#### **The Audacity of Simplicity.**

Sometimes, the simplest expression makes the loudest statement. Nowhere is that more evident than in the Jason Wu for Brizo™ Kitchen Collection. Its fresh, streamlined aesthetic breaks through the noise with stunning clarity—bringing new vibrance to the familiar.

The distinctive Matte White finish is a variation on the Matte Black finish of the Jason Wu for Brizo™ Bath Collection. Three handle options bring to life Jason's vision for pairing the Matte White finish with striking details: the Brilliance® Polished Nickel handle inspired by the base of Jason's mannequins, the all Matte White handle for a streamlined look and the Wood/Brilliance® Polished Nickel handle, which introduces a natural element with the Guyana Teak wood. The graceful sweep of the arc spout and gentle curves of the square spout both express their own elegant interpretation of Scandinavian influences. .
