President's Message

July 18, 2024

I would like to welcome all of you to the "NEW" PNTC News Letter. The printed "Ye Old Tool Chest" was compiled by and had been the work of Jack Birky for 30+ years. He compiled the information, edited it and had it printed. He retired from that job and we have been in need of a new "News Letter Editor" and current news letter. We have solicited articles, pictures, notices and stories from the members and Walt White has done a great job putting it in an online format. A lot has happened since the last newsletter. We lived through the COVID and some have suffered from it more than others. We have weathered storms and sailed through calm waters to find ourselves looking forward to tomorrow.

The 2024 Best In The West is on the horizon and with the excellent help we have had, it looks to be a grand success. It has been moved to Bill and Sharon Racine's place instead of Tacoma. We will still have tailgating and sales, displays and a BBQ luncheon. There will be awards and an auction following.

Steve Crow

We will be holding an election of officers this Fall and we are in need of an Oregon Secretary and a club treasurer. We have decided to hire a book keeping firm to handle the majority of the treasurer's duties but we must have a director/treasurer who will over see that. We have had a volunteer fill in for Oregon Secretary but we are still in need of an official secretary for that position. Please consider what you may be able to do and add to this group. We are fortunate to have a great group volunteers to help we elected officers. There are numerous people who work behind the scenes that deserve credit for what they do and provide to the club.

We continue to grow as a club and see new members at just about every meeting. They add their interests and knowledge while their volunteer work is greatly appreciated. As some of us age out, it is comforting to know we have younger people willing and able to fill our shoes.

It is has been my pleasure to share the fun and good times we have had which I continue to enjoy with all of you. Every day is a gift. That is why they call it "The Present".Keep smiling and see you soon.

Steve Crow
PNTC President

Scholarship Program

The scholarship program has had more applications this year than any year that I have been involved with—2010 I started as a grader with Michael Hyink. Alas we still only had 6 people apply and one was not qualified. I have passed out fliers I have spoke to guidance counselors, and students, and nothing is getting more applications. I have been encouraged to make the application simpler but am disinclined to do that because I want to know all of the information that we ask for now.

We don't even get many relatives of members. I will ask this of our members, please talk up our program, tell your neighbors, your family, your churches, your other groups. The Application and Brochure are easy to find on our website "<https://pntc.website/pntc-scholarship>". Tell the world....PLEASE.

For those who don't know, we are required to give scholarships! We need applications to do that, so tell someone to help the club stay alive!

Message from the Editors

Hello All,

This year our club has been faced with many challenges, one of which is filling our Newsletter Editor position. Publishing a newsletter is a requirement of our Policies, Procedures and Practices document and it's a great way to share information on what happening in the club. Steve and I are pleased to be co-sharing the position of Interim Newsletter Editor until we have this position filled.

Our 2024 Plan is to publish two newsletters: one covering January-July and one covering August-December. We will develop a plan for 2025 that will get us back on track to a better publication schedule.

Please feel free to offer your feedback and suggestions to either Steve Crow or Walt White at any of the monthly meetings or send an email to Walt (w3Leon@hotmail.com) or Steve (sscrow@q.com).

2025 Annual Dues

We will begin collecting 2025 PNTC Membership Dues starting at the October 12th monthly meeting. The annual Dues remains the same as in 2024, which is \$25.00 (Husband and wife are invited for a single fee.)

Thank you,
Conrad Berthold
PNTC Treasurer

December Auction

PNTC typically does not have a meeting in the month of December. Last year we did host a Special Auction Only meeting, which was very successful. The Board of Directors has once again approved another Special Auction Only Meeting for December 7, 2024 and it will be hosted at Bill's Barn. There are no sales tables or club meetings at this event, just the auctions. Further information will be shared as it's developed.

Researching Electronic Payment

We are in the process of researching what is required for usage of an electronic payment method. The security of membership personal data is very important and this must be understood before this payment method can be incorporated into our process.

There are ongoing conversations with the PayPal Customer Service and Technical Teams to understand the fee structure and account requirements for utilization by a 501(c)3 Non-Profit organization.

If the electronic payment method is approved and activated, an email notice will be published to PNTC Membership providing updated information along with Q&A at the monthly meetings.

Chuck GuilfordPNTC Washington Vice President
Jerry Lane.....PNTC Oregon Vice President (not in attendance)
Conrad Berthold.....PNTC Treasurer

(open position)PNTC Oregon Secretary
Jim GillisPNTC Washington Director At Large
Doug Siemens.....PNTC Oregon Director At Large (not in attendance)

Visitors or New Members:

We had 2 new members/visitors at the meeting today: Matt B. and Dan B. Each one stood up to introduce themselves and shared where they are from along with sharing any collection information.

Vacancies:

Chuck explained the need for filling our Oregon Secretary opening. If you are interested in either of this position please contact Steve, Chuck or Jerry.

Treasures Report, BITW Update and Post Cards:

Prior to Conrad providing his updates Chuck mentioned how Conrad put together the postcards that were mailed to everyone, which contained meeting dates, locations and some other information. This was a good idea to keep members informed and to remind them about paying dues for 2024.

Conrad provided a verbal Treasures Report. Please see the PNTC website for the written version of the Treasures Report. He has been working with a CPA to get all of our account details in order and meeting the requirements for our nonprofit classification.

Conrad shared a very important issue that involved an error by Wells Fargo Bank. Some how a persons name was added to our PNTC account, as an administrator and this person is not a PNTC member. Both Conrad and this person are working with Wells Fargo to clear this issue, find out how & why it happened along with why a persons personal data was given to us.

The December Special Auction Meeting went very well and Conrad shared the financial of this event.

