President's Message

December 12, 2024

I would like to thank the members for another great year. We had an outstanding Best In The West and plenty of fun. You can thank the members for making it a success but most of the credit should go to Chuck Guilford and the Racine's. Chuck handled the registration and the meal at Nonna Emilia's as well as lots of the small things. Bill and Sharon Racine graciously offered to host the smaller BITW at their place. Bill and Sharon put in a lot of work to help make it a success.

The end of the year brings the end of the current term for officers. Officers are elected for three years and we say good bye to several officers. Chuck will be replaced by Josh Schiller as Washington Vice President. Walt is stepping down as Washington secretary and Carrie Bartlett will be replace him. He has assumed the role as Newsletter Editor, has been the mover and shaker behind the BITW Favors, and does not have time to do it all anymore. We have a new Oregon Secretary, Eric Marks who has done a great job on the minutes for the November

directors meeting. Doug and Jim will continue as directors at large for Washington and Oregon. Jerry Lane will continue as Oregon Vice President. I will serve another term as President. Conrad is stepping down as Treasurer and we are in dire need of a replacement.

We have decided we need a book keeper to help with the Treasurer's job. Doug has spent many, many hours talking to people about doing the book keeping. We are trying to find the right person and Doug has graciously offered to act as temporary treasurer.

We are working on an updated website. Josh's wife Erin, is working on it and we expect to make the change before long. We have started accepting electronic payments for dues through PayPal and plan on expanding that to include auction payments. We plan on being able to handle the payments for the 2026 BITW and any donations to the scholarship program once we get the new website set up.

We have awarded two scholarships again this year. We had more applicants this year than before and they were all good candidates. Annamarie heads that committee and has again done a great job, again. The Scholarship account is in good standing and we are able to pay those scholarships. There have been questions about adding a third scholarship. It has not been easy to pay those scholarships in the not so distant past. I am of the opinion that we should wait a few more years before we add a third scholarship. I would like to see a scholarship fund that is self sustaining and be able to pay those scholarships with the income from that fund. I am open to talking about that so let me know what you think.

The club has benefited greatly from the auctions and we are in good shape. Bill and Brent has handled the pickups and have done an outstanding job. Bill works hard getting it ready, Steve Broderick takes the pictures as well as handling the membership info, and Zach gets it up on the website. Jim handles the computer and June handles the bookkeeping and money at the meetings and auctions. We have a great group of volunteers who help make it all happen and run smooth.

Thank you all very much. I look forward to another fun year in 2025.

Thanks to all you members for helping make 2024 so enjoyable. Enjoy the holidays and hope to see you next year.

PNTC President

PNTC 2025 Officers Election

Our PNTC Bylaws, ARTICLE 6 – Elections, defines our process for nominating, voting preparations and voting for elected position within our PNTC organization. This is a very important process that we follow as a non-profit organization and as a trusting transparent club. This years election was organized by the following Election Committee Volunteers, which we thank for their time and effort.

Please welcome the 2025 Officers that are new to their positions and "Thank you" to those that have volunteered for another term.

President - Steve Crow
Oregon Vice President - Jerry Lane
Washington Vice President - Josh Schiller
Treasurer - Open Position
Oregon Secretary - Eric Marks
Washington Secretary - Carrie Bartlett
Director at Large (WA) - Jim Gillis
Director at Large (OR) - Doug Siemens

Thank you, Walt White, PNTC Newsletter Editor

Welcome to Issue No.2 of our 2024 Newsletter Volume. I hope that all of you found Issue No.1 to be acceptable and with your inputs, submission of articles and feedback we can continue to make this publication useful to the PNTC membership.

I've set a goal of publishing four times per year starting in 2025. This means that the content information will be more current and the newsletter will not be as thick. However, there might be times when issues are combined.

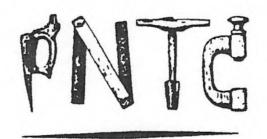

During our October meeting I received several suggestions such as "Road Kill Tools", which are tools found roadside or discarded. This idea could be entertaining. We also now have a Publishing Schedule and Advertisement information on page 42.

