## **ASTORIA SCHOOLS EARN A COMMENDABLE DESIGNATION**

Astoria Schools have shown progress in many areas on our school report card. The elementary, junior high and high school have all earned a COMMENDABLE designation based on factors in which the Illinois State Board of Education scores school districts.

The progress reflects an investment in our plan to remain in person throughout the pandemic, which paid dividends in test scores and the overall academic progress of our students, Pre-k through 12.

While we are never satisfied with our progress, and we know there is always room for improvement, we are very excited about how our students have worked hard throughout the pandemic to continue to learn and grow as young people. We are also very thankful and proud of our entire staff for their tireless effort and dedication to our students and district over the past 2 years. Their flexibility and ingenuity were paramount in our student's success. Additionally, our parents, churches, and entire Astoria community all played a major role in our ability to continue to provide a quality education to our students.
