

## Waiver and Release of Liability

I, \_\_\_\_\_, give Kimberly Cooke (bodyworker) permission to perform bodywork on this horse. I understand that massage and other bodywork modalities are not a substitute for proper veterinary care. I understand the bodyworker will not make any diagnosis, attempt any adjustments or chiropractic care, and cannot prescribe medications. I have informed the bodyworker of this horse's physical condition, limitations, and medications. If this horse is undergoing treatment for any condition, I have cleared this work with the attending veterinarian. I agree to inform the bodyworker should there be any changes.