Please feel free to offer your feedback, suggestions and/or article submission to Walt White at any of the monthly meetings or send an email to: w3Leon@hotmail.com

Walt White PNTC Newsletter Editor

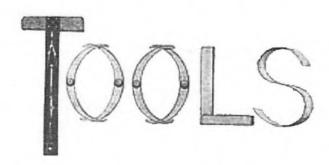

BITW Friday Evening Dinner at Nonna Emilia Italian Restaurant

The Pacific Northwest Tool Collector's scholarships programs are intended to financially support students enrolled in educational programs leading to employment in trades that use traditional tools, similar to those collected by members of our club.

It is for any accredited, non-paid 2 year or less program.

Applications may be downloaded at pntc.website and need to be postmarked by May 1 of this year.

Annamarie Schmidt Scholarship Chairperson

2025 Annual Dues

Please pay your 2025 PNTC Membership Dues. The annual Dues remains the same as in 2024, which is \$25.00 (Husband and wife are invited for a single fee.)

Thank you, PNTC Board of Directors

NEW MAILING ADDRESS

We now have a NEW mailing address for all correspondence. Our new mail hosting service is monitored and checked, so that incoming mail is not left for days. If you have anything that needs to be mailed to the club, please use:

PNTC - Newsletter P.O. Box 992 Hillsboro, OR 97123

Louie Read

Electronic Annual Dues Payment!!

This is great news, PNTC now has the ability to process electronic payments for annual dues. Steve Crow has been working diligently with the PayPal organization to get this activated for PNTC. This task required very good coordination between Wells Fargo and PayPal by Steve Crow.

As a 501(c)3 Non-Profit organization, PNTC will pay 1.9% fee for each transaction.

Therefore, \$1 is added to the \$25 Annual Dues amount if payment is made online.

Terry Tilse, Carrie Bartlett and Annamarie Schmidt

Honoring a Devoted Favor Team Member

I started working on the PNTC Favor Team in 2006 for our 2006 BITW event. At that time the Favor Team was lead by Paul Muller (a very talented Machinist & Designer) and Rudy Pineau was a major contributor on the Favor Team. I've always consulted Rudy for fabrication advice and any feedback for processing parts smartly. When I became the Favor Team Leader Rudy remained a very valuable resource to the team. Over the years Rudy has touch every BITW metallic favor that we have ever produced, thousands or parts.

Unfortunately we lost Rudy in October 2023 just about a month before the 2024 favor castings arrived from the foundry. We greatly miss Rudy's friendship, skills and advice. To honor him we engraved his 2024 favor with "Favor Team Forever" and presented it to his son Brad. He will be missed, but never forgotten

BITW Bear Raffle Prize

The way to a Collector's heart is through the stomach

All of our monthly PNTC meetings feature wonderful lunch meals and tasty morning treats with coffee, very enjoyable. Have you ever wondered about the people and effort that goes into providing something that all of us enjoy at every meeting? Have you ever personally thanked the individuals that provide us with these goodies? Well, I would like to share these wonderful people with you and when you attend the various monthly meetings please be sure to thanks them for all that they do.

Out Seattle meetings feature a selection of morning treats offered with coffee. Karen Von Talge is our Hospitality Volunteer for Seattle and we thank her for all her efforts. Along with the purchased treats she also provides a selection of tasty homemade selections. Thank you Karen.

The meetings at North Fork Museum feature a selection of morning treats with coffee and a lunch that makes you want seconds on everything. If the lunch service was a restaurant, you would need to make reservations in advance. The serving process is very organized and the dinning environment offers so many intriguing things to look at while enjoying your meal. Diane Lane is our Hospitality Volunteer for this location. Thank you Diane.

When we meet at "The Barn" our morning treats are hosted by Conrad and Steve. The lunches are always wonderful, well organized and served with smiling faces while keeping the line moving. For this we are thankful to the team of Sharon Racine, Heidi Bidstrup, Angie Mirka and Bonny Olson.

Speaking for the PNTC Membership, I would like to say a "BIG THANK YOU!" for all the very good meals that all of you have served over the years. All of you are very much appreciated.

Walt White PNTC Newsletter Editor

CUT NO. 8 Advantages of the Simonds Swaging Hammer (See Cust Nos. 7 and 8) The wide jaws of setting slot prevent injury to tooth. The perfect balancing of Hammer as regards the body. Easy to handle.

