Hello Dayton Scholar Families! Dayton Scholars is back for its 9th year providing your students with intense instruction and enrichment activities designed to achieve measurable success and instill lifelong learning skills. Dayton Scholars program will operate out of several locations throughout Dayton. We are asking that interested families submit applications right away to ensure your student will be considered for the limited spaces available. Please direct any questions or concerns to daytonscholars@gmail.com or 937-387-8019

Program includes Math and Literacy Instruction, Social Emotional Skill building, Arts and Crafts, Physical Enrichment Activities, and Learning Skills development.
