

The Nocturnal One

Abraham Okafor is a 40-year-old widower and father of two. He was formerly the world's undisputed heavyweight champion until his reign was cut short by tragedy. Sadly, he was shot in the back by a burglar while patrolling neighborhood watch.

Auseon Knight is a businessman with a billion-dollar empire sourced in Nigeria. Unfortunately for Honest Abe, Mr. Knight plans on expanding his demonic empire into Oakland's city limits on his watch. However, Abraham isn't entirely alone in his battle against the forces invading his realm.
