Tracy Harvey, MSW, RSW

My experience extends from working with youth and adults in residential, school and outpatient settings beginning in 1996. Over the years I have developed a strong interest and pursued specialized training in the area of trauma including EMDR, NMT, along with training around dissociative and complex trauma and completed certification with Clinical Traumatology. In addition to completing Certification, I have completed advanced training in early trauma, Ego states, and dissociation.

Various roles throughout my experience included: youth work, addiction and mental health, family violence, CASA, manager, clinical supervisor and trainer/ instructor.

Confirmation of registration will be provided on receipt of payment.