The BITW Registration Forms, Agenda and a Brochure are now available on the PNTC website for downloading. Please fill out the Registration Form and send it to Conrad. Demonstrations and events are still being planned (Tim Grays will be hosting a demonstration). If you would like to host a demonstration or help with any of the BITW tasks please contact Conrad.

PNTC Seattle Business Meeting Notes

January 20, 2024

Steve Crow printed several BITW brochures and shared them with the attendees. Please feel free to post these and share them at events.

There was a questions asked “How many members do we have?” Conrad’s response was “I think we have about 275 members.” It was suggested to look at the list in the latest PNTC Rooster, and this list is expected to grow as we reach the BITW event time.

Scholarship Committee:

Annamarie Schmidt provided updated on our two scholarship recipients. The second payment to the Northwest School of Wooden Boat Building will be process soon. The second payment to Walla Walla Community College (John Deere School) is planned for end of February or in March.

Annamarie reminded everyone that she has Scholarship Information Flyers on her table and please take a copy if you know of a student or school program that might be interested.

A question was asked “When does the next year’s cycle begin?” Annamarie said that it will start in by the first of May 2024.

Remembering Rudy Pineau:

Bob Herr and Walt White shared some memorable thoughts about Rudy Pineau. Rudy passed away in December 2023. He was a PNTC member for many years, always helpful in sharing information and loved setting up displays of his many collection items. Rudy was the key person that polished every metal favor that we produced. He was a great person, machinist and community member ... he will be missed.

We will be featuring some of Rudy’s items in our BITW auction.

Announcements:

Chuck Guilford discussed the following announcements.

- Next Meeting is on February 10th at Bill Racine’s in Oregon.
- A reminder to all attendee’s, please be careful when picking up your boxes after the auction, so that you do not mistakenly remove another persons box.
- We are looking at making major changes to our PNTC website. If there’s somebody that would like to be involved with this project, please contact Steve Crow.
- Steve Crow announced that it is time for us to form an Elections Committee for our next Board of Directors. The committee of three people will need to coordinate with the current Board members to understand if they want the serve again, and they will also need to talk with PNTC members to see if anyone would like to add their name to the ballot for any one of the Board positions. Please contact Steve Crow if you are interested in serving on this committee.

PNTC Portland Business Meeting Notes

February 10, 2024

Announcements:

Steve discussed the following announcements.

- We are still in need of a volunteer Oregon Secretary. If you are interested in this position please contact Steve, Chuck or Jerry.
- We need volunteers for our PNTC Website Improvement Committee. We have someone that will help perform the upgrade/improvement, but she wants all the choices and improvements completed so that she can just work on processing what we have decided on changing. The committee will talk to people, make recommendations, coordinate with the PNTC Board of Directors and share a final presentation with PNTC membership before reprogramming starts. If you are interested in joining this committee please contact Steve, Chuck or Jerry.
- At the end of this year, we're going to have elections for new Officers and Directors. Therefore, we need to have an Election Committee that will build a list of names for the ballot. We have one volunteer, Jack Birky, and we need at least five more. We would like to have three volunteers from Oregon and three volunteers from Washington. If you are interested in joining this committee please contact Steve, Chuck or Jerry.
- Conrad provided a brief update on the Best In the West event. The Registration Form, Agenda and Information documents are all available on our PNTC website for downloading by members. For the first time we will have a "What's it" Table and Demonstration Presentation. We are thinking about an hour or more to allow each person to talk about the "What's it" item that they are displaying.
- Bill shared a funny story about his encounter with a County Tax Assessor that wants to start a Latrine Tax and name it after Bill.
- It was announced to the attendees that you do not have to be a gray-haired person to volunteer for any of our open positions or committees. We invite new and younger members to join these positions and share in fresh view points. No experience is necessary and there are plenty of folks around who will be more than happy to give you advice occasionally more than you wanted.

PNTC Seattle Business Meeting Notes

March 9, 2024

Scholarship Committee:

Annamarie reminded everyone that she has Scholarship Information Flyers on her table and please take a copy if you know of a student or school program that might be interested.

A question was asked "*What is the deadline for submitting applications this year?*" Annamarie responded with "*May 1, 2024, which is not very far away.*" If an application arrives after May 1st, but close to that date, then she might still include it for review.

Election Committee Volunteers Needed:

Steve Crow spoke on the topic of needing Election Committee volunteers. At the end of this calendar year, all the Directors terms in position will expire. Some of the Directors may wish to continue and others might have a different plan for themselves. Per our bylaws, we need to have an Election committee of volunteers that will talk with PNTC members and current Directors about running for any of our elected positions. The names will then be listed on a voting ballot, distributed to the membership and voting will happen.

So far we only have three people that have volunteered, but we need six. We have one Washington person and two for Oregon. We would like to have an even 3 and 3.

Announcements:

The following announcements were briefly discussed:

- Next Meeting dates for all of 2024.
- Project status on getting our PNTC website updated. We still need volunteers to help with this project.
- It was mentioned that PAST (the California Tool Club) is going to have a meeting in April if anyone want to attend that meeting.

The Business Meeting Session was held at the Bill Racine Ranch in Hillsboro, OR and called to order at 10:00 am by PNTC President Steve Crow.

Steve welcomed everyone to the meeting, introduced himself and proceeded into the introduction of Board members and Volunteer Helpers.

Jerry Lane.....PNTC Oregon Vice President
Conrad Berthold.....PNTC Treasurer

Treasures Report:

Conrad provided a verbal Treasures Report. Please see the PNTC website for the written version of the Treasures Report. It was announced that PNTC has received another anonymous donation to our Scholarship Fund for \$10K. We had a discussion focused on the best method of managing the scholarship fund "*Endowment vs. Savings Account*". There is the possibility that we might add a third scholarship to next years offering.

