

The Trump Administration is aggressively reshaping the U.S. public policy landscape - beyond the typical Cabinet appointments. There have been changes to the leadership of regulatory agencies, influencing issues such as AI, anti-trust, consumer protections, data privacy, financial regulation, monetary policy, and telecommunications.

- Current vacancies are indicated in **bold**.
- **Indicates they will be stepping down.
- Democrat appointee is indicated by **Blue**, Republican is indicated by **Red**.