Getting to know the 2024 Favor

Our 2024 BITW Favor is a replica of the Simonds Crescent Swaging Hammer No. 346 that was designed for usage on cut saws. I first saw a Swaging Hammer advertisement sheet at one of the monthly meetings. This tool was perfect for several reasons very good reason: 1) It had a good metal to wood ratio, 2) It was a small design with very few parts, 3) It could be achieved within the budget that was approved by PNTC membership.

I've never used a Swaging Hammer and I was not familiar with how to use it. I learned that the Swaging Hammer is only used for setting the saw teeth into more efficient swaged rakers. The clamp portion of the hammer is used to wrench the saw teeth, giving the blade a set, and the hammer head is used for creating the swage. Swage is the process of squashing the saw teeth to broaden the width of the cut. Swaging rakers greatly increased the saw's efficiency, which results in more wood cut faster and with less effort.

Our PNTC commemorative Swaging Hammer hosts our club markings, custom handle, decorative features and made of 1025 Cast Grade Steel. The Special Auctioned Swaging Hammers are Stainless Steel and each one has a different custom made handle.

The wood the handles was donated by Don Reynolds and Steve Crow. Don rough sized and centered all the stock. Bob Herr turned all the handles. Doug Siemens fabricated all of the brass ferrules. Walt created the initial design and completed the final assembly. The Favor Team is very pleased with this project and after a few months break we will start preliminary design reviews for the 2026 Favor.

PNTCAugust 22nd, 2024, Directors Meeting, Supplemental Over Zoom at 3pm PDT

• Supplemental Directors meeting was held on Zoom on Thursday 22nd and called to order at 3:00 pm by PNTC President, Steve Crow.

In attendance

Steve Crow	. PNTC President
Chuck Guilford	PNTC Washington Vice President
Josh Schiller	PNTC Washington VP candidate
(Carrie Bartlett interim)	. PNTC Oregon Secretary (acting until elections with no
board privileges)	
Jim Gillis	.PNTC Washington Director at Large
Walt White	. PNTC Washington Secretary
Doug Siemens	.PNTC Oregon Director at Large

BITW update

Latest numbers:

- Need a bill for the port-o-lets
- We should have treasurers reports regularly
- We need to mail some favors
- We need to mail some checks for La Quinta refunds
- Still have an outstanding bill for the table covers
- Refunds refer to people who signed up for La Quinta that are owed a balance back. This is a top-of-the-line item for Conrad. Chuck is willing to do most of the leg work for this and hand out the bulk in person at the meeting at Jerry Lanes in September.
- o Conrad has completed some refunds for La Quinta
- There are roughly 50 people that signed up for La Quinta. Chuck will send out a follow up email on the refund to these people on the state of the refund.
- Doug sent out an itemized list of priority things we need to address that fall under the Treasurer's duties.
- We should send a prioritized list to Conrad

- Do we need to order more checks?
- Issuing checks for the La Quinta refund is a high priority
- Treasurer's report
- Taxes
- Monarch contract 2026
- Handling of cash
- Could print out a report from the checking account
 - We currently do not know what amount each check was for as far as what each person paid when they signed up for La Quinta
- Amy has confirmed that she got the check for her auction items

What else:

- We need to get the computer back to Conrad and will find someone to get it back at the gathering at Jerry Lane's
- We need to order more checks for the banking account
- Paperwork should be in Steve Broderick's briefcase for the treasurer's materials.
- Steve has requested a written update to help him keep track
- Steve is setting up a new Wells Fargo account group and will add Chuck as a viewer to the accounts.
- New email and checking account are for the new PayPal account
- Moved and seconded to send a priority (letter-change to envelope with the new checking account paperwork) to Conrad for security
- Chuck can deal with Walt directly with Walt about favors
- Chuck will talk with June about a few more refunds that need to be mailed out
- Get away to La Center for Bill and Sherry? Can we do an open gift certificate? Will include two concert tickets of their choice

- We should check with Bill about the Monarch contract <u>after</u> checking in with Conrad.
- Doug will look on the computer for a copy of the Monarch contract for 2026

New Business:

- Regardless of what happens, Conrad is <u>not</u> going to run for Treasurer again. When that happens, we need to remove him as a <u>key</u> officer and find someone to step into a <u>key</u> officer role.
 - Asked Walt if he would be willing to step in as a <u>key officer</u> in case anything happens to Steve, the only other <u>key officer</u>.
 - Walt said yes to being a key officer
 - We need to find someone to step up as treasurer and Doug can fill in only for a very brief time in an emergency.
- We need to find an accounting firm to work with and then start a job description for recruiting a treasurer.
- Ballots aren't needed if positions are uncontested
 - Can be voted on with a show of hands at meetings if all are uncontested
 - Josh reported from the nominating committee that only Oregon Secretary and Treasurer positions need nominations. Confirmed by Carrie reading the list gathered at the June meeting.
- Contract for the monarch for 2026 needs to be confirmed/found
- Chuck has discovered that many members have emails listed that they never check. Can we create a realistic confirmed email address.
- Find a good way to make sure members update their email address and/or contact preferences.
- In hindsight, we need to stress that we need to have people sign up ahead
 of time with the BITW and charge a late fee.
- We should start in the next month or two communicating the process and information about the BITW.

- What we had done in the past, all the information went out in the brochure mailed out in September, October, and November before the next BITW.
- We are not going to start the push for 2026 BITW it is too soon as Walt has said and might make people become too used to it and start ignoring the announcements
- Who holds the list of members. Steve Broderick is the one that has been keeping the database. It is the job of the Secretary to update and validate the roster, but Steve B. has been doing that. The current file in the computer that Doug has, hasn't been updated. We need to closely track where the database file is located and update the other computer.
- Could we host the database/store it on the website and restrict access.
- Is Steve Broderick's list the most current? There were a lot of new members signed up at BITW.
- Can we send out a blast through Zach and his blast list to confirm (theirdelete – and add) update their email address
- When we have the new website, we can have a more member selfmanaged list.
- Send an email to the new club email so your email is in there.
- A Major priority is updating emails. Call it a 2025 update so members pay attention to it.
- We should have a button to donate to PNTC or other charities when paying dues.
- Dues are not charitable, but donations are.
- A young man named Trevor Wheetman who took a lot of pictures, wanted to touch base about setting up social media.
 - $\circ\hspace{0.4cm}$ Would like to do something with the photos he took
 - Visit what we would like him to do at the next director's meeting
- Could we store photos with google photos with the new email?
- Put some links to some of James Wright's videos on the website

- How much storage do we currently have?
- Web-upgrade group will need to figure out what we have, what we want and what we need for web hosting and cloud storage.
 - o Jim's outline for this is great
 - We need to revisit this outline and make a readable presentation
 - Can we put together a proposal that Josh's wife can look at and tell us whether it is feasible or not?
 - o Can we hire her to build the new site?
 - She already put the outline together as a power point.
- Goal timeline for working on the website? December? January 2025?
- Probably won't do anything with Trevor Wheetman's ideas until after the 1st of the year, 2025.
- We need to push hard on getting a treasurer
 - Can we print out an example of (the jobs a secretary is supposed to do.)
 - Vince has done a decent job of reporting what he did (hoping to help get us a volunteer for Oregon Secretary)
 - Technically maintaining the roster is the secretary's job, but now we gather the information and get it to Steve Broderick
- Would like to have a position for "Recruiter" in the club
- Would like to have a position for "Membership chair"
 - Walt says no to this one because as the organization grows, there needs to be a focused point of data.
 - Access Database files on a server could handle this. One person could have the job of putting the information in, but then it will be easy to maintain
 - o Libre is a program like excel that you don't have to pay for every year