Conrad announced that he will not be running for PNTC Treasurer in our next election and he would like to start transitioning out of his PNTC financial responsibilities. The PNTC Board of Directors will discuss this topic at the Board Meeting and provide an update to PNTC Membership at a future monthly meeting.

If you are interested in running for the position as PNTC Treasurer please contact Steve Crow, Jerry Lane or Chuck Guilford.

Scholarship Committee:

Annamarie Schmidt updated the attendees that she has some new applications that need to be reviewed and evaluated. She needs at least one more person, preferably two, to read the scholarship applications and score them. A question was asked if the applications could be shared with the review volunteer via email and the answer is "No". These applications contain personal data and PNTC respects the confidentiality of this data by controlled in-person handling of this information, no email sharing. If you are interested in helping Annamarie with any of the Scholarship Project tasks please contact her.

Visitors or New Members:

We did not have an open announcement of New Members or Visitors today.

Vacancies:

Steve explained the need for filling our Oregon Secretary opening. If you are interested in either of this position please contact Steve, Chuck or Jerry.

Empty Sales Tables and low meeting attendance:

An open discussion concern was raised about several empty Sales Tables at the last several monthly meetings. An idea was voiced "*What if we stop the \$5 sales table fee?*" This idea was discussed and

PNTC Portland Business Meeting Notes

April 6, 2024

it was mentioned that prior to our current \$5 policy we did have a Seller 2% fee, but that was not consistently followed by all sellers. There was also an idea voiced for starting a "*Half Table Fee of \$3*", this was discussed with some very good feedback.

A show of hands was requested for eliminating the "*\$5 Sales Table Fee*". There was one hand raised to eliminate the fee, there were numerous hands raised for keeping the existing process of charging \$5 per Sales Table. A second show of hands vote was conducted for a "*Half Table Fee of \$3*", this was unanimously approved.

Announcements:

- Bill announced that more of the Rudy estate items will be auctioned at the June meeting.
- We need volunteers for our PNTC Website Improvement Committee. The committee will talk to people, make recommendations, coordinate with the PNTC Board of Directors and share a final presentation with PNTC membership before reprogramming starts. If you are interested in joining this committee please contact Steve, Chuck or Jerry.
- We need volunteers for the 2024 Election Committee. We would like to have three volunteers from Oregon and three volunteers from Washington. This committee will talk with members and ask if they are interested in running for any of our elected positions. If you are interested in joining this committee please contact Steve, Chuck or Jerry.
- PNTC is required to publish a newsletter. Our Newsletter Editor position has been vacant for over a year. As an effort to resolve this situation Steve Crow and Walt White have agreed to co-share the Newsletter Editor position on a temporary basis until the completion of our 2024 Elections.
- There is a possibility that we might have another Special Auction in December. More to come on this topic as we transition through the year. Our December 2023 Special Auction was a great success.
- Eric Cubic is in the hospital. Bonnie called June and she said to share this with the PNTC membership. We do not have details on condition or cause for admittance.
- A verbal appreciation was given to Jerry and Diane Lane for all that they do when hosting PNTC meetings at their museum. "*Every visit with them is so enjoyable, they are great people.*"

PNTC Seattle Business Meeting Notes

May 11, 2024

The Business Meeting Session was held at the Alki Masonic Center in Seattle, WA and called to order at 9:45 am by PNTC Washington Secretary Walt White. Again we had issues with the PA system volume and its speaker therefore the system could not be used for this meeting. We really need the building owners to review this system and provide good clear instructions for usage.

Walt welcomed everyone to the meeting, introduced himself and proceeded into the introduction of Board members. We did not read down the Volunteer Helpers List.

Everyone was reminded that the 2024 Membership Dues should have been paid by now. If you have not paid yet, please visit the desk and complete your payment.

Visitors or New Members:

We had 3 new visitors at the meeting today. After each person introduced themselves we wished them a warm welcome and mentioned that they should feel free to ask question about anything from any of the PNTC membership.

Treasures Report and BITW Updates:

Conrad was not in attendance at the meeting today, therefore we did not have a Treasures Report or updates for BITW.

There was a discussion that we might only have 25 Registration Forms submitted at this time. However, this has not been confirmed with Conrad, so members was reminded that this is just a concern at this time. A raise of hands was requested for: How many people have submitted their 2024 BITW Registration Form, and then a second raise of hands for how many people are planning on submitting their forms somewhat soon.

Scholarship Committee:

Annamarie was excited to inform everyone that we have FIVE applicants submitted this years. We should start thinking about activating a 3rd Scholarship this year.

Election Committee Volunteers Needed:

Jim Gillis mentioned to the attendees that we most have six people for our Election Committee and you do not have to be a long time PNTC Member to serve on this committee. He explained what was required and why this is needed.

ADDITIONAL NOTE: After the Business Meeting we did have three more volunteers join the Election Committee, so we now have seven people on this committee: John Kelley, Jack Birky,

Those favors will be auctioned off and proceeds going into the scholarship program.

Moving funds to scholarship?

We decided to not transfer funds to the scholarship funds now.

Conversation with charitable attorney Robert Miller

We decided to keep seeking advice from him about issues
concerning our status as a non-profit.

I am still looking for 3 members from Washington and 2 more from Oregon to
form a committee for nominations. Jb will be one from Oregon.

We have a potential member for the news letter but that is not firm

We talked about the need for a Oregon secretary

Officers:

Steve Crow President
Chuck Guilford Washington Vice President
Jerry Lane Oregon Vice President
(open position) Oregon Secretary
Walt White Washington Secretary
Conrad Berthold Treasurer
Jim Gillis Washington Director At Large
Doug Simmons Oregon Director At Large

Meeting Location: Bill Racine Ranch, Hillsboro, Oregon.

