CONTROL

Our comprehensive online Portal provides customers with tools designed to help manage and reduce fleet fueling expenses. Some of our core features give you the ability to:

- Quickly review active cards, invoices and transactions
- Customize reports and templates
- Easily export data to your Fleet Management Software
- Real time e-Receipts

Secure

- Prevent unauthorized fuel purchases
- Limit the number of gallons per day, week, month or transaction, by card
- Immediately lockout lost or stolen cards

TESTIMONIALS

"We tried other fleet card providers and then we found Robinson Oil. Wow, what a difference! The ROC team helped with setting up cards & controls, as well as back office customization, saving us a significant amount of time (money) in accounting and reconciliation, AND their pricing saves us an average of 15 cents a gallon."

Robert Saucedo, *President/CEO*

"Ever since I began working with Robinson Oil for our commercial fueling needs, I've had nothing but a great experience. We have a fleet of over 230 vehicles and I can count on ROC every time, without a doubt."

Bryson Brixie, *Fleet Operations*

"Robinson Oil has been key to the growth and success of our business."

John Taufer, *President*

"We're very pleased with Robinson Oil for their prompt service, attention to detail and cost cutting mechanisms they have in place."

Fernando Santos, *Fleet Manager*

"The ROC fuel card system has cut our fuel expenses and helped us streamline our reporting."

Roseann Orlebeck, *CFO*
