LETTER FROM THE PRESIDENT

BEST IN THE WEST TIME

You need to sign up

Steve Crow

We have put another quarter year behind us. We now have a Treasurer, Matt Tofte in Oregon. He's a CPA and dealing with the catch up. Thank you Matt. The January, February and March meetings were a grand success. We've been adding new members at just about every meeting, some young and some older folks. We continue to grow unlike some groups who have had more people drop out than adding new members. Please spread the word about the club to others, we need to keep growing.

I encourage everyone to sign up for the BITW. Chuck has that info and and we need to get an idea of how many will come. If you are new, you will find out just how much fun there is, just ask anyone.

Updates to our website are still being worked by Josh's wife Erin and she recently gave us a preview. We expect to make the changes before long. Electronic PayPal payments have now been expanded to include annual dues and auction payments. Our plan is to also be able to handle the payments for the 2026 BITW and any donations to the scholarship program.

The Favor Team is busy working on the secret "Favor" for 2026 BITW. We're in good standing for that upcoming expense and we are all looking forward to another "Prize". Walt is working on the next newsletter and he has done a superb job of producing them. He welcomes stories and announcements of upcoming events. We all have a story or project we can share. Please do your part to add a little something special to the next one.

We have awarded two scholarships again this year. Our scholarships are very generous by most standards and we want to continue that program. We need to be looking at the next ones. Annamarie heads that committee and has again done a great job. The Scholarship account is in good standing and we are able to pay those scholarships.

The club has benefited greatly from the auctions and we are in good shape. Bill and Brent have handled the pickups and have done an outstanding job. Bill works very hard, very hard, at putting it all into lots and Brent works hard as well in getting it ready. Steve Broderick takes the pictures and checks the club mail. Eric Marks has now taken over handling the membership info. Please send anything to the PO Box shown on our website. Zach Howell updates the website and sends out emails to the membership. Thank all of you very much.

We have a great group of volunteers, young and old, who help make it all happen. There is very much that happens behind the curtain because of the many people who work to keep us going. Give thanks to all those where thanks are due.

Take care, see you at the BITW

Tool Sales – Seattle

Hello All,

I hope everyone is doing well. We are getting closer to our favorite event "*Best In The West*" and I'm looking forward to the many interesting displays.

I've received several very good comments about our newsletter and I thank all of you for your feedback. If you see me at any of the monthly meetings I'm open to discussions or ideas about newsletter content. All of us love tools, but our newsletter content doesn't have to be 100% about tools.

Feel free to contact me at any of the monthly meetings or send an email to:

Still need a treasurer!

Jim giving his talk about the role of treasurer – there is a LOT of help available Treasurer should not have to handle the money apart from writing some checks, or making sure they get written. Come to most of the meetings. Transfer some money from one account to another (can all be done online). Send records for yearly taxes, we have an accountant that takes care of them from there, Kurt. Budget meetings with board members shouldn't change much. There should only be a few hours a month. We need to have a treasurer in order to maintain our charitable status for the club, which enables no sales tax for table sales and auction items.

Gotten quotes between 450 and 4500/ month for bookkeeping for the club.

Another quote for 2-300/month for the first few months, then 100-150 a month from another woman for bookkeeping