The meeting was called to order by Steve Crow and we utilized the agenda that was shared via email to all the Board Members.

Appoint Committee (2-5 people?) to provide input for website upgrade & funding

We discussed a few ideas/needs that we feel are important to include in a website upgrade. However, we still need to form a committee to gather inputs and present a proposal that includes the feedback and estimated cost. We currently have Zach, Steve, Jim and Josh as volunteers for this committee, but we need more members. Josh's wife can help with the upgrade once PNTC knows exactly what we want.

Selling of leftover favors

Bob Herr has agreed to be our focal person for selling off our inventory of leftover favors. The sale of these items will go into the Scholarship Fund.

2024 Budget Review & Approval

We reviewed the PNTC 2024 Budget Proposal that Conrad had email to all the Board members. There was a discussion to clarify any questions that anyone had. There were no major questions, the updated proposal looked good, we voted and it was unanimously approved for 2024. See attached copy of 2024 Approved Budget.

Moving funds to scholarship

It looks like we will have additional gained funds in 2024. So the question was proposed "Should we open another Certificate of Deposit for the Scholarship Fund?" After a brief discussion by the members, it was decided to plan on a \$10K CD for the General Fund instead of another Scholarship CD. Conrad will update the PNTC membership at a future date when the CD is ready to be established.

Conversation with Charitable Attorney Robert Miller

Conrad spoke about his conversation with the attorney and mentioned some concerns or watch items that we should be aware of. The main concern seems to be with understanding taxes and compliance to IRS Guidance for money gained via estate auctions. Conrad is having ongoing conversations with the attorney, so more to come at future dates.

Nominating Committee for elections

We need 6 people for a Nominating Committee for our next election event. All Board members were asked to help in recruiting people for this committee. We should have 3 from WA and 3 from OR, but as of today we only have 1 from OR so far.

2024 PNTC Budget Proposal

Forecasted Revenue:

Membership Dues: 200 X \$25	5,000
Auction Contributions: Commisions	5,000
Table Rent: 20 tables x \$5 x 9 meetings:	900
Hospitality:	1,200
Favor Sales:	1,500
Total	\$13,600

Estimated Expenses:

Facility Rental:	2,700
Scholarship fund:	5,000
Insurance: General Liability and D and O ins.	1,150
Tax Preperation	800
Legqal consultation	800
Organization Administrative expense	1,000
Internet (need more info)	400
State agencies (Dept's. of State and Justice)	110
Scholarship Stipend	400
Guest speaker/library acquisitions	500
Hospitality ; for regular meetings	1,400

Total	14,260
-------	--------

(660)

2024 BEST IN THE WEST proposed budget.

Forecasted revenue

Registrations (includes Taco Bar, Banquet and Breakfast buffet and favors)	14,000
Extra favor sales, raffle, and Auction	5000
Total	19.000

Estimated expenses:

La Quinta inn And Suites	11,000 plus
2024 Favors	6,000
Advertising	500
Special Favors	1,100
Awards (buttons and ribbons)	300
Favors for Lee Valley	600
Security Guard (s)	300
Total	19,800

This plan is a guesstimate particularly with the registration revenue as there is no way of estimating the number of registrants or which options they choose. We need at least 25 people for each of the breakfast buffets. Other expense categories and the revenue from extra favor sales, auction commission, and raffle estimates are based on 2022 event expenses and revenue. It is possible and even probable that revenue from registrations may be much more than I think might attend. In 2022 it was well over 19,000.

Feedback concern from PNTC Membership about auctions

Doug presented a feedback concern that he heard from conversations with a couple of PNTC members. They were concerned that we are having too many estate auctions that contain the same items as being sold on membership sales tables. These members are thinking that people are waiting until the auctions for purchasing an item to obtain a better price. Steve mentioned that's not always true and there have been many times when the auction closing price was higher than a price seen on a sales table.

Everyone want to buy an item at the best price for their budget, and every seller wants to sell at the best price for their item. PNTC Board of Directors cannot control the prices for buying and selling of individual items or items within an estate auction. We do have a backlog of items that must be auctioned and any duplication with items on a sales table is just a coincidence.

Upon further coordination with Chuck via email after this meeting, we have learned that he also heard these types of comments from buyers & sellers in Washington.

This topic will be further discussed at our next Directors meeting.

PNTC Historian and historic items

Chuck introduced the topic of establishing a PNTC Historian position and how should we preserve historic items belonging to the club. There was a conversation, perhaps this could be rolled into the Librarian responsibility. All of the attendees agree that this is a topic that needs more discussion and could possibly lead to setting up a “PNTC Historian” position.

- Establishing a PNTC Historian position and defining the responsibilities
- Understanding the Auction vs. Sales issue
- Discussion required for “Newsletter Editor” position

Appoint Committee (2-5 people?) to provide input for website upgrade & funding

The need for volunteers to help with the Website Upgrade Project was reiterated. The Board Members were asked to continue helping by asking for volunteers at each monthly meeting.

Conversation with charitable attorney Robert Miller

Conrad has not had any additional conversations or meetings with the attorney. Therefore, we did not have any new discussions for this topic.

Nominating Committee for Elections

We need 6 people for our 2024 Nominating Committee.

There should be 3 from Washington and 3 from Oregon.

We currently have two from Oregon and one from Washington.

This topic was also mentioned during the Monthly Business Meeting today and we will continue to ask for volunteers for this committee at each monthly meeting.

New Business

Concern about decreased attendance and Sales Tables

During the Business Meeting today there was a concern raised about decreased attendance at the monthly meetings and decreased number of Sales Tables (fewer Sellers). There seems to be several possible reasons for this recent trend, but more conversation and research is needed.