- We can update live if we have a database and a computer that can tie into the internet with Wi-Fi at the Masonic temple and through a cell tether/hotspot at Bill's
- Steve had asked about what kind of divisions we needed for handling money.
 - We are supposed to have a cashier
 - We are supposed to have a verifier
 - We are supposed to have a separate person to make the deposit
 - Conrad is not supposed to be handling cash as treasurer
- Doug has been authorized to buy a new copy of the 501c charitable organization handbook
- Conrad has the old one and we went over with Doug what the outlined job
 of the treasurer is.
- Chuck has been one of the separate persons that makes the deposits and says it is simple for him to do that.
- We do have accounting for each step, but we need to make sure we have checks and balances to make sure there is transparency and accountability
- · There was one person that bought a pop up and didn't pay for it
 - The bidder number was originally for someone who has not paid dues in a long time and may have been assigned to a guest from another tool club just for BITW. Steve Broderick may have a record of who that was.
 - Steve Broderick assigned the guest badge numbers
 - \circ There should be a bidder number and purchase price
 - Reach out to Steve Broderick
 - Could make an announcement at the next meeting and ask them to pay
- Meeting end was motioned, seconded and adjourned at 4:48pm

PNTC August 29th, 2024, Directors Meeting, Supplemental Over Zoom at 3pm PDT

Start of discussion:

• Supplemental Directors meeting was held on Zoom on Thursday August 29th and discussion started at 3:03 pm by PNTC President, Steve Crow.

In attendance

Steve Crow	PNTC President
Chuck Guilford	.PNTC Washington Vice President
Josh Schiller	PNTC Washington VP candidate
Walt White	PNTC Washington Secretary

Note: We did not have a quorum, so this was just a discussion.

No online meeting September 5th or 12th, we will have one at Jerry Lane's on the 14th in person.

Old Business Discussion:

- We will send the treasurer's computer home with Chuck or Walt from Jerry Lane's to get to Conrad after he returns from his trip.
- Emailed Steve Broderick and when he gets back, he will get a P.O. box in Hillsboro that he will monitor. Would like to give a second key to Bill so he can monitor it as well.
- Conrad mailed Steve the forms for the new Wells Fargo Checking account.
- As soon as we get those forms Steve can go down to Wells Fargo there and set up a meeting.
- We need to get back in touch with PayPal with the new email and the new banking account so that they can verify that we are a charity. 501c3.
- After that is set up, we should be ready to take payments online through PayPal.
- Steve checked the Alani website to price reservations for two nights and a gift certificate for a massage or a concert for Bill and Sharon. Not sure what they're interested in.

- We should at least check in and let Bill know we haven't forgotten about them since they hosted BITW.
- We will need to follow up about all these things when we have a quorum.
- Steve went to PayPal through his email and verified that it is there, but it needs to be verified that we are a charity, so we need to make the changes so it can be verified as a charity in the state of Oregon.
- There are a lot of choices to set up a PNTC website with PayPal.
- The major thing on our plate right now is to find an accountant and to redefine the role of Treasurer.
- We need to get Chuck signed up as an observer on the Wells Fargo club accounts.
- Doug is going to order a book about 501c3 rules.

BITW Follow Up Discussion:

- Chuck sent Conrad an email about all the LaQuinta reservations
- Conrad sent Chuck back lists of refunds and there are now only 5 names unaccounted for. This may be in the ones that just went out.
- Some club members waived their refunds and said to donate it back to the club.
- The only thing we could improve on is getting the tailgating sales closer together.
- There were maybe only 10 tailgaters. Maybe because people weren't sure what it would look like.
- It did seem like those that did tailgate did well.
- Bill running members up and down the hill in his quad was a good thing.
- If we did it again at Bills, we might have to rethink the food service and the table sales and tail gating.
- Could we do it more like the June meeting? We will have to think about it.
 Having gone through it once, we could improve on things.

- It is much cheaper for the club and for members to have it at Bills. There
 were some members that were not going to come to BITW because of
 expense in Tacoma and did end up coming to Bills.
- If we tailgate down by the barns Friday like at the flea market in June and have some tables inside, then Friday afternoon go to Nona Amelias, then come back and tell stories in the evening. We could close up the tailgating Friday, clean it up Friday night or Saturday morning and then we could set up lunch just like we did on Saturday and inside table sales.
- Chuck would like to do registration differently. Would like to make it clear that it is a paid event and that it is pre-registration only. We need to have a deadline and charge a late fee.
- Knowing in advance what we are doing will help a lot.
- Chuck might be willing to be registration chair for BITW 2026 knowing what he knows now.
- BITW was a good time had by all!
- Very few, if any, unhappy people. The only grumblings were about tight space and unclear registration.
- One of the lessons out of BITW registration is that a lot of members have emails in the roster that aren't looked at or checked.

