Project at a Glance: Mini Basins BC-2A,2B,2C, & 5B

Project Location: Generally eastern Linglestown, covering the area between Linglestown Road and Blue Ridge Avenue (north and south) between Rowe Lane and Balthaser Street (east to west). It includes development areas of Manchester Commons, Evbuna Gardens, Lingle Haven, Crest Manor, The Woods at St. Thomas, Rockford Heights and Englewood Heights.

Project Scope: Replacement or rehabilitation of approximately 7.5 miles of existing sanitary sewer mainline, 190 manholes, and 530 private sanitary sewer laterals. Replacement of approximately 2.0 miles of existing storm sewer pipe and 125 associated drainage structures. Other miscellaneous work includes right-of-way clearing, bypass pumping, testing of new manholes and gravity sewer pipe, traffic control, ADA curb ramp construction, and restoration of asphalt paving, concrete curbing and sidewalk, yards, rights-of-way and driveways.

Project Objectives: Reduce sanitary sewer hydraulic overload and eliminate the sewer system overflows in accordance with the Authority's consent order with PADEP.

Construction Schedule: Anticipated Final Completion Date December 31, 2021

Contract Value: $16,933,333.25

General Contractor: DOLI Construction Corporation- (215) 997-8026
          120 Independence Lane, Chalfont PA 18914

Other Contractors: Lower Paxton Township Sewer Replacement Crew (Lateral Sewer Replacement), Cumberland Masonry (Concrete Restoration), ProMark Tree Service (Tree Removal-Private Property), Mobile Dredging and Video Pipe Services (Sewer Inspection), Hillis Carnes Engineering (Compaction Testing), Dawood Engineering Inc. (Land Survey), and Summit Engineering (Subsurface Utility Engineering).

Design Engineers: GHD Group (Sanitary), HRG Inc. (Storm), HB Engineering Inc. (ADA Curb Ramps).

Item of Interest: Portions of the project will be funded by a PENNVEST low interest loan, resulting in a significant savings to rate payers over a 20-year period.
