

# IT'S A COLD GAME II

After being released from state prison for trafficking, Banks planned on reconnecting with his twin daughters. He decided to retire from The Game to become the father figure they very well deserved. However, his brother, Face had a better idea. Therefore, he lobbied for Banks to return to his old lifestyle and become his right-hand man in a plot to consolidate their power. Unfortunately, it took for their mother being shot for his plan to come to fruition. Now, for Banks to exact his revenge, he has no choice but to play the cards he was dealt, and go all in.