New Business Discussion:

- Getting everything electronic will help the club.
- Come the first of the year, we will need to have a meeting with the official format that was used for Steve to outline and vote on making Walt a Key Officer.
- We need a copy of the minutes with the nominations and motions and then signed for Wells Fargo to install a new Key Officer.
- It would be nice to let some new members get more involved with the social media side of the club. Walt needs to be involved because he is the moderator for the Facebook group.

- We need to get a really good up to date email list to Zach for all the emails out to the club. There are a lot of new members from BITW.
- Steve has a map to Jerry's plus directions so he can get that to Chuck.
- Walt will bring the old PNTC memorabilia that he collected recently to Jerry Lane's. Steve will take it and see about getting it bound if it isn't already.
- Walt will bring the extra favors to Jerry Lane's as well.
- The ambiance of places like Bill's, Jerry's and Keith's lends a lot to the meetings.
- Steve contacted the Monarch to get a copy of the contract for 2026.
- Do we have things to cover the auction items at Jerry Lane's to keep them out of the heat?
- Jerry Lane's will be "wait until open sales" for table sales.
- We want to contact Zach to send out an email about email addresses, and we need a clarification about sales tags for sales tables, inside and out will be regular meeting style, not flea market style.
- We will have another online zoom directors meeting sometime between Jerry Lane's and the Washington meeting. We can meet in person at Jerry Lane's.
- We should make another plea for the vacant director's seats. We can put that in the email blast.
- Steve will run the general club meeting at Jerry Lane's.
- Steve will be sending out an ask for agenda items.
- Josh still does not get emails off the roster. Steve will contact Zach by text to correct this.
- Meeting discussion ended at 3:53pm

11/16/2024 1:30-2:00pm

Officers:

Steve Crow President

Chuck Guilford Outgoing Washington Vice President Josh Schiller Incoming Washington Vice President

Jerry Lane Oregon Vice president

Walt White Outgoing Washington Secretary
Carrie Bartlett Incoming Washington secretary

Eric Marks Incoming Oregon secretary

Doug Siemens Oregon Director at large
Jim Gillis Washington Director at Large

Conrad Berthold Treasurer (Not in attendance)

Steve Crow called the meeting to order at 1:30pm. This Meeting was focused on ratifying 2 key officers and welcoming incoming officers

Old Business

A motion was made and seconded to add two new "Key Officers" Amendments to the policies, procedures and practices document were ratified unanimously by the Board. YES=9 No=0

A motion was proposed and seconded to "Request Wells Fargo to add two new Key Officers to Pacific Northwest Tool Collectors. Walter L. White and Douglas E. Siemens are to be the new Key Officers with control of Pacific Northwest Tool Collectors." A vote was taken: YES = 9, NO = 0

Persons being added as Key Officers are required to visit in-person at the Wells Fargo offices.

A motion was made and seconded to approve Walt White and Doug Siemens to be these key officers. Key officers also will have access to Wells Fargo Bank accounts and Edward Jones investment accounts. YES=9 No=0

11/16/2024 1:30-2:00pm

Treasurer

Conrad is no longer able to operate as treasurer due to health complications. He will be stepping down at the end of 2024. The club is actively looking for a replacement to comply with Oregon Non Profit Law.

Accountant

Doug Siemens will follow up with 3 potential options and the cost of each. A new book keeper would set up Quickbooks online that the club would have access to At leastOne of the options is willing to teach an incoming treasurer or existing board member how to use Quickbooks to run reports, input data and other tasks to minimize costs for the club One of the goals is to figure out what tasks need doing by a bookkeeper and what tasks can be done by the Club internally (Ideally by the treasurer.) Costs are estimated at 1-3% of the gross income of the club. Doug will be getting clarification on what the costs actually look like in future meetings with potential bookkeepers. Hopefully the bookkeepers will be in charge of general accounting management and tax document preparation, currently the club is responsible for preparing its own tax documentation.

Website upgrade

Josh Schiller's wife Erin is planning to find a template that works for our use case and deliver proof of concept for better website layout, ease of navigation and overall friendlier user experience. We need an information architecture to properly organize content, create hierarchy and intuitive navigation and she can do that

Cloud storage?

