LETTER FROM THE PRESIDENT

BEST IN THE WEST TIME

You need to sign up

We have put another good half year behind us. We had a good flea market with plenty of people and plenty of fun. I call it a grand success. The weather was not nice with rain showers and cool winds and some sun breaks. The auction was very good with lots of lots sold. The club got a good add to the funds. Sharon as usual, provided a great lunch and Strawberry Short Cake.

We've been adding new members at just about every meeting, some young and some older folks. I think the friendly and helpful atmosphere is helping with that. We continue to grow, unlike some other groups that have had more people drop out than adding new members. Please spread the word about the club to others. We need to keep growing.

We need to sign up for the BITW. The board met and confirmed that the 26 BITW will be at the Monarch/Hilton as planned. Chuck has that info and we need to get an idea of how many will come. If you are new, you will find out just how much fun there is, just ask someone.

We are still working on an updated website and Josh's wife Erin, gave us a recent preview on it and we expect to make the change before long. We are now accepting electronic payments for dues through PayPal and we have expanded that to include auction payments. We are now able to handle the payments for the 2026 BITW and any donations to the scholarship program.

Steve Crow

The favor Team is working on the secret "Favor" for 2026 BITW and we are looking forward to another "Prize". We're in good standing for that upcoming expense after BITW. Walt is also working on the next newsletter, he's doing a superb job. He welcomes stories and announcements of upcoming events. We all have a story or project we can share. Please do your part to add a little something special to the next one.

We will award two scholarships again this year. Our scholarships are very generous by most standards and we want to continue that program. We need to be looking at the next ones. Annamarie heads that committee and has again done a great job. The Scholarship account is in good standing and we are able to pay those scholarships.

The club has benefited greatly from the auctions and we're in good shape. Bill and Brent have handled the pickups and have done an outstanding job. Bill works very, very hard at putting it all in lots and Brent works hard as well in getting it ready. Steve Broderick takes the auction lot pictures and checks the club mail box. Zach has done a great job with the email blasts and getting information posted to our website. Eric has now taken over handling the membership information. Please send anything to the PO Box on the website. I thank all of you very much.

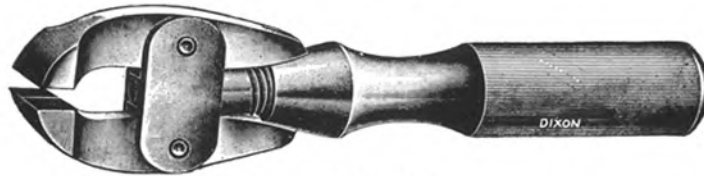

We have a great group of volunteers, young and old, who help make it all happen. There is very much that happens behind the curtain because of the many people who work to keep us going. Give thanks to all those where thanks are due.

Take care, see you at the BITW

Hello All,

This edition of our newsletter thinner than our prior issues due to my time spent on various BITW preparation tasks that I'm working. As you know, I'm making the 2026 BITW Favors along with working on my display and sales items. Our next newsletter will be thicker and it will contain enjoyable pictures of the 2026 BITW event .

Feel free to contact me at any of the monthly meetings or send an email to: w3Leon@hotmail.com
