

Get those creative juices flowing at Spark Studios where imagination is ignited and creativity is awakened. Whether kids are exploring their artistic side in the Bible Study Studio or Crafts Design Center, laying down a track at the Music Sound Stage, or bringing inventions to life at the Missions Workshop, they will learn, like King David, to use their talents to bring glory to God. They will discover that their creativity is a gift from the infinitely creative Creator who designed them for His glory.

God's creativity didn't stop in Genesis!

The Master Artist is working to redeem, reclaim, and transform us—His creation—to the original design He planned for us. We are His workmanship (Ephesians 2:10)—a masterpiece in process. So what are you waiting for? Spark your imagination and kick your creativity into high gear at Spark Studios.