Not needed at this time for our current use case. Important task remains: optimizing files for storage efficiency.

Newsletter advertising

Walt will publish quarterly issues of the newsletter. There is a planned pricing for advertisment based on size and lines of text/words. Advertisements will be charged per issue to encourage engagement, initial ads will get published in two issues for the price of

11/16/2024 1:30-2:00pm

one.

PayPal update

PayPal is active and 2025 member dues can be paid through the website. Steven Broderick and Steve Crow have access to the PayPal account

PNTC check for Bill and Sharon

Steve Crow signed and delivered a check to Bill Racine for \$500. The board had previously voted and ratified this expense at a previous Meeting.

Member contributions for newsletter

The club is looking for member contributions, and some examples of previous selections were discussed. The club needs to find ways to solicit The members for these contributions, and get them to Walt in a timely manner. Using space in the newsletter to solicit contributions would be helpful, and the members should also be told at future meetings.

New Business

Discuss transition for new officers

New officers have been offered help from previous board members as well as current board members.

1973 Club photo history book

There are 5 bound copies in inventory. Professional binding costs about \$6 per copy. The club has at least 50 complete copies that could be bound. Jim Gillis has offered to Sew book bindings together for a nominal cost of Binding tape and Spare needles, if needed. Due to minimal interest from newer members, it is decided to hold off on any action at this time.

11/16/2024 1:30-2:00pm

Brochure

Steve Crow has priced 500 trifold color copies at \$300, previous copy inventory is at less than 50 of 1000. Printing a smaller number was discussed for cost savings Possible compromise involves printing larger number of brochures and printing a smaller amount of business cards with 2025 meeting dates on them to minimize brochures being dated and wasted at the end of the year. Brochures could be stuffed with business cards with meeting dates and cards could be updated per year. PDF of brochure can be found on the website, and the brochure copy needs to be revised before sending to printing. A decision on this has been delayed to a future meeting date.

Acquiring newest printing of nonprofit handbook

A motion was made and seconded for the club to purchase a single copy of the book for the club at a price of \$180 YES=9 No=0

Spir MARKO

Meeting adjourned at 2:00pm

Meeting Notes reviewed and approved by PNTC Board:

Market Place & Advertisements

Hello Members,

Thank you for your patience while our newsletter is being rebuilt. We are now back to utilizing a publication schedule and we can once again offer advertisements, wants, sales or other shareable items of interest.

I would like to include items within this section for all of our 2025 publications. Feel free to contact me to discuss how this space might be helpful to you as an advertisement, want ad or information research in this publication.

Thank you,
Walt White
w3Leon@hotmail.com

Advertisement Fees

Marketplace, Classified, Sell, Buy or Wanted Ads

Up to 25 words ... \$5 (per issue) Up to 50 words ... \$8 (per issue)

3.5" x 2" (Business Card) or less than $\frac{1}{4}$ page \$8(per issue) Half-Page (4 x 7.5in.) \$10 (per issue) must be camera-ready Full-Page (7.5 x 9in.) \$12 (per issue) must be camera-ready

The first publishing of your ad is free, then the above stated per issue fee will be applied to all consecutive issues featuring you advertisement, unless negotiated for longer. All ads must be prepaid. Each word, abbreviation group, and price number counts as one word. Ads requiring graphic borders and/or images must be submitted as camera ready for publishing. Payments made by check are to be mailed to PNTC Treasure and written as Payment to: "PNTC". Electronic payments for advertisements are not accepted at this time. Longer advertisement publishing times and cost are negotiable.

Publishing Schedule

Volume 1

Consisting of January, February and March information Cutoff date for this Volume is 3rd week of March Release date for this Volume is 1st or 2nd week of April

Volume 2

Consisting of April, May and June information Cutoff date for this Volume is 3rd week of June Release date for this Volume is 1st or 2nd week of July

Volume 3

Consisting of July, August and September information Cutoff date for this Volume is 3^{rd} week of September Release date for this Volume is 1^{st} or 2^{nd} week of October

Volume 4

Consisting of October, November and December information Cutoff date for this Volume is 2rd week of December Release date for this Volume is 4st or 5th week of December
