

The Frank Lloyd Wright Bath Collection by Brizo®

NOW AVAILABLE FOR ORDER

After five years of engineering and product development work, we are pleased to announce that the Frank Lloyd Wright® Bath Collection will open for order on September 1, 2021 and begin shipping October 25, 2021.

Frank Lloyd Wright saw beyond the here and now. With every stroke of his pencil, he gave structure to life and life to structure. He showed us a new way to build and a new way to be.

That legacy lives on every time we seek simplicity and repose. Every time we honor the landscape and build with integrity. Every time we challenge convention and find harmony with all things. He is present. His story goes on. His vision continues.

An homage to a true luminary, the Frank Lloyd Wright® Bath Collection by Brizo® pays tribute to Wright's enduring influence. From the cantilevered spout to the avant-garde water flow, each element draws from his philosophy of organic architecture. The collection dares to break with tradition—and in doing so, honors his legacy.
