# PRESIDENT'S MESSAGE

December 19, 2025

Steve Crow

Hello All,

We have just about put another year behind us. The December auction was a grand success. We've been adding new members at just about every meeting, some young and some older folks. We continue to grow unlike some groups who have had more people drop out than add new members. Please spread the word about the club to others. We need to keep growing.

We are still working on an updated website. Josh's wife Erin, is working on it and we expect to make the change before long. We have started accepting electronic payments for dues through PayPal and we have expanded that to include auction payments. We are planning on being able to handle payments for the 2026 BITW and any donations to the scholarship program through the website once we get it set up. The Favor Team has been working on the secret "Favor" for 2026 BITW and we are all looking forward to another "Prize". All of the expenses are in good standing.

Walt is also working on the newsletters and has done a superb job producing them. Our goal is to stay on a quarterly schedule for publishing the newsletter. He welcomes stories, announcements of upcoming events and information that you would like to share with the membership. We all have a story or project we can share. Please do your part to add a little something special to the next one.

We have awarded two scholarships again this year. Our scholarships are very generous by most standards and we want to continue that program. It is about time to send the next round of checks for those scholarships. Annamarie heads that committee and has again done a great job. The Scholarship Account is in good standing and we are able to pay those scholarships.

The club has benefited greatly from the auctions and we are in good shape. We look back at another very good December Auction Only, at Bill's. Bill and Brent have handled the pickups and have done an outstanding job. Bill works very, very hard at putting it all in lots and Brent works hard as well in getting it ready. Steve B takes the pictures and checks the club mail. Eric has now taken over handling the membership info. Please send anything to the PO Box on the website. Zach does a great job of getting everything published on the website. Thank all of you very much.

We have a great group of volunteers, young and old, who help make it all happen and run smooth. There is very much that happens behind the scene because of the many people who work to keep us going. Please give thanks to all those where thanks are due.

**Merry Christmas and Happy New Year,**

*Steve Crow*

Hello All,

## From the Editor

It has been an enjoyable year for me and I hope it has also been enjoyable year for all of you. This year we have seen the flow of our monthly meetings improve and very good results with our new process for electronic payments.

I thank all of you for your kind words about our PNTC newsletter and your idea contributions to its contents.

For 2026 I'm looking forward to seeing more items shared in our "**Roadkill Tools**" section and receiving any other information that our membership would like to share. # Bill's Vintage Tool Talk

"Bill's Vintage Tool Talk" was a fun event put together at the Scholls Grange Hall. Bill lined up a group of about twenty not so common tools and challenged the group to guess what they were used for. He provided a sheet with the numbers 1 through 20 on them and folks could catalog the items as Bill went through them with explanations of their use. There were plenty of good stories and laughs to go along with each tool explanation.

You can go on the [PNTC Facebook Group](#) page and see these tools featured at this event. There are a few pictures with closeups of the tools and numbers beside them. These numbers can be referred to if there are questions about the use.

Jerry Kelly did an outstanding job of recognizing the usage of these tools. We had over 25 people attend this event based on the count we got from the Halloween candy bags. Big "**Thank You**" to the wonderful folks from the Grange that passed out the bags. There were 24 treat bags and they ran out of them.

Enjoy,  
Steve Broderick
