

February 15, 2022

Dear KSG-M Members,

Please note that over the past few weeks our policies keep changing. Our current policies showing in our Jackrabbit Parent Portal reflect Term 3. As to avoid continually changing the policies in the system, please refer to this update. Once all the changes have been confirmed by government etc., I will do a mass update in the Parent Portal for Term 4.

Christine - Owner

Winter Session Term 4

Our Jackrabbit Parent Portal is now open to the public for registration.

Term 4 begins on Monday February 28 and will end on Sunday May 1, 2022.

CLASSES WILL RUN RIGHT THROUGH MARCH BREAK.

Term 4 Policy Reminders / Updates AS OF FEBRUARY 15, 2022

Understandably, there have been a few questions regarding our Covid-19 Policies since the February 14th announcement made by the Ontario government regarding lifting of some restrictions. Although some of these changes have been listed in the media, the official document Ontario Reg. 364/20 and Peel Health Unit requirements have not yet been updated. These documents will give us the exact requirements for our industry. Here is what we know right now:

- **MASKING – We are returning to our previous mask policy: All participants are required to wear their mask upon entry, while in common areas and when transitioning from event to event. Participants may choose to remove their mask while at an event and engaging in activity (Participants 2yrs old and younger are exempt).**
- **PROOF OF VACCINATION – Pending Peel Health Unit approval**, Proof of Vaccination will no longer be required as of March 1, 2022. Please note that each regions health unit can override the provincial mandates.
- All staff will be required to always remain masked while coaching.
- **We will be open for regular classes March 14 – 20, 2022.**
- Screening will still be required daily. **Parents and/or participants will be responsible for keeping the screening link on hand and completing**

screening prior to the start of each class. The link can be found on our website, in the class portal, attached to all our outgoing emails, located as a QR code on the front entrance doors and will be emailed out as a reminder during our first week of return to classes ONLY.

- **Make-up Classes** - We currently have a NO MAKE-UP CLASS policy; however, we will be revisiting this policy in April 2022
- **Spectating / Parent Viewing – Gradual Reopening** - We recognize that everyone is eager to watch their children take part in their activities. We are also excited about the lifting of the restrictions, yet we want to ensure that we do not overwhelm the participants, parents, or staff by making many changes all at once. ***We will be doing a gradual reopening of our viewing area starting in April.*** We will start this process by introducing events like:
 - Bring Your Parents to Gym Days
 - Scheduled Viewing Dates
 - Allowing Gym Tours

Term 4 Registration in Parent Portal

Each term is *usually* approximately 8 weeks long. For our traditional recreational classes, our software calculates the monthly cost based on a 4-week month and then adjusts accordingly to *reflect the actual number of available classes* during each month and it will also prorate for holidays. Below is a chart that shows the actual number of classes available for Term 4 per day (holidays are not included in these numbers so it reflects what you will be charged for).

Please note fees will be posted (appear on your account) a few days before the first of each month. *For those signed up for Monday classes in Term 4, you will see a posting for February which will be equivalent to one class as well as a

posting for March classes. If you are unsure which sessions, you are booked in for please log into your Parent Portal.

Enrollment for Term 5 (May-June) will open in late March. Please note the no one is automatically booked into a new term, nor does billing continue beyond the term you have booked in for. We must receive a request for registration for each term.
