

REGISTRATION FEE ALERT!

The 24-25 Gymnastics year will end on June 30, 2025, which means Current Member registration fees will also expire on this date. The **2025 -2026 Annual** registration fee (valid July 1/25 - June 30/26) for recreational classes will be **\$54 (incl.hst)**.

Enrollment continues for programs that fall in the current 24-25 season and starts for programs within the new 25-26 season. But, we have found a glitch in the system that will either overcharge or undercharge during this overlapping registration period. **To avoid any errors we have removed the automatic posting of registration fee for summer programs, until May 20.**

Anyone registering for programs in the new 25-26 season prior to May 20 will have this fee MANUALLY applied to their account AFTER booking into programs online. Therefore the registration fee will not appear in the checkout cart when registering online or in the parent portal for all summer programming.