Discussion required for “Newsletter Editor”

This topic is from our March 9, 2024 “Future Topics List”. Background on this topic, our Policies, Procedures and Practices document defines the requirements for our PNTC newsletter “*Ye Olde Tool Chest*” and it publishing per calendar year. Our last published newsletter was April 2022 and our Newsletter Editor position has been open for a long time. As an effort to resolve this situation Steve Crow and Walt White have agreed to co-share the Newsletter Editor position on a temporary bases until the completion of our 2024 Elections, which may result in having someone filling this

position. This topic was also discussed with the PNTC membership during the Business Meeting session today.

Steve and Walt will create a rough draft copy of the newsletter for the Board of Directors to review, then we will move forward with sharing a 2024 Newsletter with the PNTC Membership.

Board Meeting date proposal for June

We had a brief closing discussion about the possibility of holding the June 2024 Board Meeting on Friday, June 7th. This adjustment was just a proposal to help with the scheduling for our standard Saturday, June Flee Market Style Monthly Meeting. Walt and Jerry will not be able to attend in-person, but Walt can be available via cellphone. Doug was not in attendance when this discussion took place.

All three of the PNTC accounts are still valid for usage. However, we need to follow-up with a Bookkeeper or Charity/Non-Profit Lawyer at a future date. Key Officer names will also need to be added to all PNTC Certificates of Deposits (CD).

There is the possibility that Doug Siemens and Steve Crow could visit a local Wells Fargo office near the Hillsboro, Oregon area, which is the June monthly meeting location.

President Steve Crow called the Meeting to order at 4:00 pm

The Board approved an Auction Only at Bill Racine's in December

Are we doing auctions for non-members? Yes but at a different rate. Members 15% Non-members 20% commission.

Chuck made a motion to upgrade zoom time to 2 Hours and consider regular Zoom meetings. The Board will consider this when costs are known. The Board voted to reimburse Carrie for the cost of upgrading her zoom so hold the Board meeting.

BEST IN THE WEST

35 Registered as of today

What is cutoff date to cancel BITW? July 1 is the cutoff date. Conrad will contact Hotel Monday to to get the number registered there and will report back. He will also provide a list of BITW volunteers and what they will help with.

Chuck made a motion that the Directors will have a Zoom meeting Friday June 14, 2024 motion passed.

What can we do to make meetings more interesting, in particular to generate more interest in the auctions? Suggestions included the following. Meeting and auction announcements need to get out earlier. It was suggested only auction items of higher quality be shown on the Website. This was so people will come to the meeting to see auction items. Maybe donate lower quality items. Maybe PNTC could have a table at meetings to sell inexpensive auction items at fixed prices. Make auction

lots of inexpensive items large enough to have a minimum value of \$20.00. Chuck offered to discuss these suggestions with Bill and Brent.

Treasurer Help. Doug is looking into hiring a Bookkeeper and other help. He is coordinating this with Conrad. Steve Crow has been made a Key Officer and has the ability to sign checks and to access all PNTC accounts. Doug Siemens will also be made a Key Officer with the same rights in the future. Coordination between Key Officers is important so that PNTC monies and expenses are all accounted for.

Chuck will prepare a survey on how to make auctions more attractive to members. This survey will be reviewed by the Board before being sent out to the members.

Newsletter. Walt has 35 pages for the Newsletter and needs input from Steve Crow. Publication is expected in July.

A motion was made and passed to reimburse Carrie for the cost she paid to upgrade our zoom meetings.

Website Upgrade. The Website Upgrade committee is: Josh, Zach, Walt, Steve, and Jim. The committee will meet separately to discuss the upgrade.

Discussions and Actions:

Spreadsheet Data

Chuck opened the discussions with an explanation of how he has converted the paper spreadsheet that he received from Conrad, into an electronic file that can be sorted or filtered for specific data as needed. This is very helpful for the various tasks that utilize that data.

Updated attendee counts for this week: 37 for the Friday restaurant dinner, 72 attending on Saturday with lunch requests, 15 Display Tables, 12 Sales Tables and 64 Favors.

There was a question/concern and discussion about how will we know who gets a favor (pre-paid). We need to be sure that the scholarship winners and Rudy's son get their favors.

ACTION: Walt will create some "Pre-paid" Favor Tags that will be distributed while verifying the names on Chucks spreadsheet. Walt will also help with the distribution and sales of favors on Saturday.

Registration Table

We will have a Registration Table for people checking in as they arrive. We are in the process of validating the names of the volunteers that will be at the Reg. Table and the location of the table.

There will NOT be "Registration Packets, Special Bid Number or Special Badges" for this BITW event.

ACTION: Steve Roderick will need to create several more "Guest Badges" and Bid Numbers for this event.

Sales Tables and Item Drop-off

The demand for sale Tables is now greater than what we have space for (inside the barn). It was suggested that we assign inside Sales Tables to the people that have already provided their

Registration Form, then additional table locations will be under the side covered area and around the back area of the barn. If we need more sales space we will work it as needed during the event. Sales Tables will be free for this BITW event.

Sellers will only be allowed to drive in front of the barn for drop-off of items, then move their vehicle. They cannot leave their vehicle sitting in the area while they setup their sales items. The space in front of the barn is needed for the pop-up covers and lunch tables.

“Open Sales” will start at 9:00AM on Saturday morning.

ACTION: We will need both PNTC Sargent of Arms to keep an eye open for enforcing this item.

Display Tables

All Display Tables will be inside the barn. Displays can be set-up on Friday and prior to 9:00AM on Saturday.

ACTION: None assigned during this meeting.

General Table & Chair Count

Steve has coordinated 16 six foot tables and 96 chairs. If more tables are needed then we will ask Bill to use his plywood tables. These tables and chairs are not for the Tailgating activities in the parking area.

