PNTC 2025 Officers Election

Our PNTC Bylaws, ARTICLE 6 – Elections, defines our process for nominating, voting preparations and voting for elected position within our PNTC organization. This is a very important process that we follow as a non-profit organization and as a trusting transparent club. This years election was organized by the following Election Committee Volunteers, which we thank for their time and effort.

Please welcome the 2025 Officers that are new to their positions and “Thank you” to those that have volunteered for another term.

President - Steve Crow

Oregon Vice President - Jerry Lane

Washington Vice President - Josh Schiller

Treasurer - TBD

Oregon Secretary – Eric Marks

Washington Secretary - Carrie Bartlett

Thank you,
Walt White, PNTC Newsletter Editor

Welcome to Issue No.2 of our 2024 Newsletter Volume. I hope that all of you found Issue No.1 to be acceptable and with your inputs, submission of articles and feedback we can continue to make this publication useful to the PNTC membership.

I've set a goal of publishing four times per year starting in 2025. This means that the content information will be more current and the newsletter will not be as thick. However, there might be times when issues are combined.

During our October meeting I received several suggestions such as “*Road Kill Tools*”, which are tools found roadside or discarded. This idea could be entertaining. We also now have a Publishing Schedule and Advertisement information on **page X**.

Please feel free to offer your feedback, suggestions and/or article submission to Walt White at any of the monthly meetings or send an email to: w3Leon@hotmail.com

Brochure will be added here.

2025 Annual Dues

Please pay your 2025 PNTC Membership Dues. The annual Dues remains the same as in 2024, which is \$25.00 (Husband and wife are invited for a single fee.)

Thank you,

NEW MAILING ADDRESS

We now have a NEW mailing address for all correspondence. Our new mail hosting service is monitored and checked, so that incoming mail is not left for days. If you have anything that needs to be mailed to the club, please use:

Electronic Annual Dues Payment !!

This is great news, PNTC now has the ability to process electronic payments for annual dues. Steve Crow has been working diligently with the PayPal organization to get this activated for PNTC. This task required very good coordination between Wells Fargo and PayPal by Steve Crow.

As a 501(c)3 Non-Profit organization, PNTC will pay 1.9% fee for each transaction. Therefore, \$1 is added to the \$25 Annual Dues amount if payment is made online.

Honoring a Devoted Favor Team Member

I started working on the PNTC Favor Team in 2006 for our 2006 BITW event. At that time the Favor Team was lead by Paul Muller (a very talented Machinist & Designer) and Rudy Pineau was a major contributor on the Favor Team. I've always consulted Rudy for fabrication advice and any feedback for processing parts smartly. When I became the Favor Team Leader Rudy remained a very valuable resource to the team. Over the years Rudy has touch every BITW metallic favor that we have ever produced, thousands or parts.

Unfortunately we lost Rudy in October 2023 just about a month before the 2024 favor castings arrived from the foundry. We greatly miss Rudy's friendship, skills and advice. To honor him we engraved his 2024 favor with "Favor Team Forever" and presented it to his son Brad. He will be missed, but never forgotten

The way to a Collector's heart is through the stomach

All of our monthly PNTC meetings feature wonderful lunch meals and tasty morning treats with coffee, very enjoyable. Have you ever wondered about the people and effort that goes into providing something that all of us enjoy at every meeting? Have you ever personally thanked the individuals that provide us with these goodies? Well, I would like to share these wonderful people with you and when you attend the various monthly meetings please be sure to thank them for all that they do.

Our Seattle meetings feature a selection of morning treats offered with coffee. Karen Von Talge is our Hospitality Volunteer for Seattle and we thank her for all her efforts. Along with the purchased treats she also provides a selection of tasty homemade selections. Thank you Karen.

Karen Von Talge (Seattle Meetings)

The meetings at North Fork Museum feature a selection of morning treats with coffee and a lunch that makes you want seconds on everything. If the lunch service was a restaurant, you would need to make reservations in advance. The serving process is very organized and the dining environment offers so many intriguing things to look at while enjoying your meal. Diane Lane is our Hospitality Volunteer for this location. Thank you Diane.

When we meet at "The Barn" our morning treats are hosted by Conrad and Steve. The lunches are always wonderful, well organized and served with smiling faces while keeping the line moving. For this we are thankful to the team of Sharon Racine, Heidi Bidstrup, Angie Mirka and Bonny Olson.

Diane Lane (North Fork Museum Meetings) with Jack Birky

Speaking for the PNTC Membership, I would like to say a "**BIG THANK YOU!**" for all the very good meals that all of you have served over the years. All of you are very much appreciated.

Getting to know the 2024 Favor

Our 2024 BITW Favor is a replica of the Simonds Crescent Swaging Hammer No. 346 that was designed for usage on cut saws. I first saw a Swaging Hammer advertisement sheet at one of the monthly meetings. This tool was perfect for several reasons very good reason: 1) It had a good metal to wood ratio, 2) It was a small design with very few parts, 3) It could be achieved within the budget that was approved by PNTC membership.

I've never used a Swaging Hammer and I was not familiar with how to use it. I learned that the Swaging Hammer is only used for setting the saw teeth into more efficient swaged rakers. The clamp portion of the hammer is used to wrench the saw teeth, giving the blade a set, and the hammer head is used for creating the swage. Swage is the process of squashing the saw teeth to broaden the width of the cut. Swaging rakers greatly increased the saw's efficiency, which results in more wood cut faster and with less effort.

