for a door prize that you must be present to win.