ACTION: Steve is working this task as things develop. Chuck will get table covers from the Dollar Store.

Tailgating Sales

Tailgating Sales will need to happen in the parking wooded area, not in the barn or on the access road to the barn. Tailgating will start early on Friday morning and possible again early on Saturday morning. PNTC is NOT providing any tables for tailgaters to use.

ACTION: None assigned during this meeting.

Concern for rain and shade for lunch

Four (12ft. x 12ft.) Pop-up Covers have been purchased for use as rain covers and/or shade for this event. Doug has been in contact with Amazon about the delivery location issue. Our plane is to place four, 6ft tables in each pop-up cover. These covers will not be used for tailgating activities.

ACTION: None assigned during this meeting.

Communications to PNTC Membership

During several different topic discussions we mentioned the need for Zach to publish an email to the PNTC Membership. By the end of this meeting Chuck estimated that it would be 4 or 5 email sending events, therefore we need to make good use of our communications.

We also talked about how to inform members that do not use email. The idea of using post cards was discussed and Steve asked for a volunteer to handle this task. Jim agreed to help with this item

PNTC Board Meeting Notes

if he can get a list of names and address for members that do not have an email address in the PNTC Roster.

ACTION: Jim will mail copies of the Registration Form to members that do not use email. Steve will coordinate with Zach for the wording of each email sending.

Informing Other Clubs (increasing attendance)

We talked about various ways to inform other clubs about this event.

ACTION: None assigned during this meeting.

Raffle Items, Bucket Setup and Raffle Tickets

Sharon still has all of the raffle bucket items from the last BITW event. We need to check with Mike Bjur to see if he is willing to work raffle ticket sales for this event. Our plan is to setup the raffle items (and buckets) in the same barn area where lunch will be served. We need Zach to send out an email asking for Raffle Item donations.

The Raffle is planned for starting at 10:00AM on Saturday.

ACTION: Steve will check with Sharon about how many Raffle Tickets we have. Chuck will help with getting more raffle ticket rolls, if needed. Steve will coordinate with Zach about requesting raffle item donations.

Friday Evening Dinner

The dinner on Friday will be at Nonna Amelia's restaurant and the cost of the meal is NOT included on the Registration Sheet. In order to be sure of seating space at the restaurant Chuck is keeping head count and updating his contact at Nonna Amelia's. Chuck updated us on a conversation he had with the restaurant owner for reserving two seating rooms. The buffet style meal will be setup in the larger room (hold about 40 people) and the smaller room (holds about 25 people) will only have table & chairs.

The meal for dinner is not going to be full menu offerings. There will be a mixture of pasta dishes and perhaps some pizzas. All of the meals will be totaled on one bill plus tips and gratuities. Each person will be responsible for paying for their own beverage.

ACTION: Steve and/or Chuck will continue the coordination with Nona Amelia's restaurant.

Saturday Lunch

Steve has been coordination with a person at Dickey's Barbecue and there are two locations near Bill's ranch and either location can accommodate our needs. We need to provide them with a head count number around 5 days prior to BITW (Saturday, August 3rd). As of this meeting, there's about 75 meals needed. The should be delivered sometime between 10-11:00AM. Sharon would like to have them there closer to 11:00AM.

Doug will pickup three cakes and get them over to Bill's house. We are not sure if the cakes need refrigeration, but Doug will coordinate with Sharon for space.

PNTC Board Meeting Notes

July 11, 2024 3:05 – 4:25 pm

ACTION: Doug and Steve are continuing their coordination with Sharon.

Open House Visits for Sunday

We need volunteer locations for open house visits. Bill's location has plenty to see, but we would like to have additional visiting location options.

ACTION: Steve will add this to the list of emails to be sent out by Zach.

Display Awards

There will be 12 Display Award Categories and Steve has already been in coordination with a Ribbon Supplier. The Display Judging Committee will start their review on Friday and will also review any displays that get setup on Saturday morning. The awards will be a mixture of "Red, White & Blue" Ribbons and round metal medallions. The medallions are for display participation. We are estimating a need for 20-25 medallions.

ACTION: Steve will continue his coordination with the supplier.

Nomination Committee Update

Names are still being gathered for our 2024 Election of Officers. The committee has names for all of the positions except Oregon Secretary and Treasurer.

ACTION: The Nomination Committee and current Officers will need to talk with people during the BITW event.

Bookkeeping Service Company

Doug is still trying to find a bookkeeping service that is willing to work with our accounting needs. Most service that handle 501 3C organization don't want to work with an organization that handles less than \$50K per year.

ACTION: Doug will continue his research on this topic.

Request for a BITW Daily Agenda

Chuck asked if there is going to be a Daily Agenda for the BITW. This would be very helpful to everyone attending.

ACTION: Steve is loaded with stuff to do, but he will try to create an agenda.

Next Board Meetings

All attendees have agreed to weekly Zoom Meetings every Thursday at 3:00PM until the BITW event. Carrie has provided the email Meeting Notice for these meetings.

