

**Lower Paxton Township Authority**  
**Construction Traffic Update for Weeks of April 27 and May 4**

**1. Nyes Road at Devonshire Heights Road (PennDOT Project)**

- **Project Location:** Nyes Road at Devonshire Heights Road
- **Impacted Streets:** Nyes Road closed at Locust Lane to the south and Old Jonestown Road to the north (one-day closure).
- **Contractor(s):** Trinity Excavating
- **LPT Field Contact:** None. This is a PennDOT Project.
- **Nature of Work:** Intersection reconstruction, utility relocation
- **Additional Notes:** Work will resume in this area on Thursday April 30. The one-day closure of Nyes Road is tentatively scheduled for Saturday, May 2. See the attached detour plan as provided by PennDOT for the detour route. Contact PennDOT for additional details.

**2. Eastern Linglestown Area- Mini Basin BC-2A,2B,2C,5B**

- **Project Location:** [See map](#)
- **Impacted Streets (this period):** Harrise Drive and Nassau Road from Harrise Drive to cul-de-sac. See construction status update map below.
- **Contractor(s):** DOLI Construction Corporation
- **LPT Field Contact:** Eric Morgan (717-554-9052) or Tim Nolt (717-278-5423).
- **Nature of Work:** Storm and sanitary sewer replacement
- **Additional Notes:**
  - Nassau Road will be closed between Harrise Drive/Amy Drive and the cul-de-sac during this period for storm sewer replacement work. Detours will be in place as necessary.
  - Work will take place during the hours of 6:30 am and 5:00 pm Monday through Thursday. All roads will be reopened at the end of each working day. Contractor will be required to maintain access to properties and allow refuse trucks through the work zone. Some coordination could be required at times.

**3. Locust Grove Area- Mini Basin BC-9A**

- **Project Location:** Willow Spring Road
- **Impacted Streets:** Willow Spring Road near Peach Tree Street. See project location map below (in red, curb to curb)
- **Contractor(s):** DOLI Construction Corporation
- **LPT Field Contact:** Eric Morgan (717-554-9052) or Tim Nolt (717-278-5423).
- **Nature of Work:** Concrete and asphalt paving restoration.
- **Additional Notes:** Willow Spring Road will be closed near its intersection with Grove Road. Concrete restoration work will begin on Monday April 27 and paving restoration is anticipated to start the week of May 4. A detour will be in place and all roads will be reopened at the end of each working day. The road will be reconstructed between Peach Tree Street heading east toward 6009 Willow Spring Road. Access will be very limited during the placement of asphalt and special coordination with the contractor will be necessary.

Locust Grove Area

#### 4. Twin Lakes-Union Deposit Road- Mini Basin SC-2B (DOLI Work)

- **Project Location:** Twin Lake Park, Twin Lake Park South, and Pleasant Road.
- **Impacted Streets (this period):** Spring Creek Road at Galion, Hawthorn Drive, Twin Lakes Drive, Cardinal Drive, and Pleasant Road. See project location map below for Spring Creek Road paving (in red, curb to curb)
- **Contractor(s):** DOLI Construction Corporation
- **LPT Field Contact:** Eric Morgan (717-554-9052) or Tim Nolt (717-278-5423).
- **Nature of Work:** Asphalt paving restoration
- **Additional Notes:** Spring Creek Road at Galion Street will be closed for approximately two days the week of April 27 (*date unknown, weather dependent*). Additionally, paving restoration will take place during the week of April 27 on small portions of Hawthorne Drive, Twin Lakes Drive and Pleasant Road. Detours will be in place during the hours of 6:30 am and 5:00 pm. All roads will be reopened at the end of each working day. Access will be very limited during the placement of asphalt and special coordination with the contractor will be necessary.

Spring Creek at Galion Street Paving

5. **Twin Lakes-Union Deposit Road- Mini Basin SC-2B (Lower Paxton Crew Work)**

- **Project Location:** Twin Lake Park, Twin Lake Park South, Pleasant Road, Union Deposit Road from Pleasant Road to Newside Road.
- **Impacted Streets (this period):** Springtop Drive
- **Contractor(s):** Lower Paxton Township I/I Crew
- **LPT Field Contact:** Glenn McCoy (717-554-9045) or Jim Wetzel (717-554-9051).
- **Nature of Work:** Sanitary sewer replacement
- **Additional Notes:** Springtop Drive will be closed from Galion Street to Sweetbrier Drive. A detour will be in place during the hours of 6:30 am and 2:30 pm Monday through Friday. All roads will be reopened at the end of each working day. Crew will be required to maintain access to properties and allow refuse trucks through the work zone.