Our PNTC commemorative Swaging Hammer hosts our club markings, custom handle, decorative features and made of 1025 Cast Grade Steel. The Special Auctioned Swaging Hammers are Stainless Steel and each one has a different custom made handle.

The wood the handles was donated by Don Reynolds and Steve Crow. Don rough sized and centered all the stock. Bob Herr turned all the handles. Doug Siemens fabricated all of the brass ferrules. Walt created the initial design and completed the final assembly. The Favor Team is very pleased with this project and after a few months break we will start preliminary design reviews for the 2026 Favor.

Place Holder Page

Meeting Note pages for August and November will be added to the final edition.

Hello All,

Now that we are back to utilizing a publication schedule we can once again offer advertisements, wants, sales or other shareable items of interest. Feel free to contact me to discuss an ad that you might want to publish.

Thank you,
Walt White
w3Leon@hotmail.com

Advertisement Fees

Marketplace, Classified, Sell, Buy or Wanted Ads

Up to 25 words ... \$5 (per issue)

Up to 50 words ... \$8 (per issue)

3.5" x 2" (Business Card) or less than ¼ page \$8(per issue)

Half-Page (4 x 7.5in.) \$10 (per issue) must be camera-ready

Full-Page (7.5 x 9in.) \$12 (per issue) must be camera-ready

The first publishing of your ad is free, then the above stated per issue fee will be applied to all consecutive issues featuring your advertisement, unless negotiated for longer. All ads must be prepaid. Each word, abbreviation group, and price number counts as one word. Ads requiring graphic borders and/or images must be submitted as camera ready for publishing. Payments made by check are to be mailed to PNTC Treasure and written as Payment to: "PNTC". Electronic payments for advertisements are not accepted at this time. Longer advertisement publishing times and cost are negotiable.

Alki Masonic Center

4736 40th Ave. SW, West Seattle, WA 98116

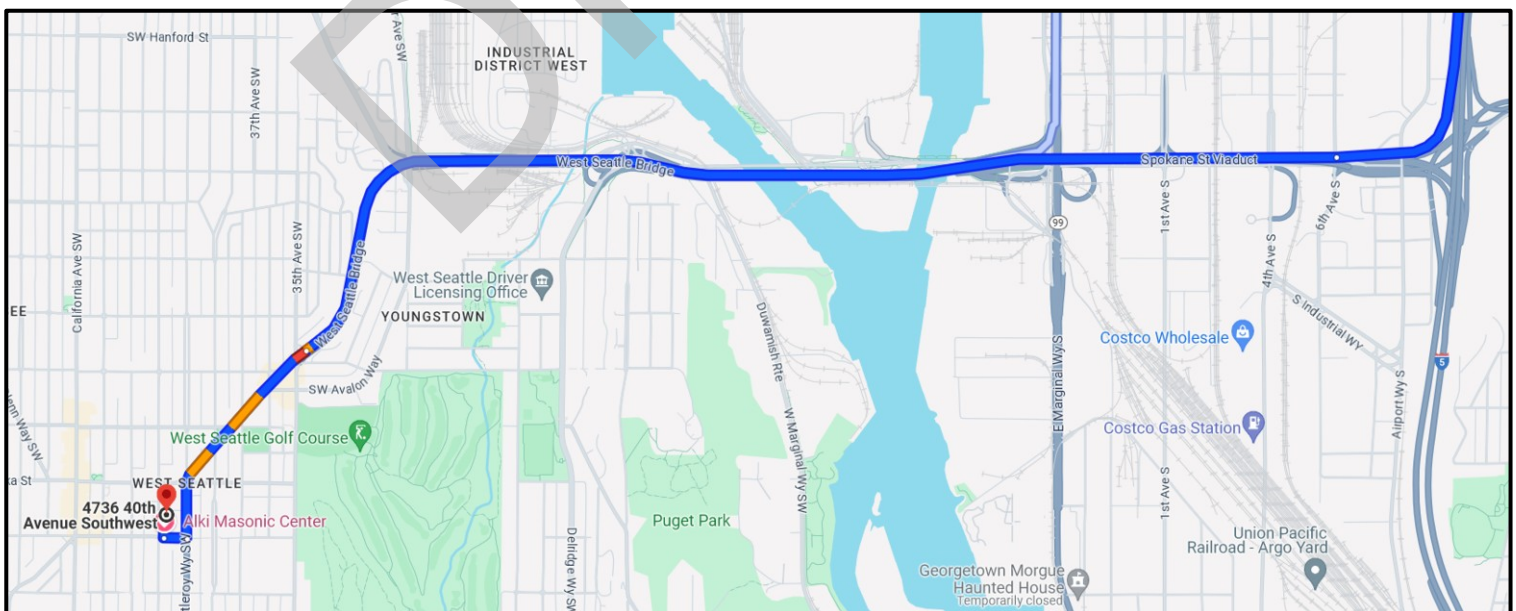

From I-5 EXIT 163 West Seattle Bridge

Stay in left lane for three miles (watch speed). Past the West Seattle Bridge, follow the signs to Fauntleroy Way SW and Vashon Ferry.

Come up the hill in the LEFT lane (2nd from the right). When the freeway ends at the 1st light, remain in the 2nd lane from the right, and continue straight ahead on Fauntleroy Way SW (DO NOT use the two left turn lanes).

Continue straight to the 5th light, and USE the two left turn lanes as Fauntleroy Way SW bends left, cross Alaska St. SW, continue straight.

At the end of the long block, turn right onto Edmunds St SW. Enter the parking lot on your right, in the middle of the block.