Meeting adjourned at 4:25pm

Meeting Notes reviewed and approved by PNTC Board: 12-Jul-24

Meeting Notes taken by: Walt White, PNTC Washington Secretary

PNTC July 18th, 2024, Directors Meeting, Supplemental
Over Zoom at 3pm PDT

- Supplemental Directors meeting was held on Zoom on Thursday July 18th and called to order at 3:08 pm by PNTC President, Steve Crow.
- Before the meeting we discussed old business

Old Business – (discussed before meeting was called to order)

- Discussing how we do open table sales with the space that we have
- Current registration totals as of today, combining Conrad's spreadsheet and the new registrations Chuck has received:
 - 77 attending, more "in the mail".
 - 37 for Nonna Emilia's, at least 2 more "in the mail".
 - 18 display tables, at least 1 more "in the mail".
 - 12 sales tables (inside the barn has room for 27 tables)
 - 69 favors
- Biggest questions for the Director's Meeting:
 - 1) Nonna Emilia's do we start at 3:30 with 60 spaces or start at 5:00 with 40 spaces? Security at Bill's while we are eating?
 - 2) The flyer says that displays and sales tables inside the barn are open Friday evening, with tailgating up in the trees early Saturday and then the barn opens at 9:00am Saturday (earlier for display set-ups only). If we make all of the sales tables down next to the barn free, I suspect that everyone will want a sales table and no one will tailgate up in the trees. Bill only has room for maybe a half-dozen tables under the lean-to, as he has some heavy equipment stored there that he would prefer not to have to move. But in the gravel area just outside the lean-to, we could set up at least 20 of his plywood tables. Barn is 60 feet deep, tables are 7-1/2 feet long, and that area extends back behind the barn. Loading in and out is going to be an adventure with the pop-ups in the driveway. How do we want to proceed?
- Steve Crow officially called the meeting to order at 3pm.

 Jerry Lane.....PNTC Oregon Vice President
 Chuck Guilford.....PNTC Washington Vice President

BITW update

- Bill will let members sleep in the barn on a first come/ first served basis
- Steve brought up concern that the current situation with table sales is not going to work because space is limited. Disappointment and negative reactions are anticipated
 - There is a parking area where some disabled parking is that could be used to load and unload
 - No tables in the island (killed the grass in the past)
 - Friday night, assign sales tables inside the barn and food serving barn so they can be locked up during Nona Amelia's and overnight
 - Friday night tailgating will be allowed
 - Will not open the barns until 9am to give tail gating a chance
 - Maybe let folks drop off sales items but not set up
 - This is an idea of not having any sales tables outside the barns
 - Inside barns will be open inside the barns Friday evening as well
 - We could serve food from the lean to in a pinch so we can set up tables inside the food serving barn. We think there could be around 14 in there.
 - So far only one person has requested more than one sales table
 - Walt can squeeze in anywhere for the favors
- We will have table sales inside after dinner at Nona Amelia's
- We are in the mid 40s for Nona Amelias so it seems like 3:30 would be the better time so we can use the over-flow room. They need the room for regular service at 5pm. If we are there at 3:30, we will be the first ones there. It opens at 4pm.
- Moved Nona Amelia's to 3:30pm with sales after.
- We will let people down to unload and to set up displays any time Friday, but not open sales until after dinner.
- Need to check with Sharron to make sure setting up tables will be alright in the food barn.
- Check with Doug about cakes and Cookies
- Weekly emails. Steve will check in with Zach to include Nona Amelia's time change.
- Will there be a cut off date? We are okay with people showing up the day of.

- There is a contract with Dickey's BBQ for 100 people that needs to pay in advance and we can add some up to a few days before the event.
 - We need to pick three sides
 - Potatoe salad
 - Beans
 - ? Mac and cheese or Fries? Could ask if we can do half orders.
 - Decision to go with the mac and cheese for the third
- What about the cut off date? A please sign up by...
 - For mailing applications should be at least Thursday or Friday the week before.
 - Mailing to Chuck by the 31st
 - Don't give them an option, but after the 31st, let late folks bring a check and sign up on site with Chuck.
- Chuck is going to send an update to all the registrants of "Here is what you signed up for." To head off any problems or misunderstandings.
 - Would rather fix things now than on site
 - Conrad is going to hand out refund checks at the event, get things cleared up there
- Idea to put the \$10/table inside the barn, yes.
- Need a count of display tables for medallion count (Chuck will keep updated)
- Do we put open houses into an email?
- When would open houses be? Saturday night or Sunday?
 - Each individual can decide when they want to do their own open house
- Do we comp extra meals for the relatives of a scholarship? Yes for BBQ, no for Nona's
- Steve will follow up with Rudy's son and friend for luncheon and if they are still coming.
- Scholarship winners get a favor.
- How do we say "thank you" to Bill and Sharon
 - Get a big print made of the luncheon?
 - Carve a relief?
 - Laser engrave a beautiful piece of wood?
 - Theme of thank you for the rescue?
 - Something that says "host" BITW 2024
 - Will think about it for another week
- Favor totals are up over 70 now
 - Walt with use the list of who has pre-paid so Walt can make tags
- It should be standing room only for the auction. It will all be upstairs.
- Do we need a PA system?
- Auctions updates are on the website with pictures (some of it)
- Working on program after lunch like scholarship winners, special favors, workbench
- Port a potties? Need another one in the woods. We think that Bill might be able to do that.

- Might have folks coming in Thursday to camp
 - Steve will call Bill about port o let and asking Sharon if we can use the food service barn
- Meeting again next week
- Member nominating committee: work hard twisting arms to get two unfilled positions. Oregon secretary and Treasurer. We cannot have the club if we do not have an official treasurer.
- Can we have a figurehead treasurer? They can get outside help if needed, like an accountant or bookkeeper, but still has to sign tax forms and be responsible (legally) for club funds.
- What we don't want with traffic is everyone driving down to the barn straight away.
 - Need someone to direct traffic
 - We have a lot of people to tap into for service
 - Didn't put volunteer opportunities on the registration form, could we put that in the email?
 - Put together a list
 - Table set ups
 - Parking attendant
 - Favor tracking (Chuck and Walt will work it out)
- Chuck will start sending out confirmations right away
- Victor Gerring will be there
- Some coming from Kansas
- Some former members coming back
- Walt getting in touch with someone with a bunch of old PNTC collection?
- Let Steve know what he needs to take care of.

