

The incoming Biden Administration will reshape the U.S. public policy landscape - beyond the typical Cabinet appointments. There will be changes to the leadership of regulatory agencies, influencing issues such as AI, anti-trust, consumer protections, data privacy, financial regulation, monetary policy, and telecommunications.

- Current vacancies are indicated in **bold**.
- **Indicates they will be stepping down in 2020 or once the new administration is sworn in.
- Democrat appointee is indicated by **Blue**, Republican is indicated by **Red**.