BITW update

Latest numbers:

- Nona Amelia's – 44
- 101 – registrations/lunch, 4 of which are scholarship winners and family
- 22 - displays
- 14 – sales tables
- 80 - favors
- Still need to hear from Spike
- \$1,775 check deposit today, one check is not signed. Can it be signed to BITW and deposit after? Yes. Unsigned check to be signed at BITW.

Nona Amelia's:

- Nona Amelia's, confirmed with Rob the owner that we could do up to 60 people starting at 3:30pm, we anticipate at least 50 people
- Have people make checks out to PNTC for Nona Amelia's
- We should have a list of attendees for Nona Amelia's and collect from as many as possible before we go.

Friday and Saturday set up:

- There have been some requests to put display tables and sales tables next to each other.
- For conversions from the La Quinta forms, Chuck has sent out emails confirming what each person has selected.
 - Will be sending out confirming email out to new registrants as well.
- Zach sent out two more emails, we would like to see more outlining various things like bucket raffle and Tim's talk. Should have an easier time sending out another blast on the weekend.

Lunch arrangements:

- We will need more lunches when we get more registrants. We should have at least two lines to make things go quicker.
- We have 16 tables, so go for at least 20-24 table covers. Chuck will get 2 dozen (24)
- Need buckets/sand bags/cinder blocks to weigh down pop ups. They shipped with stakes instead of sandbags. Home Depot had a deal for a 10 pack for \$41. If we gang four pop ups together, we could use 9 buckets to tie them all down filled with water. Then could sell the buckets along with the pop ups, or donate the buckets to Bill.
- Doug is checking on 5gal. buckets to tied down the popups.
- The pop-up tents were about \$20 more than before but are here and will be taken by Doug up to Bill's tomorrow.
- Costco says, no more rectangular carrot cake and the store does not have it at all.
 - The sheet cakes serve 48/ half
 - Get decorated with flags and BITW 2024 and Doug will make color decoration decisions

- Get 3 halves, will 3rd be white or chocolate? One half is about \$25
Getting 2 white and 1 chocolate and cookies as well
- Steve will talk to someone to look into carrot cake
- Should the directors sit together at a table and include the nominating committee or at tables next to each other, as well as give Annamarie and scholarship winners head table seating? Will decide 8/1.

Displays and special set ups:

- The display table count is almost full for the main barn, so we should do most in one or the other. We could put displays down both sides and put a few sales tables next to displays. All in one barn for the displays.
- Might be able to move the desk over to the other barn and put a couple of tables there for sales or displays.
- Tim is bringing his own bench for his demonstration
- Rudy's bench will stay downstairs for its auction

Post Lunch Program

- We need a lot of pressure/persuasion for a treasurer because we MUST have one to continue as a club
- Small speech for the one special favor. Steve will give this. Les should share some of the stage with this. Steve thinks Les should give out the special favor. See comment in "Favors" section below.
- Annamarie will introduce/announce the scholarship winners. They know they will need to introduce themselves and a bit about what they are doing.
- Steve will let Chuck MC. Yay! Thank you, Chuck!
- Jack is looking forward to doing the auction. We will be prepared to relieve him. Chuck might do one of the middle ones of the 4 to give Jack a break to sit down a bit.
- Doing the auctions upstairs and will need to keep conversations downstairs subdued.
- There might be some folks who can't make it upstairs for the auction
- Chuck will come up with an agenda for the after-lunch program
- What are our thoughts on doing a weekend away or something like that for Bill and Sharon – ideas? They deserve something for stepping up to do this.

- Sharon found someone to rent us 2 port-o-lets for \$350 for the weekend
 - We also need to have the one that is there serviced
- One time all the directors sat together. Thoughts? Throw in the candidates and the nominating committee.
- There should be a report on current candidates and such from the nominating committee. Josh has agreed to do this at BITW since Carrie will not be there.
- We should have one port a potty down by the end of the parking lot since we are anticipating over 100 people.

Badges:

- Could we make a special badge for the scholarship winners?
- Reminder email to bring your club badge
- Getting some extra visitor's badges
- We will allow at BITW for any tool club to buy tools and bid in the auction. Can assign BITW only bid numbers with blank badges. Can do stickers with a sharpie for the name. This is for out of town/other tool club members.

Auctions:

- We should make an announcement to make sure to allow seating for folks that cannot stand for what might be 4 hours of auctions or easily make the trip up and down the stairs multiple times.
- Will we settle up after each auction? For BITW in the past we settle up at the end of the whole thing. We should do all payments at the end of all four.
- Jim will be able to go through the auction tag numbers and be able to get totals for each different auction after the fact.
- Special favors are handwritten and will settle up before we go up to the upstairs auction. They will be auctioned by hand, no computer recording.

Favors:

- One special one goes to Les Marty for Lee Valley and one special award.
- Les has a special relationship with Lee Valley and has acquired something from him for all attendees. He is also chairman of the awards committee. Perhaps he should award the special favor to the outstanding member who was chosen.

- Checking with Les about Lee Valley favor, when do we unveil that. We will need to hand them out to everyone that is eating. Someone will get up (will need extra help) to hand those out during lunch.
- Walt will bring his small card table to help with hand out of the favors. Then people can buy one there on site.
- Each of the two scholarship winners get a favor (that is included in the current 80 count), they also get membership in the club for a year (2025) and their free admission to BITW.

Other additional thoughts:

- We will not grandfather in folks signing up right now for 2025, since we have not done so for past BITW new sign ups.
- Chuck will also talk about the upcoming club schedule as part of the MC program.
- Another meeting next Thursday. We will not plan another zoom meeting after that and can meet next Friday (8/9) if needed.
